

SECTION 3: PRICING ARRANGEMENTS

SECTION 3.1: PRICING DATA – FIRM PRICES

Pricing shall not be applicable for evaluation of this bid. Functionality will be used as a basis to appoint a panel of service providers to follow the quotation process after approval of funding per project.

The implementation of the tender will be as follows:

1. Once the panel of service providers is selected based on the functionality score, each bidder on the panel will be given an opportunity to provide a quotation on an ad-hoc basis depending the need and budget availability.
2. The applicable Department will determine the scope of works, pricing schedule, and criteria for the quotation that will be provided to the bidders.
3. Quotations amongst framework contractors invited: Invite quotations from all framework contractors participating in the agreement, receive and evaluate submissions and prepare evaluation report and subsequently be awarded by the delegated authority.
4. Bidder must provide a quotation within 5 working days or depending on the urgency. In emergency cases, turn-around for delivery of service must be within 2 working days.
5. It will be expected that the service provider must nominate a person or team, where applicable, together with a copy of the relevant CV's with the quotation.
6. No works can be performed without an official order. All orders will be approved in terms of Hessequa delegation authority.
7. The request for quotation under this panel tender appointment can take place at any time when Hessequa Municipality has the need while the contract is still valid and an order can still be placed on the day before the contract will lapse even if the implementation will be post expiry of the contract.
8. That Hessequa Municipality reserves the right to negotiate the nominated person or team proposal and/or the quotation as allowed by Hessequa SCM Policy and MSCM Regulation24.
9. Points will be awarded to tenderers who are eligible for preferences in terms of MBD 6.1: Preference Point Claim Schedule (where preferences are granted in respect of B-BBEE contribution and Locality). This is applicable during the RFQ phase.
