REPUBLIC OF SOUTH AFRICA

**APPOINTMENT OF A PANEL OF SERVICE PROVIDERS FOR SUPPLY,
DELIVERY, AND INSTALLATION OF FIBREGLASS WENDY HOUSE
STRUCTURES
FOR IKHAYA LETHEMBA GREEN DOORS IN FIVE CORRIDORS IN
GAUTENG PROVINCE
FOR THE DEPARTMENT OF COMMUNITY SAFETY**

TERMS OF REFERENCE**BACKGROUND**

One of the goals for the Department is to respond to the National Strategic Framework on GBVF 2020-2030, Pillar 4 (Response, Care, Support and Healing). Ikhaya Lethemba Victim Empowerment Centre coordinates green door programme that is rolled out in five (5) corridors across the province. The green doors are localised structures in communities that live within 3-5 km radius from the local police station. These sites can be a room in the private home of a volunteer (safety ambassador) or a Wendy house structure provided by the Department of Community Safety. The green door sites are rolled out in Township, Informal Settlement and Hostel (TISH) priority areas. These facilities provide short term containment safe space for GBVF victims for a period not exceeding three (3) hours, while the police are notified of the incident.

The green door structures are further provided with material (furniture, signage, and uniform) and resources (stipend and cell phones) to effectively support the victims. A total of 148 green door sites were rolled during the period of 5 years (2019 – 2024), however only 123 green doors are active as some green door ambassadors have demised, some have found employment, others have migrated and family disputes.

Services Rendered.

- Ensuring that GBV and Families of Femicide victims are contained and briefly assessed to ensure effective referrals to the police station including professional services.
- Ensuring that victims receive immediate (physical and emotional) assistance in a private space.
- To build relations with local stakeholders for effective referral of GBVF victims.

In the period 2024 - 2025 additional 60 green doors will be established and will require fibreglass Wendy house structures. Currently, there is no transversal contract to participate in and therefore it is against this background that the Department seeks to appoint a panel of service providers to supply, deliver and install 60 Wendy house structures to ensure that the mandate of the Department is executed in a habitable space that complies with the requirements of the Occupational Health and Safety Act 85 of 1993 and the National Building Regulations.

OBJECTIVE

The Department of Community Safety intends to appoint a panel of experienced service providers to supply, deliver and install 60 as per scope of work for fibreglass Wendy house structures for Ikhaya Lethemba green door sites which are geographically spread in 5 corridors (Eastern, Northern, Central, Southern and Western) in Gauteng Province.
