1. PURPOSE

- 1.1. To appoint a suitable independent service provider to conduct an assessment of Government's progress in meeting its undertakings and commitments under the Amended Forest Sector Code over a period of three (3) months.

2. INTRODUCTION AND BACKGROUND

- 2.1 The Forestry Branch, in line with government objectives, is responsible for driving transformation policies and strategies in the forestry sector through collaboration with the Forest Sector Charter Council (FSCC), which oversees the effective implementation and administration of the amended Forest Sector code and ensure the sector's transformation and sustainable growth.
- 2.2 To achieve this, Government and Industry jointly implement the Amended Forest Sector Code, which was gazetted on 21 November 2017 (Government Gazette No. 40803) in terms of Section 9(1) of the Broad-Based Black Economic Empowerment Act (BBBEE), No. 53 of 2003, as amended.
- 2.3 Part C, Clause 4 of Government Notice 40803 stipulates that Government must submit an annual report to the Forest Sector Charter Council. As the sector leader the Department of Forestry, Fisheries and the Environment is expected to facilitate the submission of the report. This report is to be compiled by an independent person and is intended to assess Government's progress in meeting the undertakings and commitments as outlined in the Charter Code. Despite being a legislative requirement since 2017, no such report has been submitted. It is against this background that DFFE needs to appoint a service provider to conduct the work. The complete report must determine a single combined completeness ratio based on Government's commitments; it must be aggregable to by the Forest Sector Charter Council working towards the completeness ratio to be treated as if it is 0%.
- 2.4 The Amended Forest Sector Code also uses a joint scorecard that incorporates the main government undertakings. This mechanism is intended to ensure mutual accountability between Government and Industry in implementing the agreed commitments and to support the successful and effective realisation of Broad-Based Black Economic Empowerment (B-BBEE) in the forest sector.

3. OBJECTIVES

- 3.1 The objective of this assignment is to appoint a suitable independent service provider to conduct an assessment of Government Undertakings and Commitments as outlined in the Forest Sector Code, over a period of three (3) months. The assignment will include development of a completeness ratio framework to assess Government performance, in consultation with the Forest Sector Charter Council (FSCC); Compilation of a consolidated report outlining key findings, identifying implementation gaps, and providing actionable recommendations; and eventually the presentation of the final assessment report and completeness ratio results to the FSCC.
- 3.2 The report must assess Government's progress in fulfilling its main key commitments, namely:
- Facilitating access to funding and financial services for emerging black entrepreneurs (e.g. through the Blended Finance Scheme);
 - Streamlining and fast-tracking the authorisation processes required for afforestation licenses (Environmental Impact Assessment (EIA) and Water Use License), paper, and sawmilling facilities).
 - Leveraging State Forest assets, particularly by achieving B-BBEE Facilitator Status for SAFCOL.

4 SCOPE AND EXTENT OF WORK

- 4.1. The following is expected from the Service Provider:
- To conduct an independent assessment of the progress made by Government in implementing its undertakings and commitments as outlined in Part C, Paragraph 2 of the Amended Forest Sector Code (Government Gazette No. 40803 of 21 November 2017). The scope of work must include work completed since 21 November 2017 to 31 March 2026) and will include, but will not be limited to:
- 4.1.1 Assessing progress made in the following areas:
- Facilitating access to funding and financial services for emerging black entrepreneurs.
 - Expediting (Streamlining) authorisations for afforestation and processing facilities.
 - Leveraging of state forest assets.

- 4.1.2 Engaging with key departments and entities responsible for delivering on these commitments.
- 4.1.3 Reviewing relevant documentation, reports, and evidence related to the implementation of Government undertakings where necessary.
- 4.1.4 Producing a consolidated report that outlines findings, highlights implementation gaps, and provides recommendations.
- 4.1.5 Developing a completeness ratio framework to assess Government performance, in consultation with the Forest Sector Charter Council (FSCC).
- 4.1.6 Presenting the final assessment report and completeness ratio to Government.

5 EXPECTED DELIVERABLES / OUTCOMES

5.1 The below deliverables are expected from the service provider:

PHASE	DELIVERABLE AND OUTCOMES	TIMEFRAME
Inception Phase	➤ An Inception Report: outlining the proposed methodology, data sources, approach to stakeholder engagement, and a detailed work plan.	2 weeks.
