## ANNEXURE E: RFI IMPORTANT INFORMATION

### E1: STATUS OF REQUEST FOR INFORMATION

This RFI is an invitation for person(s) to submit information for the provision of the services as set out in this RFI. Accordingly, this RFI must not be construed, interpreted, or relied upon, whether expressly or implicitly, as an offer capable of acceptance by any person(s), or as creating any form of contractual, promissory, or other rights. No binding contract or other understanding for the supply of products/services will exist between Denel Dynamics and any Supplier unless and until Denel Dynamics has executed a formal written contract with the successful Supplier.

### E2: ACCURACY OF THE RFI

Whilst all due care has been taken in connection with the preparation of this RFI, Denel makes no representations or warranties that the content in this RFI or any information communicated to or provided to Suppliers during the RFI Process is, or will be, accurate, current or complete. Denel Dynamics, and its officers, employees and advisors will not be liable with respect to any information communicated which is not accurate, current or complete. If a Supplier finds or reasonably believes it has found any discrepancy, ambiguity, error or inconsistency in this RFI or any other information provided by Denel Dynamics (other than minor clerical matters), the Supplier must promptly notify Denel Dynamics in writing of such discrepancy, ambiguity, error or inconsistency in order to afford Denel Dynamics an opportunity to consider what corrective action is necessary (if any). Any actual discrepancy, ambiguity, error or inconsistency in this RFI or any other information provided by Denel Dynamics will, if possible, be corrected and provided to all Suppliers without attribution to the Supplier who provided the written notice.

### E3: ADDITIONS AND AMENDMENTS TO THE RFI

Denel Dynamics reserves the right to change any information in, or to issue any addendum to this RFI before the Closing Date and Time. Denel Dynamics and its officers, employees and advisors will not be liable in connection with either the exercise of, or failure to exercise this right. If Denel Dynamics exercises its right to change information, it may seek amended RFI from all Suppliers.

### E4: CONFIDENTIALITY

All persons (including all Suppliers) obtaining or receiving this and any other information about this RFI must keep the contents of the RFI and other such information confidential, and not disclose or use the information except as required for the purpose of developing feedback in response to this RFI.

### E5: UNAUTHORISED COMMUNICATIONS

Communication (including promotional or advertising activities) with staff of Denel Dynamics or their staff assisting with the RFI Process is not permitted during the RFI Process. Nothing in this Clause 11 is intended to prevent communications with staff of, or advisors to, Denel Dynamics to the extent that such communication is not related to this RFI Process.

Suppliers must not otherwise engage in any activities that may be perceived as, or that may have the effect of, influencing the outcomes of the RFI in any way.

## **E6: IMPROPER ASSISTANCE, FRAUD AND CORRUPTION**

Suppliers may not seek or obtain the assistance of employees of Denel Dynamics in the preparation of their RFI responses.

Denel Dynamics may in its absolute discretion, immediately disqualify a Supplier that it believes has sought or obtained such improper assistance.

## **E8: CONFLICT OF INTEREST**

A Supplier must ensure that its officers, employees, agents and advisors do not place themselves in a position that may give rise to actual, potential or perceived conflict of interest between the interests of Denel Dynamics and the Supplier's interests during the RFI Process.

The Supplier is required to provide details of any interests, relationships or clients which may or do give rise to a conflict of interest in relation to the supply of the products/services under any contract that may result from this RFI.

## **E12: OBLIGATION TO NOTIFY ERRORS**

If, after a Supplier's Response has been submitted, the Supplier becomes aware of an error in its Response (including an error in pricing, but excluding clerical errors which would have no bearing on the evaluation of the RFI), the Supplier must promptly notify Denel of such error before closing date and time of the RFI.
