Dear Prospective Suppliers

**TENDER NO: E1429GXWCKBG: THE PROVISION OF FACILITIES MAINTENANCE SERVICES FOR NON-PLANT INFRASTRUCTURE AT KOEBERG NUCLEAR POWER STATION (KNPS)**

**SUBJECT: CIDB GRADING**

**NOTICE 1**

This notice serves to clarify that the correct **CIDB grading requirement** for this tender is **7GB or higher**, in accordance with the **project scope** and the specifications outlined in the **NEC3 TSC3 contract** and the associated **SD&L documentation**.

All prospective suppliers are advised to take note of this adjustment to ensure accurate compliance in line with the tender's technical and contractual expectations.

The reference to 6GB or higher, and 5GB potential emerging enterprises, resulted from an incorrect tender value range selected on the CIDB website.

All other information contained in the tender document remains unchanged.

Yours sincerely
