1. INTRODUCTION

1.1 PRASA STRATEGIC PROPERTIES PROGRAMME

The Passenger Rail Agency of South Africa (PRASA), through its investment arm, Intersite Asset Investments is tasked with the implementation of PRASA's secondary mandate through Real Estate Asset Management and Commercialisation to generate much needed revenue to support the business and fulfil socio-economic objectives. Intersite delivers on its mandate by providing property management, project development services through five regional offices in South Africa – Gauteng Region, Kwa-Zulu Natal, Eastern Cape and the Western Cape Region.

Using the Build, Operate and Transfer (BOT) model to lease, upgrade and commercialise its buildings and land, Intersite is calling on private sector developers and investors to express interest in packaging these assets to unlock value and generate revenue. Intersite will in turn award leases to suitable developers that demonstrate the capability to finance and deliver on time and on agreed terms.
