

Date: 11 April 2025

ADDENDUM NO. 2

TO THE TENDER DOCUMENT: PROVISIONING OF SECURITY SERVICES FOR A PERIOD OF 36 MONTHS BID NUMBER: CJC/SEC/002/2025

ISSUED ON: 11 April 2025

SUBJECT: CORRECTION OF PREFERENCE POINT SYSTEM FROM 80/20 TO 90/10 AND TENDER CORRECTION ON PRICING SCHEDULE OMISSION

1. CORRECTION OF PREFERENCE POINT SYSTEM FROM 80/20 TO 90/10

All prospective bidders are hereby notified of the following amendment to the tender document:

a. Amendment:

The preference point system stated in the tender document under **SBD 6.1 Section 1.2-1.4** is hereby **amended** as follows:

Original wording:

" The applicable preference point system for this tender is the 80/20 preference point system"

Amended wording:

" The applicable preference point system for this tender is the 90/10 preference point system"

b. Reason for Amendment:

The total estimated value of the tender over the 36-month period is expected to exceed the R50 million threshold prescribed in the PPPFA Regulations (2017) for the application of the 80/20 preference point system. Therefore, the 90/10 system will be used for the purposes of this appointment.

c. Implications for Bidders:

All bidders must take this amendment into consideration when preparing their tender submissions. All other conditions and specifications of the tender remain unchanged.

2. TENDER CORRECTION ON PRICING SCHEDULE COMISSION

It has come to our attention that the **pricing schedule** was **not included** in the original tender documents.

This Addendum serves to:

1. Notify all bidders of the inclusion of the missing pricing schedule.
2. Instruct all bidders to complete and submit the attached pricing schedule as part of their tender response.
3. Confirm that the omission has been corrected in the tender documentation going forward.

Action Required:

- Bidders must download and complete the attached Pricing Schedule – Annexure A.
- The completed pricing schedule must be submitted as part of the bid before the closing date.
- Failure to submit the completed pricing schedule may result in disqualification.

Closing Date Extension

Please note that the closing date for this tender has been extended to 22 April 2025, to allow sufficient time for bidders to incorporate the pricing schedule into their submissions.
