Meeting Certificate together with certified ID document / driver's license or sworn affidavit in the tender submission, will disqualify the tender.

Applicable amendment to the Tender document is as follows for Clause C.2.7.1 (Pg. 6 of 107)

1. A) A second compulsory briefing/clarification meeting will be held at **Auditorium, Valkenburg Hospital, Observatory (Please use the Liesbeek Park entrance side) Thursday, 21 August 2025 @ 10:00 – 12:00.**
2. C) ONLY one representative is required to attend the compulsory meeting and sign on behalf of the tenderer. Failure to comply will invalidate the tender. A representative may not attend the meeting on behalf of more than one tendering entity. This constitutes anti-competitive behavior, and when multiple tenders are submitted which reference the attendance of the same person at the site/clarification meeting, ALL those tenders will be disqualified. **Tendering entities must be represented by a person who is suitably qualified and experienced to comprehend the implications of the tender**
3. E) Tenderers must complete and sign the meeting attendance register circulated at the meeting, in the name of the tendering entity. Tenders will be received only from those tendering entities whose names appear on the attendance register. Failure to complete and sign the attendance register will disqualify the tenderer. Tenderers must complete and sign the Clarification Meeting Certificate. A Copy of the compulsory site clarification certificate will be made available at the meeting. This Clarification Meeting Certificate must be counter-signed by a designated representative of the Employer at the time of the meeting, who will be identified at the meeting. If the tenderer loses his original certificate prior to his submission, an affidavit to this effect must be submitted with the tender and will only be accepted if the tenderer's attendance can be verified on the attendance register. Failure to include a duly completed, signed and counter-signed Clarification Meeting Certificate or affidavit (in the case of losing the original signed site clarification certificate) in the tender submission, will disqualify the tender.

NB!! ONLY TENDERERS THAT ATTENDED THE FIRST COMPULSORY SITE CLARIFICATION MEETING ON TUESDAY, 05 AUGUST 2025 MAY NOT ATTEND.
