

SECTION 4.3

ADDENDUM

TENDER: SBM 50/21/22

**REMOVAL, TRANSPORTATION AND DISPOSAL OR REUSE OF DEWATERED
WASTEWATER SLUDGE FROM VARIOUS WASTEWATER TREATMENT WORKS
WITHIN THE SALDANHA BAY MUNICIPALITY FOR THE PERIOD OF 01 NOVEMBER
2022 TO 30 JUNE 2024.**

Occupational Health and Safety, Environment

While delivering services during the contract period, The Contractor shall comply with all applicable legislation pertaining to this contract activity which includes but not limited to relevant Acts listed below:

- Hazardous Substances Act (Act 5 of 1973)
- Health Act (Act 63 of 1977)
- Environment Conservation Act (Act 73 of 1989)
- Occupational Health and Safety Act (Act 85 of 1993)
- National Water Act (Act 36 of 1998) Guidelines for the Utilization and Disposal of Wastewater sludge (Volume 1-5); Water Research Commission and Department of Water Affairs and Forestry (March 2006)
- The National Environmental Management Act (Act 107 of 1998)
- National Environmental Management: Air Quality Act (No. 39 of 2004) (NEMAQA)
- Air Quality Act (Act 39 of 2004)
- National Environmental Management: Waste Act, 2008 (Act 59 of 2008)
- National Environmental Management: Waste Amendment Act, 2014 (Act 26 of 2014)
- The National Road Traffic Act (Act No. 93 of 1996)

Saldanha Bay Municipality shall not be responsible for notifying the Tenderer/successful Tenderer of any changes in regulations regarding the transportation, handling, disposal and processing of wastewater sludge that affect its operations. The successful Tenderer shall at all times conduct proper wastewater sludge processing practices in accordance with applicable regulations.

The successful tenderer must provide the Municipality with disposal certificates/receipts which indicates the quantity, location and manner in which it has been disposed or reused of.

Company Background and Experience

Provide Tenderers' company general background including a summary of previous experience including the following:

- Number of years the Tenderer's company has been in business, present ownership, and key management individuals
- Description of wastewater sludge processing experience and provide proof of similar contracts completed
- Number of years of experience in biosolids processing with similar types of sludge produced at wastewater treatment works (minimum 1-year experience required)
- Contactable references for a three (3) work bio-solids removal and disposal or land application within the last 3 years. **Refence letters must be provided.**
- The waste recipient will be required to register with and report to the Integrated Pollutant and Waste Information System (IPWIS) after/upon successful awarding of the tender, should it be established that disposal/reuse meets or exceeds the thresholds as stipulated in Annexure 1 of the National Environmental Management: Waste Act (59/2008): National Waste Information Regulations, 2012.

Bidder's track record

The employer shall not award a contract to any bidder that cannot provide proof to substantiate a minimum of 1 year of **relevant** experience in bio-solid removal with successfully completed projects.

The Contactable references must be for the same type of services rendered and no other experience will be deemed as relevant
