To develop, protect, expand, manage and promote a system of sustainable national parks that represents natural and cultural heritage assets, through innovation, excellence, responsible tourism and just socio-economic benefit for current and future generations.

24 February 2026

GNP-009-25: APPOINTMENT OF ACCREDITED SERVICE PROVIDER FOR THE PROVISION CARD PRESENT (CP) AND CARD NOT PRESENT (CNP) GATEWAY SERVICES FOR SANPARKS FOR A PERIOD OF 5 YEARS.

RFB PUBLISHED ON THE 06 FEBRUARY 2026 CLOSING ON 06 MARCH 2026 @11H00

Notice is hereby given to all prospective service providers/bidders/tenderers that wish to submit the bid for the above-mentioned bid.

It has come to SANParks' attention that there is an error under **Phase 3: Live and practical demonstration phase criteria** of the bid document.

The bid document currently states the following under Functionality Evaluation:

“Qualification Threshold – Bidders must achieve 70% minimum qualifying score to move to the next phase. Bidders who fail to comply with the set minimum threshold of the technical requirements will be eliminated.”

However, under the Presentation Phase, the document states:

“Shortlisted bidders from Phase 2 (those scoring ≥ 75 points) will be invited to present.”

Please be advised that the correct qualifying threshold for bidders to be invited to the presentation phase is **70%**, not **75 points** as previously stated.

Accordingly, the corrected clause should be read as follows:

“Shortlisted bidders from Phase 2 (those scoring $\geq 70\%$) will be invited to present.”

This erratum serves to clarify and correct the inconsistency in the bid document. All other terms and conditions of the bid document remain unchanged.

We sincerely apologise for any inconvenience caused and appreciate your understanding.
