

Notification NR 3 (05.12.2025)

TENDER E1691GXMPKRI: The Kriel Power Station 11 kV Overhead Line Replacement for a period of 18 months

Closing date has been extended from 11 December 2025 to **11 February 2026** to allow time for compulsory site visit and clarification responses.

Please be advised that the site visit is scheduled for January 2026, with the exact date to be confirmed. All suppliers who attended the compulsory clarification session will receive an invitation via email and a notification will be published accordingly.

INVITATION TO TENDER

Revision 2 of the **Invitation to Tender** will be published.

Please ensure that only the revised documents are used for the submission.

A reminder that the communication platform is the Eskom e-tender portal and of National Treasury and the responsibility of the tenderer to visit regularly for possible updates. Any revised documents after site meeting, clarification information will be uploaded as such. Information as per the latest communication will apply.
