

ANNEXURE A

Material for this project:	
81	Open Channel LED fluorescent double Tube fitting-4-foot (1200mm) white
70	Vapour proof LED fluorescent double Tube fitting-5-foot (1500mm) white
08	Pabar LBR 1200x600 for LED 3 light flush
02	bulkhead light fitting, single lamp
04	Opal ball & gallery G5 light fitting
162	LED fluorescent Tube-4-foot (1200mm) cool white
140	LED fluorescent Tube-5-foot (1500mm) cool white
13	5w LED Candle core E14 3000K
12	CFL 9W screw bulb Cool White
03	2D 10W-4200k bulb
34	mental halilide tubular 400w
06	Electrical power skating socket (brown)
01	One-meter electrical power skating (brown)
01	4x4 water proof cover for the socket
02	Crabtree Socket 4x2 single
01	Crabtree Socket 4x2 Double
07	Crabtree Socket 4x4 Double
01	Earth Leakage 63amp
01	Earth Leakage 20amp
06	Circuit breakers 20amp
17	VS ballast 4ft
17	FSU Starter 4-80w

Notes: 12-meter scaffolding is needed to change securing free-standing poles, lights
