India captain Rohit Sharma is not sure what to expect from the pitch and conditions at Queen's Park Oval this week but ruled out any major changes to his side for the second Test against West Indies beginning on Thursday.

A day before the first Test in Roseau, which India won inside three days, Rohit announced Yashasvi Jaiswal as his new opening partner replacing Shubman Gill, who moved down to number three.

With the prospect of rain looming over the match, India are yet to settle on their playing XI as they chase a 2-0 series sweep. "In Dominica, we had a clear idea when we saw the pitch and knew the conditions," Rohit told reporters on Tuesday.

"Here we don't have clarity as there is talk of rain, but I don't think there will be drastic changes. Whatever the conditions are, based on that, we will make that decision," Rohit said.

The two-Test series is seen as the starting point of a transition for India, with Gill replacing veteran Cheteshwar Pujara at number three and Jaiswal and wicketkeeper-batsman Ishan Kishan making their Test debut in Roseau.

Kishan, an attacking left-handed batter, was picked ahead of KS Bharat, who kept wicket in the World Test Championship final against Australia last month.

Rohit was impressed with Kishan's glove-work in Roseau where India's spin duo of Ravichandran Ashwin and Ravindra Jadeja claimed 17 of the 20 West Indian wickets to set up their victory.

"He kept really well considering he was playing his first Test and was keeping to Jadeja and Ashwin on a pitch which had turn and bounce and the odd ball kept low," Rohit said.

"Ishan is a very talented guy. He scored a double hundred in a one-day international recently. — Reuters
