- 8.4 Recover from the contractor all costs, losses or damage incurred or sustained by Eskom as a result of the award of the disposal agreement: and/or
- 8.5 Cancel the disposal agreement and claim any damages, which Eskom may suffer by having to make less favourable arrangements after such cancellation.
- 8.6 Each party to Consortium/Sub-contractor must complete a separate declaration.

The onus will be on the tenderer to obtain "Tax Clearance Certificate (in respect of tenders)", from the office of the South African Revenue Services (SARS) and submit the same with their tenders.

9 SAFETY REQUIREMENTS

Please see attached safety requirements documents.

10.Environmental requirements

The intended activities at the Eskom Sites will have an impact on the environment and as such have to be properly management. Proper management requires that there is compliance with all the relevant pieces of legislation that impact on the development or intended activities. Therefore, the list below indicates the pieces of legislation that impact on the proposed activities. It is important that the Construction Team complies with these. Non-compliance will be unwise and may prove to be very costly for the organisation.
