SPECIFICATIONS

Supply and Delivery of a Double Cab bakkie

1. Introduction

The National Housing Finance Corporation (NHFC) was established by the National Department of Human Settlements as a development finance institution (DFI) in 1996, with the principle mandate of broadening access to affordable housing finance for the low- and middle-income households. The NHFC is a national public entity and adheres to the regulatory framework of the Public Finance Management Act (PFMA) of 1999.

The NHFC provides wholesale funding in the affordable housing market mainly to social housing institutions, non-banking retail intermediaries, privately owned property developers, construction companies and investors. It also provides loans and other form of wholesale funding (equity and quasi equity) to certain niche businesses that are in the affordable housing market.

2. Background of the RFQ

The robust brand building of First Home Finance will help the new brand become top of mind with potential customers when they begin to consider first home purchase decisions. A strong First Home Finance brand with customer value is important, but to reach more customers

and disburse more grants, the NHFC will need more consumers to know about First Home Finance and to also eventually establish brand loyalty.
