OCCUPATIONAL HEALTH AND SAFETY ACT, ACT 85 OF 1993; CONSTRUCTION REGULATION 2014 [CR]; APPLICATION FOR A CONSTRUCTION WORK PERMIT CR 3(1)

Your application dated **04th of June 2024**, refers Construction Work Permit in terms of Construction Regulations 3(3) is hereby granted for the construction work at:

Physical Address: Mookodi Substation
Farm 673 Rosendal
Vryburg
8601

Principal Contractor: Shonisani Rambau Construction (Pty) Ltd

Site Specific Number: NW-VBG/401/06/2024

Valid Until: 31 June 2027

The approval is subject to the following conditions:

1. There is full compliance with the Occupational Health&Safety Act and Regulations
2. This permit is only valid for the above mentioned construction site and it is not transferable
3. The site specific number must be conspicuously displayed at the main entrance
4. This permit may be withdrawn or suspended should there exist unsafe conditions and/or acts which are likely to threaten the Health and or Safety of any person who may be affected by work conducted on site
5. You must inform this office if there are any changes made to the documentation submitted to obtain this construction work permit

Yours faithfully 

pp PROVINCIAL CHIEF INSPECTOR
