

Annexure K

AMENDMENTS TO THE INVITATION TO TENDER (ITT) AND SCOPE OF WORK

Tender number: **E3239CXMWP**

RFP Title: **Feeder Balancing Module**

Issue date: **21 July 2026**

Changes to the Invitation to Tender (ITT)

The following amendments have been made to the Invitation to Tender (ITT):

- **Page 8 – Section 3.13: Functionality Requirements**
The scoring summary has been updated. Bidders are requested to disregard the previous scoring summary and refer to the revised version.
- **Page 19 – Technical Criteria**
The scoring summary has also been updated and aligned with the revised functionality scoring requirements.

Changes to the Scope of Work

- **Page 1, paragraph 1 - High-Level Background**
The High-Level Background section has been updated to provide revised contextual information and project background details.
