1 Background

eTendering system is a web-based system that allows suppliers bidding for various tenders advertised on Tender Bulletin system to “upload” their tender documents. Currently the tenderers or suppliers submit tender documents at various Eskom tender offices. eTendering system replaces the manual or physical submission of tender documents at various Eskom tender offices. eTendering system in a nutshell is an electronic box where tender documents can be “dropped” or “uploaded”. Suppliers will be required to register their details before they can be granted access to the eTendering system. An OTP (one time pin) will be sent to both their cell phone and email address.

Quick and direct access is also available by using the following links:

- **TenderBulletin Public website:** <https://tenderbulletin.eskom.co.za> - this is used by members of the public, to view and access Eskom published tenders. eTendering hyperlink will be found on this site. Members of the public may follow prompt instructions once they have clicked on the eTendering link (<https://eTendering.eskom.co.za>). This link will allow them to upload the required tender documentation.
- **eTendering website Public website:** <https://eTendering.eskom.co.za> - this is used by members of the public, to view information about published tenders and submit their tender documents.
- **N.B: Members of the public would need to have a CSD number to gain access to eTendering system.**

2 Problems

A channel of communication has been created in case users of the system experiences a problem with the system. In a case users come across some difficulties in using Tender bulletin, eTendering and OpenText systems they need to contact the buyer responsible for the published tender.

3 What's New

A new functionality to “add closed tenders”. Closed tenders refers to the tenders which are not listed on Tenderbulletin as normal tenders, but are tenders sent directly to the relevant and potential suppliers who meet the selection and evaluation criteria to offer what the buyer needs. These suppliers will be sent a link via email to bid privately.

4 Getting Started

To gain access to eTendering portal

1. Open your web browser
2. Type [TenderBulletin \(eskom.co.za\)](https://TenderBulletin.eskom.co.za) or <https://eTendering.eskom.co.za>
3. eTendering system login page will be displayed:

The screenshot shows the Eskom eTendering system login page. At the top center is the Eskom logo. Below it is a white login form with a light blue border. The form contains the following elements:

- An "Email" label above a text input field.
- A "Password" label above a text input field.
- A checkbox labeled "Remember me".
- A link for "Forgot your password?".
- A dark blue button labeled "LOG IN".
- A link for "Register" below the button.

Fig 1

Registration Form	Steps to follow
 <p>The registration form contains the following fields and elements:</p> <ul style="list-style-type: none"> Name: Keely Alston Email: hobyqaby@mailinator.com Organization: Tran and McIntosh LLC Csd number: 80 Phone No: +1 (132) 316-4302 Agree to Eskom T & C and POPIA Terms and Conditions Protection of Personal Information Act (POPIA): <input checked="" type="checkbox"/> Password: [Masked] Confirm Password: [Masked] Captcha: [Image] Buttons: Already registered? and REGISTER 	<ul style="list-style-type: none"> • Complete all the fields • Contact number must start with a Plus prefix e.g +27 • Ensure that you also fill in the capture picture to validate that you are not a robot. • Once all columns have been filled click on register button • Pop-up message will be displayed asking the registerer to verify the email sent to the provided email address. • If the email does not come through, click on “Resend Verification Email” button • email to be resent, • Once you have received the email click on Verify Email link provided on the email. • Then you will be directed back to etendering site with a login screen displayed, now complete the login with your verified email address and password •

Fig1.1

Fig2a.

Fig2b.

Fig3.

4. Once the email is verified, login using your registered email address and password then the OTP page will be displayed

The login form features the Eskom logo at the top. It contains two input fields: 'Email' and 'Password'. Below the password field is a checkbox labeled 'Remember me'. At the bottom right, there is a 'LOG IN' button, a link for 'Forgot your password?', and a 'Register' link.

The OTP verification form displays the Eskom logo and a message: 'OTP send to 0827973454 and emailed to monalisatthatlha2@gmail.com'. It includes a 'One Time Pin (OTP)' input field, a 'VERIFY OTP' button, and a 'RESEND OTP' button. A 'Logout' link is located at the bottom right.

