 - a. disregard the bid of any bidder if that bidder, or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
 - b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.
- 4 This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (SBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.

MARINE LIVING RESOURCES FUND

SUPPLIER DATABASE REGISTRATION

Good Day

The Marine Living Resources Fund (MLRF) is currently not linked to National Treasury's Central Supplier Database (CSD) and so we humbly request that you complete our forms for registration on our database. You would need to be registered on the CSD and we will verify this once we have received your completed forms.

The following is a checklist of documents that are required:

1. MLRF Database registration document.
2. SARS Tax Compliance status document (TCS).
3. Copy of the company registration document if applicable.
4. Certified copy of the owners Identity Document.
5. Bank account confirmation letter (must match account listed on the CSD)
6. BBBEE certificate if available.
7. CSD supplier number.
8. Standard Bidding Documents (SBD) 4, 8 and 9.

International suppliers

Foreign suppliers are also required to be registered on the CSD. The CSD cannot electronically verify the identity of a supplier other than a South African Individual / Sole Proprietor (through Home Affairs) or a company registered at the Companies and Intellectual Property Commission (CIPC). Supply Chain Practitioners need to obtain supporting documentation to verify the identity and legitimacy of a supplier.

The completed database form together with the required documents may be scanned and emailed. We will contact you should we require to view the original documents.

Thank you.
