As per ACSA's policies and procedures C030 002M ARFFS Personnel Uniform under GYM wear, point 4.2 stipulate that All ACSA ARFFS personnel shall wear the issued gym uniform of shorts, sneakers, and T-shirts in the gym only.

Below are the Specifications that will suit our Operational needs:

- The Grip must accommodate the various Terrains.
- Support your pronation during your run (Supinate, Overpronate and Neutral types).
- It must be Durable.
- Be comfortable.
- Must have less impact on every stride you take and subsequently on your joints/body.
- Good absorption on your ankle joint movement.
- Good recovery action so that you can easily hit your top speed.
- Good Ventilation and Stability

Below is our recommendation as it covers most of our requirements.