5. OTP sent to the registered cell phone number and email address

6. Insert the OTP number then click **“Verify OTP”** button, to resend OTP click on **“Resend OTP”** button

7. Landing page once OTP is verified

8. Select the preferred "Ref No"

9. A page with the preferred Tender information is displayed before tender documentation can be submitted.

10. Click on **“Create New Submission”** button to submit required Tender documents

11. Landing page once clicked on **“Create New Submission”** button. Take note of the mentioned disclaimers.

12. To submit tender documents, click on **“Add file”** button

13. Upload required tender documents by:

1. Giving the file a name
2. Select the listed file type e.g.: Technical, commercial, finance and etc
3. Choose the file you need to upload
4. Then click on **“Upload”** button, Fig5.

The screenshot shows the 'File Upload' section of the Eskom eTendering System. At the top left, the text 'File Upload' is displayed. The Eskom logo is in the top right. The main form area contains the following elements:

- File title / description:** A text input field with the placeholder text 'Description of your document'.
- File Type:** A dropdown menu currently set to 'Technical'.
- Upload Files MAX 50Mb Each:** A dashed box containing a 'Choose File' button and a 'No file chosen' text area.
- UPLOAD:** A dark blue button.
- Back to submission:** A blue button.
- Sumbitted Files:** A section header for a list of uploaded files.
- Tender Description/Overview:** A text area containing the text 'Award for Provision of Office Cleaning and Janitorial Services at Kusile Power Station Project'.

Fig4.

This screenshot is identical to Fig4 but with red rectangular boxes highlighting specific elements:

- The text 'testing' in the 'File title / description' field.
- The 'Technical' dropdown menu.
- The 'Choose File' button.
- The 'UPLOAD' button.

Fig5.

- Once clicked on **“Upload”** button, this page will be displayed with the submitted document(s). Continue to submit all the required documents under the correct category ,i.e: Technical should be selected if technical documentation is uploaded and etc. Verify all required documents are uploaded before making ‘Final Submission’ by clicking on ‘Finalize Submission’ button.

5 Edit Registration

To edit already registered information such as Name, Organization, CSD and cell phone number select “Edit Registration” on the drop down, Fig1. New window with information that needs to be updated pop ups, Fig2. Click on “**Update**” button to update registration details.

Fig1.

A screenshot of the registration update form. At the top is the Eskom logo. Below it are several input fields: 'Name' with the value 'Monalisa', 'Organization' with the value 'Eskom', 'Csd number' with the value '00000', and 'Phone No' with the value '066627087054'. Below these fields is a CAPTCHA image showing the letters 'p h t g d' in various colors and orientations. Underneath the CAPTCHA is a text input field for the CAPTCHA code. At the bottom of the form is a dark blue button labeled 'UPDATE'.

Fig2.

6 Log off Button

To logout, click “Log out” on the dropdown next to your name

Fig1.

7 Password reset

To reset a forgotten password, click **“Forgot your password” Fig1.** and a new screen will pop up to enter an alternative email where the new password will be sent Fig2. Confirmation message will be sent to the user, Fig3.

The login form features the Eskom logo at the top center. Below it, there are two input fields: 'Email' and 'Password'. A 'Remember me' checkbox is located below the password field. At the bottom right, there is a 'LOG IN' button. A link labeled 'Forgot your password?' is positioned to the left of the 'LOG IN' button. A 'Register' link is located below the 'LOG IN' button.

Fig1.

The 'Reset Password' form displays the Eskom logo at the top. The title 'Reset Password' is centered. Below the title, there is an 'Email' label and an input field containing the email address 'tthatlm@eskom.co.za'. A 'SEND PASSWORD RESET LINK' button is positioned below the input field.

Fig2.

The confirmation 'Reset Password' form shows the Eskom logo at the top. The title 'Reset Password' is centered, followed by the message 'We have emailed your password reset link!'. Below this, there is an 'Email' label and an empty input field. A 'SEND PASSWORD RESET LINK' button is located below the input field.

Fig3.

An email confirming password reset will be sent to the email provided.
Click on the link or **“Reset Password”** button to reset the password.

Fig4.

A new window will pop up to reset and confirm the new password, Fig5. Enter new password and confirm then click on **“Reset Password”** button.

Fig5.

OTP window will pop up, type in the OTP sent to either the cell phone or email address.

Fig6.

OTP successfully goes through and lands on the below screen, password is successfully reset.

Fig7.

8 General

This system is compatible to most web browsers however we recommend Ms Edge.

The end.
