

List of Standards/Procedures

Document Name	Document No	Revision
Requirements for Control and Power Cables for Power Stations Standard	240-56227443	1
Field Equipment Installation Standard	240-56355754	2
Duvha AKZ Plant Location Labelling Standard	ENS0002	9
Duvha AKZ Plant Labelling Specification	ENS0004	
Engineering drawing Standard	240-86973501	3
Eskom Project Engineering Change Management Procedure	240-53114026	3
ISO 14001: 2015 Standard		
Earthing and Lightning Protection Standard	240-56356396	
SANS 61024 and SANS 10313.		
Power Plant Controls & Instrumentation; Control Systems; Distributed Control Systems (DCS); Part 1: General Standard	240-132042241	1
Power Plant Controls & Instrumentation; Control Systems; Distributed Control Systems (DCS); Part 2: Operator & Supervisor System Standard	240-132042275	1
Power Plant Controls & Instrumentation; Control Systems; Distributed Control Systems (DCS); Part 3: Engineering System Standard	240-132042345	1
Essential HMI and Instrumentation Systems for Power Plants Standard	240-124465468	1
Cyber Security Standard for Operational Technology	240-55410927	2
DMZ Designs for OT	240-79669677	1
Human Machine Interface Design Requirements Standard	240-56355728	2
