

| Instrument                     | Make                | Model        | Can repair (Yes/No) | Qty |
|--------------------------------|---------------------|--------------|---------------------|-----|
| Circuit Breaker Tester         | Elcon               | SA10         |                     | 11  |
| CT Analyzer                    | Omicron             |              |                     | 5   |
| Insulation Analyzer            | Doble               | M4100        |                     | 5   |
| Insulation Tester              | ABB                 | Metriso 500D |                     | 1   |
| Insulation Tester              | AVO                 | Megger BMIID |                     | 1   |
| Insulation Tester              | AVO                 | Megger MJ20  |                     | 1   |
| Insulation Tester              | Fluke               | 1503         |                     | 6   |
| Insulation Tester              | Fluke               | 1507         |                     | 16  |
| Insulation Tester              | Fluke               | 1550C        |                     | 5   |
| Insulation Tester              | Fluke               | 1577         |                     | 12  |
| Ohm Meter                      | DV Power            | RM050T       |                     | 1   |
| Ohm Meter                      | Vanguard            |              |                     | 1   |
| Polymeter                      | Dranetz             | 325          |                     | 6   |
| Power Analyser                 | Norma               | 3000         |                     | 1   |
| Power Analyser                 | Norma               | D5255T       |                     | 1   |
| Power Meter                    | Yokogawa            | WT230        |                     | 2   |
| Ratiometer                     | DV Power            | TRT63A       |                     | 3   |
| Ratiometer                     | H&B                 | BK77D        |                     | 2   |
| Ratiometer                     | Raytech             | MKIII        |                     | 4   |
| Ratiometer                     | Tettex              | 2791QB       |                     | 1   |
| Ratiometer                     | Tinsley             |              |                     | 1   |
| Ratiometer                     | Vanguard            | TRI-0        |                     | 1   |
| Resistance Bridge              | Sullivan            | T2222        |                     | 1   |
| Resistance Bridge              | Tettex              |              |                     | 1   |
| Resistance Bridge              | Vanguard            | LTC40        |                     | 1   |
| Resistance Bridge              | Vanguard            | WRM-40       |                     | 1   |
| SFR Analyzer                   | Doble               | M5400        |                     | 5   |
| Tap changer & winding analyser | BKB Power solutions | TDRCA        |                     | 1   |
| Tap changer & winding analyser | DV Power            | TWA40        |                     | 3   |
| Trip Coil Tester               |                     | CBPS300      |                     | 2   |
| Windings Analyzer              | Tettex              |              |                     | 1   |
