 - d) Disability Grant;
 - e) Child Support Grant
 - f) Care Dependency Grant;
 - g) Foster Child Grant
 - h) Social Relief of Distress and
 - i) Child Support Grant Top-up
- 1.2. SASSA is an Agency of the National Department of Social Development comprised of Head Office and nine (9) Regional offices across the country. Mpumalanga Regional office is situated in Mbombela, comprising of the following Municipalities: Ehlanzeni, Bushbuckridge, Gert Sibande and Nkangala
- 1.3. SASSA has, in terms of the Public Finance Management Act, (Act No. 1 of 1999); Social Assistance Debt Policy; the South African Social Security Agency Staff Debt Policy; and other applicable prescripts a responsibility to manage and collect or recover all debts owed.
- 1.4. SASSA MP Region is responsible for social assistance debts emanating from paragraph 1.1. (a-i) including staff debts. Management of this portfolio is the responsibility of the General Manager: Finance.

2. PURPOSE

2.1. To appoint a service provider/s to constantly manage and collect or recover all outstanding debts due to the Agency in accordance with, inter alia, the terms incorporated herein as well as applicable prescripts for the duration of 36 months.

3. BACKGROUND

- 3.1. In the execution of its mandate, the Agency experiences challenges consequent to a rise of debts owed to the Agency by either social grant beneficiaries or employees of the Agency.
- 3.2. These challenges relate to instances where a beneficiary's financial status (which made him or her eligible to receive a social grant) changes or improves thereby rendering him or her not eligible to receive a social grant. However, despite of any such change in the beneficiary's financial status, he or she continues to receive a social grant resulting in such a payment of social grant to that beneficiary regarded as an overpayment.
- 3.3. It is upon such instance that the beneficiary will become liable to repay the social grant money (overpayment) received; and therefore be identified as a debtor.
- 3.4. There are also instances where, due to various circumstances (i.e. non-compliance with study aid contracts, overpayment of salaries and so forth) that SASSA is responsible to recover monies from its current or former employees.
- 3.5. The continuous increase of the Agency's debt book as well as the audit findings in relation to the social assistance (social grants) funds, have necessitated the need for an immediate action. To ensure the effective and efficient management of social assistance debts and staff (employees) debts to avoid any negative audit outcomes for both the Department of Social Development (DSD) and the Agency.
- 3.6. SASSA has identified three major challenges, which are as follows:
 - wrong or outdated debtor's addresses,
 - incorrect contact numbers, and,
 - incorrect financial status of the debtor.

VII

- 3.7. These major challenges hinder SASSA from effective and efficient management and collection or recovery of the debts. Therefore, SASSA seeks to appoint a service provider/s that will constantly manage and collect or recover all outstanding debts due.
- 3.8. The total debt book as at 31 March 2023, for social grant debts is approximately R 20,968,376.82 and may be subjected to adjustment during the contract period.

4. SCOPE OF WORK

- 4.1. Recover monies owed by the debtors to the agency.
- 4.2. Issue a notification via either SMS, email or written letter to a traced debtor to inform him/her that the Agency has handed over their debt for collection and recovery.
- 4.3. The notification should state the type of debt (i.e. grant debt, staff debt or 3rd party claim), the amount owed, SASSA Mpumalanga deposit account details, beneficiary (debtor) ID number as reference number and payment arrangement.
- 4.4. Use other legal data collection sources to add any additional information or economic activities of the debtor. This should include but not limited to any business and/or spouse's activities.
