

## **REQUEST FOR QUOTATIONS**

**22 JANUARY 2026**

### **REQUEST FOR QUOTATIONS FOR MEDIA MONITORING SERVICES**

## 1. Purpose

---

- 1.1. To invite service providers to send quotations for Media Monitoring Services

## 2. Considerations/background

---

- 2.1. The Media and Communications Department is responsible for media monitoring. This is critical to track and evaluate the success of campaigns across social media platforms but also to monitor the general media coverage and public sentiment regarding the RSR to review negative or positive publicity and act quickly in a crisis. Media monitoring can further assist to manage the reputation of the RSR. A media monitoring service can assist in monitoring all media coverage about the organization and streamline this process. The tool is required for a period of two years and should have the following capabilities:

## 3. Scope of work / Specification

---

### **Specifications are as follows: Media Monitoring Services**

**Users:** Access by up to 5 Authorized Users to the media monitoring tool. Authorized users in this context means specific employees who are given permission to use the media monitoring tool.

**Searches:** Search option with the choice to save up to 15 searches. A "Search" in this context means a string of keywords used to search online news or social media sources and find relevant results in the form of articles or posts. Results should be displayed in the media monitoring tool and contain a hyperlink to the original

source article or post. Searches should be

**Dashboards:** A minimum of 10 Dashboard(s) on the media monitoring tool. Dashboards should be customisable and display analytics and search results from any Searches. Each Dashboard should contain Widgets/ Graphs.

**Widgets/Graphs:** Access to both Brand Monitoring and Brand Analysis widget groups, including Potential Reach, Sentiment Score, Share of Voice, Advertising Value Equivalency, Top Languages, RSS Feed, Content Streams, Media Exposure, World Heat Map, Trending Themes, Top Publishers, and Top Locations widgets.

**Sources:** News and social media monitoring. News search should result from sources tracked in different countries. Historic news search results available for up to 12 months.

**Extras:** Tagging, translation and distribution of search results.

**Sentiment:** Natural Language Processing (NLP) analysis of article sentiment (whether positive, negative, or neutral) in selected languages.

**Support:** Technical and Consultative support during normal local business hours, for the duration of the subscription.

**Email:** Daily e-mail reports and ad-hoc dashboard reports showing search results for Authorized Users.

**Mobile:** Access to media monitoring tool app (should be available in iOS and Android) to view saved Searches and results.

### **Newsfeed**

HTML newsfeed(s) on website or intranet site that mirror the News Link Search Results on the media monitoring tool.

### **Reports**

- A monthly report providing insight and analysis from the media monitoring tool, the RSR's requirements.
- Report provided in PPT, Excel, Word.
- Reports provided as part of a recurring sequence throughout the subscription as per agreement.

### **Domestic Broadcast Monitoring**

- Domestic broadcast monitoring should consist of South African news/newsreel content published by Radio and TV channels.
- RSR to provide keywords to be used to search among Radio and TV content as well as social media platforms. Search result links should be delivered in one or more RSS feed(s) into the media monitoring tool.

### **Domestic Print Monitoring**

- Domestic print monitoring should consist of South African news published by print media i.e. Newspapers and magazines.

- RSR to provide keywords used to search among print content. Search result links should be delivered in one or more RSS feed(s) into the media monitoring tool.
- Design and send branded e-Newsletters from within the media monitoring tool, containing search results and/or internally generated content.
- Include 1 branded, customised template and 1 pre-saved distribution list.
- Pre-saved distribution list should save up to 1,000 e-mail addresses. (This amount of email addresses should be increasable upon request)

### **Newsletter Distribution**

- **Additional Newsletter distribution lists.** A distribution list in this context is a group of saved email addresses (either internal or external) which can be used to send branded Newsletters from within the media monitoring platform. Each distribution list can contain up to 1,000 email addresses. (This amount of email addresses should be increasable upon request)
- **Correspondence Tracking.** The tool should be able to track the number of people opened the newsletter/ document and measure the amount of time everyone opened it for.

### **Global Content**

Search results should come from online news sources across the globe.

### **Social media engagement tool**

- Ability to connect owned social media profiles(across Facebook, Twitter, LinkedIn) to the platform and manage all pages from the platform.
- Ability to reply to all incoming messages across all social media profiles on a consolidated inbox.
- Schedule content across all social media profiles in one holistic content calendar.

- Measure & Report back on the impact of social media efforts across the various channels (Social Reports can be pulled manually or automated –ad-hoc/weekly/monthly).
- Ability to tag incoming or outgoing messages, allowing you to pull reports on campaigns, sentiment etc.
- Ability to assign incoming messages to team members for them to respond through the social media management inbox.

**A non-compulsory briefing session will be scheduled as follows:**

- Date: 28 January 2026
- Time: 10:30-11:30
- Via: Microsoft Teams

Interested bidders are requested to send an email to [fumanim@rsr.org.za](mailto:fumanim@rsr.org.za) in order to receive the meeting invitation link.
