SUMMARY BRIEF

BACKGROUND INFORMATION

The South African Council for the Project and Construction Management Professions (SACPCMP) is a statutory body established by Section 2 of the Project and Construction Management Act (Act No.48 of 2000), is a juristic person established for statutory professional certification, registration and regulation of Project and Construction Management Professions to protect public interest. In line with the Construction Industry development initiatives, the Council continues to advance and promote the science and management practice of project and construction management thereby contributing towards promotion of the Construction and Built Environment industries.

It further regulates the Project and Construction Management Professions to protect the public by identifying the type and scope of work, registering professionals, and maintaining a national register of professionals who adhere to a Code of Conduct.

It also accredits Project and Construction Management programmes at tertiary educational institutions and recognises Voluntary Associations who assist in the promotion of the professions under the SACPCMP mandate.
