

## LIST OF PRE-VETTED GUARANTORS AS AT 31 OCTOBER 2023

### Please take careful note of the following when using this list:

1. This list contains the names of entities from whom Eskom will accept guarantees without a specific further vetting process by Eskom Treasury, as they have been pre-vetted.
2. It does not mean that Eskom will not accept guarantees issued by other entities. For an entity to be considered for approval, it must meet a minimum credit rating from rating agencies. (National scale rating: **za.A-** or **A3.za**. Foreign currency rating: **BBB-** or **Baa3**)
3. It does mean, however, that since Eskom cannot accept any guarantees without the approval of its Treasury, such other entities will be subject to a vetting process by Treasury, which can take up to 12 (twelve) weeks.
4. Vetting means that at the end of the evaluation, it may appear that the entity is not acceptable for any number of reasons and that Treasury does not accept the guarantee.
5. This will mean that the bid can be marked non-responsive on this issue, i.e. the lack of an acceptable guarantee, and may not be evaluated further.
6. By providing a guarantee from an entity that will be subject to Treasury vetting, the bidder accepts this risk.

2. If the credit limit of the entity can accommodate more guarantees, the guarantee can be accepted if acceptable in all other respects.
3. If the credit limit of the entity cannot accommodate more guarantees, even if the guarantee is acceptable in all other respects, the guarantee will not be acceptable and again this will mean that the bid can be marked non-responsive on this issue, i.e. the lack of an acceptable guarantee, and may not be evaluated further.
