CLOSING TIME: 12h00: Bids will be opened in the Council Chambers or Supply Chain Management Boardroom
CIDB : The following CIDB class of construction works will be applicable to the Tender, in accordance with the sum tendered or value determined in accordance with Notice 357 of 2019: Tender value range adjustments in terms of the Construction Industry Development Regulations, 2004 (AS AMENDED). **Class of Construction Works: 8CE or 8GB or higher.**

INFORMATION:

Tender Specifications: Leon Pienaar, 021 527 7000; email: leonp@bviwc.co.za
SCM Requirements: Jane Sampson, 021 808 8520; email: Jane.sampson@stellenbosch.gov.za
Office hours for collection: 08h00-15h30

A compulsory clarification meeting with representatives of the Employer will be held at 10:00 on 12 January 2022 at Stellenbosch Public Library, 14 Plein Street, Stellenbosch Central. Tenderers who fail to attend the compulsory information session will be regarded as non-compliant.

Due to Covid-19 restrictions, a limited number of people may attend the compulsory clarification meeting and it is therefore requested that only one representative per company may attend. To control the number of people at the compulsory meeting, a notice of intention must be submitted by email to ingridi@bviwc.co.za by no later than 10 January 2022 at 10:00 (48 hours before meeting). Only people registered will be allowed to attend the compulsory meeting. No walk-in attendance will be permitted. All attendees will be required to wear mask and need to bring own writing material. COVID-19 Precautions: Screening for temperature, sanitizing of hands, social distancing and the wearing of masks will be compulsory.

Subcontracting as condition of tender (Regulation 9):

- (a) The successful tenderer must subcontract a minimum of 30% of the contract to:
- (i) An EME or QSE

Local production and content is applicable to this bid. Bidders must use the exchange rate published by the South African Reserve Bank (SARB) at 12:00 on 10 December 2021. The guidance document for the calculation of local content is included in the bid document and is also available on the municipality's website by following the Supply Chain Management link. If raw material or input to be used for a specific item is not available locally, bidders should obtain written authorisation from the dti should there be a need to import such raw material or input. A copy of the authorisation letter must be submitted together with this tender document at the closing date and time of bid.

Tenders may only be submitted on the Tender documentation issued by Stellenbosch Municipality and must be valid for 180 days after tender closing. Late, electronic format, telephonic or faxed Tenders will not be considered and Stellenbosch Municipality does not bind itself to accept the lowest, part of or any Tender.

Sealed Tenders, with B/SM 25/22 THE CONSTRUCTION OF POLKADRAAI WATER SUPPLY SCHEME, clearly endorsed on the envelope, must be deposited in the Tender box at the offices of the Stellenbosch Municipality, Plein Street, Stellenbosch. The Tender box is accessible 24 hours a day and Tenders must be accompanied by the completed Tender documents. Tenders not accompanied by a complete Tender document, will not be considered.

SKEMA**, op die koevert, moet geplaas word in Tenderbus by die kantore van Stellenbosch Munisipaliteit,
Pleinstraat, Stellenbosch. Die tenderbus is 24 uur per dag beskikbaar en tenders moet vergesel word met die
voltooide stel tenderdokumente. Tendersaanbiedinge wat nie deur die volledige tenderdokument vergesel word nie,
sal nie oorweeg word nie.

C.2.1.4.8 **Local Office**

In order to be declared responsive and considered for an appointment terms of this tender, Tenderers shall have a fully functional office within 150km from the Site for the duration of the Contract, through which all communication with Employer will flow. This office may belong to the Tenderer or any of his Joint Venture parties or sub-consultants or sub-contractors. Should the tenderer or any of his Joint-Venture parties or sub-consultants or sub-contractors not have a local office, a notice of intention to lease a space for the office for the duration of the contract need to be in place.

Key personnel will be expected to operate out of the local office, as the exigencies of this project require. The address of the local office must be indicated in the second line of the Physical Business Address table on **Schedule 12, Part T2.2: Returnable Schedules**, and which will be regarded as the *domicilium citandi et executandi* for the purpose of any contract arising from this tender submission.

C.2.1.4.9 **Local Labour**

In order to be declared responsive and considered for an appointment terms of this tender, all labour as classified under targeted labour in **Part C3.5: Management**, will be sourced from the targeted area. This is 100% for unskilled labour and semi-skilled labour up to the daily threshold.

C.2.3 **Check documents**

C.2.3 *Delete the clause and replace with the following:*

The Tenderer should check the tender documents on receipt for completeness, missing or duplicated pages, indistinct figures or writing and any obvious errors. The Tenderer must notify the Employer's agent at once of any such problems identified

C.2.7 **Clarification meeting**

Add the following after the second sentence:

The arrangements for the site visit/clarification meeting are as stated on the General Tender Information page and in the Responsiveness Criteria (if applicable).

Tenderers should be represented at the site visit/clarification meeting by a person who is suitably qualified and experienced to comprehend the implications of the work involved.

C.2.8 **Seek Clarification**

Add the following after the first sentence:

The tenderer warrants that it has:

- a) inspected the Specifications and read and fully understood the Conditions of Contract.
- b) read and fully understood the whole text of the Specifications and Price Schedule and thoroughly acquainted itself with the nature of the goods proposed and generally of all matters which may influence the Contract.
- c) visited the site(s) where delivery of the proposed works will take place, carefully examined existing conditions, the means of access to the site(s), the conditions under which the delivery is to be made, and acquainted itself with any limitations or restrictions that may be imposed by the Municipal or other Authorities in regard to access and transport of materials, plant and equipment to and from the site(s) and made the necessary provisions for any additional costs involved thereby.
- d) requested the Employer to clarify the requirements contained in the Specifications and Price Schedule, the exact meaning or interpretation of which is not clearly intelligible to the tenderer.
- e) received any notices to the tender documents which have been issued in accordance with the Employer's SCM Policy.

The Employer will therefore not be liable for the payment of any extra costs resulting from any claim submitted by the tenderer arising from any alleged ambiguity or uncertainty contained in the tender document.

C.2.11 **Alterations to documents**

Delete the first sentence and replace with the following:

Do not make any alterations or additions to the tender documents, except to comply with instructions issued by the employer in writing, or necessary to correct errors made by the tenderer.

C.2.12 **Alternative tender offers**

C.2.12.1 *Add the following to C.2.12.1 at the end of the first sentence:*

If a tenderer wishes to submit an alternative tender offer, he shall do so as a separate offer on a separate set of tender documents. The alternative tender offer shall be submitted in a separate sealed envelope on a separate Form of Offer, both clearly marked "Alternative Tender" in order to distinguish it from the main tender offer.
