Respondents are required to complete and submit.

1. Notes to Pricing

- a. Please indicate your total bid price here: R.....
(compulsory)
- b. **Important:** It is mandatory to indicate your total bid price as requested above. This price must be the same as the total bid price you submit in your pricing schedule. Should the total bid prices differ, the one indicated above shall be considered the correct price.
- c. To facilitate like-for-like comparison, bidders must submit pricing strictly in accordance with this pricing schedule and not utilize a different format. **Deviation from this pricing schedule could result in a bid being declared non-responsive.**
- d. Prices quoted must be held valid for a period of **120 [HUNDRED AND TWENTY] days** from the closing date of this Bid.

NOTE: All prices must be VAT inclusive and must be quoted in South African Rand (ZAR).

- e. Please note that should you have offered a discounted price(s), Joburg City Theatres will only consider such price discount(s) in the final evaluation stage if offered on an unconditional basis.
- f. Are the rates quoted firm for the full period of the contract?

YES	NO
-----	----
- g. **Mandatory:** If not firm for the full period, provide details of the basis on which adjustments shall be applied e.g., CPI, and also details of the cost breakdown.
- h. All prices must be VAT inclusive and must be quoted in South African Rand (ZAR)
- i. The bidder must supply a **detailed quote as an annexure** with the full specs of the hardware quoted on to this quote. Failure to meet any of the specifications will result in the bid not being considered.

NB: It will be in the best interest of the bidder to base his bid with full and comprehensive information to ensure that the final solution is not jeopardised by an uneconomic bid price.

I/We _____ hereby offer to supply the goods/services at the prices quoted in the Price Schedule below, in accordance with the conditions related thereto.

I/We agree to be bound by those terms and conditions in:
