SPECIFICATIONS AND PRICING SCHEDULE

**THE APPOINTMENT OF A PANEL OF GENERAL MAINTENANCE AND REPAIRS SERVICES AT
VARIOUS EHC HOUSING COMPLEXES ON AN AS AND WHEN REQUIRED BASIS FOR A PERIOD OF
36 MONTHS (3 YEARS) BD REFERENCE NO: EHC/PRM/2026**

SCOPE OF CONTRACT

1. INTRODUCTION

- 1.1 Germiston Phase 2 known as Ekurhuleni Housing Company (Pty) Ltd (“EHC”) is a social housing institute for the low-income earners established in terms of the Social Housing Act 16 of 2008, Municipal Systems Act 32 of 2000, the Companies Act 71 of 2008 and the Municipal Finance Management Act 53 of 2003 (“MFMA”). EHC is 100% owned by the City of Ekurhuleni and requires the services of General maintenance and repairs services at various EHC housing complexes and facilities.
- 1.2. In terms of the MFMA and the Supply Chain Management (“SCM”) Policy adopted under the Act a municipal entity is obliged to follow a competitive bidding process to appoint a supplier of services.
- 1.3. The department would like to utilize the service of dedicated contractors for a period of three years for general repairs and maintenance that we face on daily basis. This will in turn improve how we do things and improve also the turnaround times and customer services. The current arrangement of appointing companies on ad hoc has proven not to be efficient and unreliable.
- 1.4. In order to overcome this challenge, EHC requires competent and experienced general maintenance contractors to perform maintenance and related tasks as and when required at its residential properties as follows: General Building Work, Plumbing, Electrical, Carpentry, General Steelwork, Painting, Tiling, Paving
- 1.5. It is the objective of this Bid to develop a database of preferred contractors with a fixed schedule of prices (schedule of rates supplied by EHC) who would undertake routine and emergency building maintenance services for EHC for a period of three years (36 months). Appointment to the panel will be based on the capacity of the bidder to provide all maintenance services listed above as well as bidder’s experience.
- 1.6. The successful Service Provider shall, within twenty-one (21) days upon receipt of a written notification of an award, be required to conclude a contract with the EHC, inclusive of a Service Level Agreement (SLA). Failing which, the appointment shall lapse. The SLA will serve as a tool to measure, monitor and assess the Service Provider’s performance and ensure an effective delivery of the services, and add value to the EHC. Successful bidders shall be subjected to an annual performance review by EHC.
- 1.7. From an ethical perspective, successful bidders who are appointed will be required not to accept any instructions from any party against the EHC irrespective of the nature thereof, as such will be regarded as conflict of interest. In the event that any conflict of interest is discovered

during a particular assignment, EHC reserves the right to summarily cancel the services agreement and demand that all information, documents and property of EHC be returned forthwith.

- 1.8. EHC does not guarantee that bidders will receive instructions in the event that they are appointed to EHC's panel of experienced general maintenance contractors.
- 1.9. Notwithstanding the appointment and subsequent conclusion of a contract and the supporting SLA, the appointed bidder shall not perform any work or render any services to the EHC, unless they are in receipt of a signed instruction letter to that effect from the EHC. All instructions to appointed bidders on the panel of experienced general maintenance contractors shall be given, in writing, by a duly authorized representative of EHC, and EHC may at its own discretion vary an instruction to include more assignments.
- 1.10. Without limiting any other rights the EHC may be entitled to in terms of law, the EHC shall be entitled to remove an appointed bidder from its panel of maintenance service providers before the expiry of the three (3) year period of the contract by written notice of the said appointed bidder, if the EHC, upon performance review, has established that the appointed bidder is executing a contract unsatisfactorily or has committed professional negligence in executing a mandate, or any conflict of interest arises and/or exists, among other grounds for termination.
