For the purposes of comparison and in order to ensure a meaningful evaluation, bidders are requested to furnish detailed information of compliance to the evaluation criteria above-mentioned table weight and values (maximum value will **not exceed 500 in score**);

A bidder that scores less than **60 points out of 100** [lower than 300 of 500] in respect of “functionality” will be regarded as submitting a non-responsive bid and will be disqualified;

Relevant qualifications including CV’s, Company profile and Accredited Certificate should also be submitted. This will include a track record of experience, references and contact details;

The criteria for assessment will include both qualitative and financial (price) aspects of the proposal. The qualitative criteria will make **100 percent in the first phase of the assessment**,

The criteria will be as follows:

- The total points obtained for price will be converted to the **80/20 preference point system** as prescribed in the Preferential Procurement Regulations 2022 in order to obtain a final point out of **80 points**;
- For the remaining **20 points**, HDI Claim points allocated for these points as indicated in the enclosed **SBD 6.1** form, that is compulsory to form part of the proposal;

Preference Point System as prescribed in the Preferential Procurement Regulations 2022

✚ The criteria will be as follows:

- ✓ The **80/20 principle** will be applied in terms of the Preferential Procurement Policy Framework (Shortly called PPPFA).

POINTS AWARDED FOR PRICE

A maximum of 80 points is allocated for price on the following basis:

80/20

$$Ps = 80 \left(1 + \frac{Pt - P_{max}}{P_{max}} \right)$$

Where

Ps = Points scored for price of tender under consideration

Pt = Price of tender under consideration

Pmax = Price of highest acceptable tender

In terms of Regulation 4(2); 5(2); 6(2) and 7(2) of the Preferential Procurement Regulations, preference points must be awarded for specific goals stated in the tender. For the purposes of this tender the tenderer will be allocated points based on the goals stated in table 1 below

In cases where organs of state intend to use Regulation 3(2) of the Regulations, which states that, if it is unclear whether the 80/20 or 90/10 preference point system applies, an organ of state must, in the tender documents, stipulate in the case of—

- (a) an invitation for tender for income-generating contracts, that either the 80/20 or 90/10 preference point system will apply and that the highest acceptable tender will be used to determine the applicable preference point system; or
- (b) any other invitation for tender, that either the 80/20 or 90/10 preference point system will apply and that the lowest acceptable tender will be used to determine the applicable preference point system, then the organ of state must indicate the

points allocated for specific goals for both the 90/10 and 80/20 preference point system.

Specific goals for the tender and points claimed are indicated per the table below.

(Note to organs of state: Where either the 90/10 or 80/20 preference point system is applicable, corresponding points must also be indicated as such.

Note to tenderers: The tenderer must indicate how they claim points for each preference point system.)

7.3 Failure on the part of a tenderer to submit proof or documentation required in terms of this tender to claim points for specific goals with the tender, will be interpreted to mean that preference points for specific goals are not claimed.

7.4 Tenderers that fail to claim points for specific goals or that fail to fully complete the table in paragraph 2.12 below, will not be awarded points for specific goals.

7.5 Tenderers that make a calculation error when claiming points as per the table in paragraph 2.12 below, will not be awarded points for specific goals. Please take note of the examples on how to calculate points for specific goals as per paragraph 2.12 below.

7.6 Tenderers that fail to submit the correct SBD 6.1 form as issued by the Department of Agriculture, Land Reform and Rural Development, will not be awarded points for specific goals.

7.7 The organ of state reserves the right to require of a tenderer, either before a tender is adjudicated or at any time subsequently, to substantiate any claim regarding preferences, in any manner required by the organ of state.

7.8 Tenderers who wish to claim points in terms of the table in paragraph 2.12 below need to provide proof for each point claimed as guided below:
