PART 4: SITE INFORMATION

Core clause 11.2(16) states

“Site Information is information which

- describes the Site and its surroundings and
- is in the documents which the Contract Data states it is in.”

In Contract Data, reference has been made to this Part 4 of the contract for the location of Site Information.

1. General description

As per Project specific agreement

2. Existing buildings, structures, and plant & machinery on the Site

As per Project specific agreement

3. Subsoil information

As per Project specific agreement

4. Hidden services

Before any excavation is commenced, it will be the responsibility of the *Contractor* to ascertain from the “Engineering Assistant” the position of any existing services on site. Once these are indicated to the *Contractor* they shall be deemed “known”. Any costs incurred for repairs to any “known” services shall be for the *Contractor’s* account.

5. Other reports and publicly available information
