22. OBLIGATION TO NOTIFY ERRORS

If, after a Bidder's Response has been submitted, the Bidder becomes aware of an error in the Bidders Response (including an error in pricing but excluding clerical errors which would have no bearing on the evaluation of the Bid), the Bidder must promptly notify the DBSA of such error.

In order to simplify the calculation of spatial requirements the “**Useable Area**” of the Building is to be used (as calculated by using the **SAPOA** method of measuring). This has no influence on the income generating value of the rentable space. The value of the common area is to be **added** to the rate per m² of the useable area.

The reasoning is that all buildings have different R/U Ratio (Rentable area divided by Useable area) due to design criteria which could differ by up to 30%.

For the purpose of ensuring that the actual **USEABLE** area is provided, it is essential that when calculating the **COMMON** area, both **Primary and Secondary Common** areas are to be factored in. Therefore, the Secondary common area shall remain part of the Common area and **NOT** be included in the USEABLE area as is defined in clause 1.2.4 of the SAPOA method of measuring.

Common Area: In the context of the SAPOA (South African Property Owners Association), refers to areas in a property or building that are shared by all tenants, occupants, or users of that property. These spaces are not privately owned by any single tenant or user but are collectively maintained for the benefit of everyone. Common area are typically found in multi-tenant buildings, office complexes, residential estates, or commercial properties.

Examples of common areas can include and not limited to: Lobbies, Hallways, Ablution facilities, Cafeteria, Elevator lobbies, Staircases, Parking areas including Outdoor areas like gardens, courtyards, assembly areas, and communal terrace

2.3 LOCATION

The commercial printing factory / warehouse, cafeteria, storage and office accommodation must be situated 30-kilometer radius of the Visagie Street Precinct. Easy access to highways would also be required. Close proximity to public transport would be ideal. The highest priority is that the area is safe and secure.

2.4 CONTRACTING TERMS

Contracting will be between the service provider and GPW, where payments will be made by GPW according to the direct payment procedure. These contracting and payment processes will be expressly detailed in the contractual documentation to be signed.

Contract / Lease Agreement will be concluded with the successful Bidder. Given that property rentals are not within the core mandate of the DBSA, DBSA is acting as a procurement agent, undertaking procurement on behalf of GPW. DBSA will undertake the procurement process of behalf of GPW, after which, the required rental agreement will be finalised and entered into between the GPW and appointed service provider directly i.e. GPW will be responsible for contract and payment of the lease. The contract period to be for a period of 5 years.

CERTIFICATE OF INDEPENDENT BID DETERMINATION

- ~~1 — This Standard Bidding Document (SBD) must form part of all bids¹ invited.~~
- ~~2 — Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *per se* prohibition meaning that it cannot be justified under any grounds.~~
- ~~3 — Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:~~
- ~~a. — disregard the bid of any bidder if that bidder, or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.~~
- ~~b. — cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.~~
- ~~4 — This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.~~
- ~~5 — In order to give effect to the above, the attached Certificate of Bid Determination (SBD-9) must be completed and submitted with the bid:~~

~~¹ Includes price quotations, advertised competitive bids, limited bids and proposals.~~

~~² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.~~
