1. INTRODUCTION

Eskom Holdings SOC Ltd ("Eskom") invites you to submit a:

- **Request for information (RFI)** to submit information for the works/goods/services as stated in the table. This RFI is a stand-alone information-gathering and market-testing exercise, intended only to inform and assist Eskom's further deliberation and development of a strategy for future procurement and project planning. Eskom may request indicative prices if so stated in this RFI.
- This RFI invites comprehensive proposals for the **Supply and delivery of Obsolete T2000 DCS Spares Modules for Majuba, Hendrina and Camden Power Stations**. Respondents are requested to submit information which they may deem relevant in the supply and delivery of the required bulk spares, as well as indicative prices. The intention of this RFI is to encourage the provision of relevant information with regards to supply of these spares needed and obtain the view and/or opinions of all potential respondents regarding the topics raised thereafter.

2. SCOPE OF THE RFI

The scope of this RFI is as follows:

- To provide details of the supply, availability and delivery of bulk T2000 Spares modules to Majuba, Hendrina and Camden Power Stations in Mpumalanga, South Africa.
- To provide details of experience in supplying and handling bulk DCS T2000 spares in South Africa or internationally.
- To provide details of associated experience in supplying spares volumes to match stated maximum number of modules needed (Refer to Annexure A)
- To provide assurance on delivery of the right module specifications as per industry standards, to cross reference with specifications provided (Refer to Annexure A)
- To get an estimated price in USD or ZAR, for the supply of these spares

3. SUBMISSION GUIDELINES

Controlled Disclosure

No part of this document may be reproduced in any manner or form by third parties without the written consent of Eskom Holdings SOC Ltd, © copyright Eskom Holdings SOC Ltd, Reg No 2002/015527/30

	Request for Information (RFI) Template	Document Identifier	240-72663051	Rev	4
		Effective Date	17 June 2025		
		Review Date	June 2030		
		EOI/RFI Number	E2550GXMP0U		

Interested companies may obtain further information/ requests for clarifications from Siyabonga Mtshali via email address MtshalSy@eskom.co.za during working hours (0800hrs to 1600hrs) South African local time, Mondays to Fridays inclusive, except on Public Holidays and weekends.

Late submissions and RFIs not in English language will not be accepted.

3.1. Important Notes

- 3.2.1 Due to the specific need that this RFI process must fulfil, Eskom wishes to clarify that this invitation is not intended to impede, amend or replace any current or future procurement process that Eskom has engaged in or will engage in.
- 3.2.2 Eskom reserves the right, in its absolute discretion, at any stage and without notice, to terminate further participation in the process by any Party, to select or disqualify any interested participant from further engagement, to amend and/or terminate this RFI process or any future process pursuant to this process.
- 3.2.3 This RFI is a stand-alone information-gathering and market-testing exercise, intended only to inform and assist Eskom's further deliberation and development on **Supply and delivery of Obsolete T2000 DCS Spares Modules for Majuba, Hendrina and Camden Power Stations**
- 3.2.4 Any and/or all information submitted by any and/or all respondents may be used in the development of this intended solution, without the necessity of acknowledging the source, and without such entity gaining any rights in respect of such a solution, including but not limited to any intellectual property rights.
- 3.2.5 No portion of any of the information submitted will be treated as confidential and respondents should NOT submit sensitive or confidential information. The intention is to gather broad and general information to inform the way forward on more concrete processes and indicative prices.
- 3.2.6 Any information provided pursuant to this RFI process, and any subsequent processes and/or engagement is not confidential, but Eskom will use the information during its process of developing procurement and contracting strategy for **Supply and delivery of Obsolete T2000 DCS Spares Modules for Majuba, Hendrina and Camden Power Stations**. Through making a submission a respondent accepts the terms and conditions which govern this process.
- 3.2.7 All participants responding to this RFI process need to ensure that they have received all information and remain solely responsible for satisfying themselves to the information required in responding hereto and are fully responsible for all costs incurred in relation hereto and under no circumstances will any resultant cost be borne by Eskom.
