8. REGISTRATION AS A VAT VENDOR

8.1 Clause 1: VAT Registration Threshold

8.1.1 According to the South African Revenue Service (SARS) regulations, it is obligatory to register for Value Added Tax (VAT) if the cumulative value of taxable supplies that have been made or are projected to be made within a rolling twelve-month period surpasses R1 Million.

8.2 Clause 2: Responsibility of Non-VAT Vendor Service Provider(s)

8.2.1 In instances where the service provider is not registered as a VAT vendor, it is their responsibility to ensure that the applicable VAT is included in their pricing calculation if the threshold mentioned in Clause 1.1 is met or anticipated to be met.

8.2.2 Furthermore, in such cases, the service provider must be registered for VAT within 21 working days from the date of being awarded the contract.

8.3 Clause 3: Failure to Incorporate VAT in Pricing Proposal

8.3.1 Should the service provider, who is not a registered VAT vendor, fail to incorporate the relevant VAT amount when submitting their pricing proposal, and it can be determined that the projected value of supplies will exceed R1 Million within any consecutive twelve-month period, the municipality reserves the right to add the applicable VAT to the offered price.

8.3.2 In the event that the service provider is awarded the contract, they will be required to register for VAT within 21 working days from the date of the award.

8.4 Clause 4: VAT Status During Contract Implementation

8.4.1 Once a service provider's VAT status has been established at the commencement of a contract, it is agreed that the service provider shall not alter their VAT registration status for the duration of the contract.

8.4.2 In the event that the service provider's VAT registration status changes during the contract implementation, the service provider shall be responsible for absorbing any VAT-related implications that may arise as a result of the change.

8.4.3 The service provider's obligation to absorb the VAT element throughout the duration of the contract, as outlined in Clause 4.2, shall apply unless otherwise explicitly agreed upon in writing by both parties.

8.5 Clause 5: Exception for Panels

8.5.1 The provisions outlined in Clauses 1 to 4 are not applicable to panels. Price offers for panels will be considered and implemented on an as-needed basis. Non-VAT vendors do not have to include VAT in their bid prices, however they must submit bids for contracts that would, if successful, take their annual turnover above the threshold of R 1 million must include VAT in their price quoted and must therefore immediately upon award of the contract, register with the South African Revenue Service (SARS) as VAT vendors.
