## 1. INTRODUCTION AND BACKGROUND

Through its legislative mandate GDARDE has infrastructure delivery functions which must be performed in accordance with the Framework for Infrastructure Delivery and Procurement Management (FIDPM), effective from 1 October 2019, which covers the Supply Chain Management (SCM) system of Government in line with Infrastructure Delivery Management System (IDMS).

The infrastructure functions of GDARDE, which includes new infrastructure, additions, upgrades, refurbishments, renovations, rehabilitation and maintenance, must be aligned to the IDMS for agricultural, environmental and rural development infrastructure that includes the following, but is not limited to:

- Infrastructure within all GDARDE nature reserves. This includes facilities for tourism, historical buildings, offices, staff accommodation and all supporting services.
- Environmental infrastructure such as:

- Agricultural Support Infrastructure such as:
  - agricultural structures:
    - Piggery structures
    - Poultry structures
    - Animal handling facilities

Over the three-year period, deliverables may be requested through an instruction to perform work only when the services are required.

## 2. OBJECTIVE

## **6. CONTRACTUAL REQUIREMENTS**

Successful service providers will also be required to sign a Service Level Agreement (SLA) to conclude appointment into the pre-qualified panel.

## 7. FINANCIAL PLAN

The value of the works per project shall be approved by GDARDE in line with internal Departmental policies and procedures, and current legislation in respect of the classification and determination of work categories. GDARDE reserves the sole right to classify work as falling out of the scope of services that are deemed to be part of this contract. When the PSPs appointed to the Panel are approached for Requests for Proposals (RFPs), or Requests for Quotation (RFQs), PSPs will be expected to price their proposals using the latest gazetted tariff of fees or percentage-based fees or time-based fees relevant to the scope of work.
