REQUEST FOR QUOTATIONS FOR WINDOW FROSTING

We request you to prepare a quotation for the following items and according to the specification.

1. Scope of Work

The Service Provider shall supply and install frosted privacy film to existing internal office glass panels/windows to improve privacy while maintaining the transmission of natural light.

The installation shall include all labour, materials, equipment, cleaning and finishing required for a complete installation.

2. Material Specification

The frosted film shall:

- Be premium quality self-adhesive etched/frosted vinyl window film.
- Have a uniform sandblasted appearance.
- Allow natural daylight while obscuring visibility through the glass.
- Be suitable for interior commercial office applications.
- Be resistant to peeling, bubbling, shrinking and discolouration.
- Be UV resistant.
- Be easy to clean using standard glass cleaning products.

The film shall provide:

- daytime privacy by obscuring direct visibility through the glass;
- continued transmission of natural light;
- a professional office appearance.

The frosting shall cover:

- Entire glass panel (preferred)
- Have a minimum expected service life of 5–7 years.

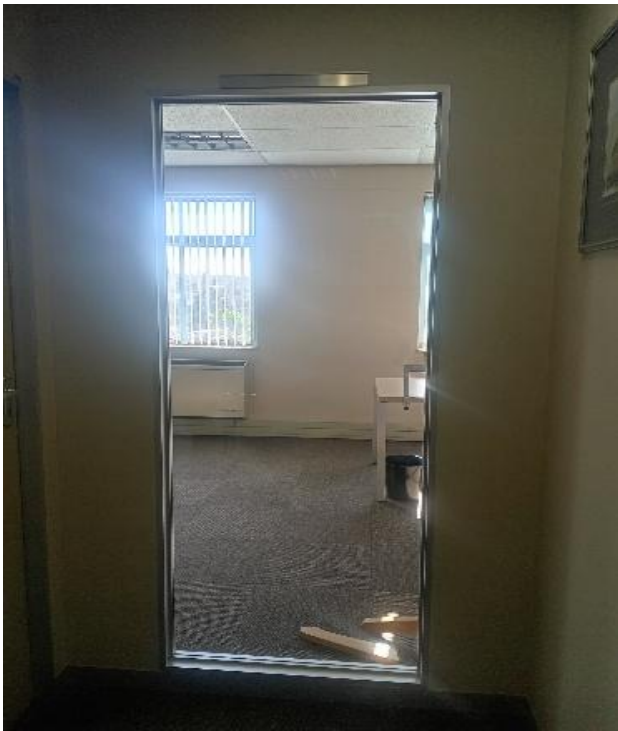

The Service Provider shall provide:

- minimum **12-month workmanship warranty**
- manufacturer's warranty on the window film.
