THE FOLLOWING INFORMATION IS PROVIDED BY PIKITUP FOR THE BIDDER'S INFORMATION ONLY AND THE INFORMATION MIGHT ASSIST THE BIDDERS RELATING TO THE COMPANIES AND INTELLECTUAL PROPERTY COMMISSION REQUIREMENTS IN TERMS OF THE FINANCIAL STATEMENT REQUIREMENTS OF THE COMPANIES ACT (2008) AND THE CLOSED CORPORATIONS ACT (1984).

Financial Statements and Independent Reviews

Private or personal liability companies that are required to be audited by the Companies Act, 2008 or regulation 28, must file a copy of the latest approved Audited Financial Statements on the date that they file their annual return with the CIPC.

The following private companies are required to have their annual financial statements audited:

- Any private or personal liability company if, in the ordinary course of its primary activities, it holds assets in a fiduciary capacity for persons who are not related to the company, and the aggregate value of such assets held at any time during the financial year exceeds R5 million;
- Any private or personal liability company that compiles its financial statements internally (for example, by its financial director or one of the owners) and that has a Public Interest Score (PIS) of 100 or more;
- Any private or personal liability company that has its financial statements compiled by an independent party (such as an external accountant) and that has a Public Interest Score (PIS) of 350 or more;

Unless the company has opted to have its annual financial statements audited or is required by its Memorandum of Incorporation (MOI) to do so, a private or personal liability company that is not managed by its owners may be subject to independent review if:

- It compiles its financial statements internally and its Public Interest Score is less than 100;
- It has its financial statements compiled independently at its Public Interest Score is between 100 and 349;

Private or personal liability companies that are not required to have their financial statements audited, may elect to voluntarily file their audited or reviewed statements with their annual returns. If such companies choose not to file a full set of financial statements, they must file a financial accountability supplement with their annual return.

How to calculate the Public Interest Score (PIS) of a company or close corporation

- a number of points equal to the average number of employees of the company during the financial year;
- one point for every R1 million (or portion thereof) in third party liability of the company, at the financial year end;
- one point for every R1 million (or portion thereof) in turnover during the financial year; and
- one point for every individual who, at the end of the financial year, is known by the company-
- in the case of a profit company, to directly or indirectly have a beneficial interest in any of the company's issued securities; or
- in the case of a non-profit company, to be a member of the company, or a member of an association that is a member of the company.

Does your CC follow the CC Act or the Companies Act?

If you're not 100% compliant with legislation for accounting officer duties, you'll face penalties. When the Companies Act (2008) came into effect, the Closed Corporations Act (1984) didn't fall away. The Companies Act didn't replace it either, thus both Acts apply.

According to the Close Corporations Act, you don't need an audit. You can use general accounting principles. For companies, you have to follow IFRS and the Companies Act. But if your CC grows the Companies Act kicks in and a full audit and IFRS or IFRS for SMEs is required.

Do you know when and why you need to create financial statements?

Here's what to do to calculate your PIS score:

The company gets 1 point for every:

- Number of shareholders and / or partners; and
 - Average number of staff members over the entire year (You need to look at the average of all the staff members for the entire year. So, if you have a high staff turnover, don't worry about having a high PIS score!)
 - Every R1 million rand of turnover or part thereof;
- and
- Every R1 million of outside debt / liabilities or part thereof, as at the end of the year.

CERTIFICATE OF INDEPENDENT BID DETERMINATION

- 1 This Municipal Bidding Document (MBD) must form part of all bids¹ invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *per se* prohibition meaning that it cannot be justified under any grounds.
- 3 Municipal Supply Regulation 38 (1) prescribes that a supply chain management policy must provide measures for the combating of abuse of the supply chain management system, and must enable the accounting officer, among others, to:
 - a. take all reasonable steps to prevent such abuse;
 - b. reject the bid of any bidder if that bidder or any of its directors has abused the supply chain management system of the municipality or municipal entity or has committed any improper conduct in relation to such system; and
 - c. cancel a contract awarded to a person if the person committed any corrupt or fraudulent act during the bidding process or the execution of the contract.
- 4 This MBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (MBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
