

SELF-SCREENING

QUESTIONNAIRE

Eskom advises all its employees, contractors and visitors who are sick to **Stay at Home** and **Seek Medical Advice** in respect of testing for the **SARS-CoV2** virus.

1. Do you have an appropriate face mask?

You may proceed to section 2.

Persons not wearing a face mask that is in line with the latest National Department of Health Guidelines will be prohibited from entering any Eskom Site.

2. If you answer yes to any of the symptoms below:

Symptoms

- Do you have a cough?
- Do you have shortness of breath?
- Do you have a sore throat?
- Do you have a fever?
- Are you feeling any flu like symptoms including weakness and tiredness?
- Do you have diarrhea?
- Are you nauseous?
- Are you vomiting?
- Do you have a recent loss of taste
- Do you have a recent loss of smell
- Do you experience body pains/aches

AND yes to any of the persons at risk criteria below:

In the **14 days prior** to onset of the symptoms above, have you:

Persons at risk

- come in contact with a person confirmed to have COVID-19?
- come in contact with a person suspected to have COVID-19 ?
- travelled to or from an area with local transmission of SARS-CoV-2*?

Please contact your doctor, clinic or hospital. You may also call 0800 029 999.  *This is the NICD number.*

I confirm that the answer to question 2 above is **NO** _____
