1. Detailed Scope of Service Required

The Small Enterprise Development Agency (Seda) is an agency of the Department of Small Business Development. Seda was established in December 2004, through the National Small Business Amendment Act, Act 29 of 2004.

It is mandated to implement government's small business strategy; design and implement a standard and common national delivery network for small enterprise development; and

integrate government-funded small enterprise support agencies across all tiers of government.

Seda's mission is to develop, support and promote small enterprises throughout the country, ensuring their growth and sustainability in co-ordination and partnership with various role players, including global partners, who make international best practices available to local entrepreneurs.

The Small Enterprise Development Agency (Seda) through its strategic objective of establishing a national SMME service delivery network that reaches all communities and ensures geographical equity, seeks to appoint Ecosystem Outreach Partners (EOC) throughout South Africa. In order to assist Seda to fulfil this objective, Service Providers engaged in SMME development from the areas listed below are hereby invited to submit their detailed proposals and company profiles:

| District | Town |
|-----------------------|------------|
| Gert Sibande District | Balfour |
| | Volkstrust |
| | Mkhondo |

The services should include the following:

- Business Information
- Counselling and advice
- Assessment and referral to district branch
- Management and monitoring of assessment plans and referral feedback
- Data capturing of small enterprises
- Clients' registration (using forms to be provided by Seda)
- Assisting SMMEs & Cooperatives with TREP applications
- Assisting SMMEs & Cooperatives with Business Plans to apply for Sefa funding

Minimum requirements of an EOC to include the following:

- Located in the towns/villages where Seda wants to establish an Access Point
- Previous experience in small enterprise development
- Capacity to cover a service to SMMEs

- Able to meet minimum service delivery standard e.g., office, computer, printer, fax, internet access etc.
- Be accessible and open at least all office hours
- A legal entity registered for VAT, PAYE etc.
- Able to produce a tax clearance certificate

Seda will sign an SLA, with successful Service Providers. This agreement will stipulate targets that must be delivered.
