In the case of a Joint Venture, this requirement will apply individually to each party in the Joint Venture. Tenderers not so registered, at time of closing of tenders, will not be eligible to submit tenders.

The Tenderer's CSD Supplier Number (starting with "MAAA") is to be provided on the information table in Section 1.

Tenderers who wish to register on the CSD may do so via web address <https://secure.csd.gov.za>.

#### **ACT 2** Tenderers shall submit:

- a) full technical and descriptive information as detailed in **SECTION 7**;
- b) **RETURNABLE DOCUMENTS 1 to 17** and **DELIVERY PERIODS SCHEDULE** as detailed in **ACT 9**; and
- c) relevant technical datasheets for the tendered items.

#### **ACT 3** Tenderers shall submit samples of the tendered items within seven (7) days of request by eThekweni Electricity. These samples shall be delivered to eThekweni Electricity, Technology Services Branch, 3<sup>rd</sup> Floor, Smart Xchange Building, 5 Walnut Road, Durban marked for the attention of Mavuso Shabalala – Engineer: Technology Services.

#### **ACT 4** The samples submitted by Tenderers for each requested item shall be identical to the items offered on their respective **RETURNABLE DOCUMENTS 1 to 17** detailed in **ACT 9** and shall be labelled with the following information:

- a) Contract/Enquiry number;
- b) Name of Tenderer;
- c) Date of delivery; and
- d) Item number corresponding with the respective **RETURNABLE DOCUMENT**.

#### **ACT 5** Tenderers shall bear full costs of the samples provided. EThekweni Municipality shall not be held liable for the costs incurred by the Tenderer.

#### **ACT 6** EThekweni Electricity reserves the right to submit samples to tests as deemed reasonable and necessary. EThekweni Electricity may retain or return samples at its discretion. In the event of samples being returned, Tenderers shall collect and remove their samples within one month of being notified to do so, failing which they will be deemed to have waived all rights to the samples and such samples not collected after one month from the date of such notification will become the property of the eThekweni Municipality for disposal or use at its discretion.

#### **ACT 7 TENDER AWARD**

The tender shall be awarded on a per item basis. EThekweni Municipality may accept more than one responsive tender per item. This may include, and is not limited to, the award of tenders where the tendered items are from different manufacturers. This may be done to mitigate the risk of supply from a single manufacturer. Orders shall be placed on the basis of price and availability.

#### **ACT 8 ARITHMETICAL ERRORS, OMISSIONS AND DISCREPANCIES**

In order to ensure transparency for all tenders received, EThekweni Municipality will verify the highest ranked tender or tenderer with the highest number of tender evaluation points after the evaluation of tender offers in accordance with the evaluation process. The verification will include checking the following in **SECTION 8: BILL OF QUANTITIES/SCHEDULE OF RATES**:

- b) Arithmetic errors in the line-item total price resulting from the multiplication of the summation of yearly unit prices and the estimated quantity;
- c) The gross misplacement of a decimal point in any line-item unit price; and
- d) Omissions made in completing **SECTION 8**.

EThekweni Municipality will correct the arithmetical errors in the following manner:

- a) Where there is an error in the total price either as a result of other corrections required or in the Tenderer's summation of yearly unit prices, the total price shall govern and the Tenderer will be asked to revise the selected line-item yearly unit prices to achieve the corrected total price;

- b) Where there is an error in the total price as a result of the Tenderer's multiplication of the total price and the estimated quantity, the total price shall govern and the Tenderer will be asked to revise the selected line-item yearly unit prices to achieve the corrected total price;
- c) Where there is an obvious gross misplacement of a decimal point in the unit price, the line-item total price as quoted shall govern, and the line-item yearly unit prices shall be corrected; and
- d) Where there is a discrepancy between the amounts in words and amounts in figures, the amount in words shall govern.

**EThekwini Municipality will consider the rejection of a tender offer if the Tenderer does not correct or accept the correction of the arithmetical error in the manner described above or accept the correction of the arithmetical error in the manner described above.**

  - **Price and Specific Goals:** Either 80 or 90 (price) and 20 or 10 (specific goals), in terms of 1.2 above.
  - The total Preference Points, for Price and Specific Goals, is 100.
- 1.4 Failure on the part of the tenderer to submit the required proof or documentation, in terms of the requirements in the (Special) Conditions of Tender for claiming **Specific Goal** preference points, will be interpreted that preference points for **Specific Goals** are not claimed.
- 1.5 The Municipality reserves the right to require of a tenderer, either before a tender is adjudicated or at any time subsequently, to substantiate any claim in regard of preferences, in any manner required by the Municipality.

## **2.0 DEFINITIONS**

- 2.4 “**tender for income-generating contracts**” means a written offer in the form determined by Municipality in response to an invitation for the origination of income-generating contracts through any method envisaged in legislation that will result in a legal agreement between the Municipality and a third party that produces revenue for the Municipality, and includes, but is not limited to, leasing and disposal of assets and concession contracts, excluding direct sales and disposal of assets through public auctions.
- 2.5 “**the Act**” means the Preferential Procurement Policy Framework Act, 2000 (Act No. 5 of 2000).

### 3.0 FORMULA FOR CALCULATION OF PREFERENCE PRICE POINTS

#### 3.1 PROCUREMENT OF GOODS AND SERVICES

**PRICE POINTS:** A maximum of 80 or 90 points is allocated for price on the following basis:

<b><u>80 / 20 Points System</u></b>	OR	<b><u>90 / 10 Points System</u></b>
$P_s = 80 \left( 1 - \frac{P_t - P_{min}}{P_{min}} \right)$		$P_s = 90 \left( 1 - \frac{P_t - P_{min}}{P_{min}} \right)$

Where:

Ps = Points scored for price of tender under consideration

Pt = Price of tender under consideration

Pmin = Price of lowest acceptable tender

#### 4.0 POINTS AWARDED FOR SPECIFIC GOALS

- 4.1 In terms of Regulation 4(2); 5(2); 6(2) and 7(2) of the Preferential Procurement Regulations, preference points must be awarded for specific goals stated in the tender. For the purposes of this tender the tenderer will be allocated points based on the **points claimed** for the goal(s) stated in **Table 1** below, as supported by proof/ documentation stated in the **Conditions of Tender**:
- 4.2 In cases where the municipality intends to use Regulation 3(2) of the Regulations, which states that if it is unclear whether the 80/20 or 90/10 preference point system applies, the municipality must, in the tender documents, stipulate in the case of:
- (a) an invitation for tender for income-generating contracts, that either the 80/20 or 90/10 preference point system will apply and that the highest acceptable tender will be used to determine the applicable preference point system, or
  - (b) any other invitation for tender, that either the 80/20 or 90/10 preference point system will apply and that the lowest acceptable tender will be used to determine the applicable preference point system,

then the municipality must indicate the points allocated for specific goals for both the 90/10 and 80/20 preference point system.

<b>TABLE 1 - Specific Goals for the tender and points claimed are indicated per the table below.</b> <b>Tenderers are to indicate their points claim for each of the Specific Goals.</b>						
The Specific Goals to be allocated points in terms of this tender	GOAL WEIGHTING	Points ALLOCATED (80/20 system)	Points CLAIMED (80/20 system)	Points ALLOCATED (90/10 system)	Points CLAIMED (90/10 system)	<b>Proof of Claim from *CSD Registration Report</b> <b>Report Date:</b> 2023 – MM – YY <b>Supplier Number:</b>
