21 MAY 2025

TENDER NO: 254G/2024/25

TENDER DESCRIPTION: SUPPLY AND DELIVERY OF WATER DISTRIBUTION MATERIALS

NOTICE TO TENDERERS: NO. 2

BOX NUMBER: 208

CLOSING DATE: 28 MAY 2025 at 10:00

To: All Tenderers

Dear Sir/Madam,

Your attention is specifically drawn to the explanation pertaining to the following:

1. CLARIFICATIONS FROM TENDERERS

2.1 - PLEASE CAN YOU CLARIFY WHAT CCT'S INTERPRETATION WILL BE FOR A SWING CHECK VALVE VS A FLANGED REFLUX VALVE SINGLE DOOR?

Item No.	Material Number	Material Description
425	200011484	VALVE - TYPE: Non Return; MATERIAL: Ductile Iron; SIZE: 100mm; PN RATING: 16; COATING: Fusion bonded epoxy coated internal and externally; SPECIFICATIONS: Swing Check Flange , Flange to be Multi drilled; STANDARDS: SABS Certified, SANS: 1551-1 and/or EN12334 and bearing the SABS mark scheme where applicable.

CCT RESPONSE to 2.1

There is no difference in the two and the term can be used interchangeably.

2.2 CURRENTLY THERE ARE NO STANDARDS FOR AIR RELEASE VALVES, BUT ON PAGE 164 OF THIS TENDER DOCUMENT YOU MENTIONED THAT YOU NEED US TO SUBMIT CERTIFICATES, KINDLY CONFIRM THE REASON?

CCT RESPONSE TO 2.2:
Tenderer to complete the offer in full and indicate if the product being offered does have any Certification, as per Schedule 15. If the Product does not have any certification, the tenderer to indicate it as such on schedule 15.

Thanking you

.....
On behalf of: Adiel Bloew Director: Supply Chain Management
