#### 6.4. PHASE 3: PREFERENCE POINT SYSTEM 80/20 (ONCE THE PANEL HAS BEEN APPOINTED)

6.4.1. The evaluation of price and B-BBEE points will be applied when the request for proposals from the listed panel members are considered for award.

## Calculation of points for price

- 6.4.2. The Preferential Procurement Policy Framework Act (PPPFA) prescribes that the lowest acceptable bid will score 80 points (for tenders under R50m) or 90 points (for tenders above R50m) for price. Bidders that quoted higher prices will score lower points for price on a pro-rata basis. Where functionality is set as criteria, only bid proposals that meet functionality requirements will be considered for evaluation on price and B-BBEE.
- 6.4.3. The 80/20 as an appropriate preference point system will be used in the evaluation and adjudication of this tender. However, it must be extended that the lowest acceptable tender will be used to determine the applicable preference point system as per regulation (Section 3(a)(ii) of the Preferential Procurement Regulations (PPR) 2017, which states: "If it is unclear which preference point system will be applicable, that either the 80/20 or 90/10 preference point system will apply and that the lowest acceptable tender will be used to determine the applicable preference point system". Therefore, either 80 or 90 points, depending on the rand value of the tender, will be awarded to the bidder who offers the lowest price, and proportionately fewer points are awarded to those with higher prices. Either 20 or 10 points are then available as preference points for EMEs, QSEs or B- BBEE contributors, as applicable. The contract will be awarded to the bidder that scores the highest total number of adjudication points per category.

## Calculating of points for B-BBEE status level of contribution

- 6.4.4. Points will be awarded to a bidder for attaining the B-BBEE status level of contribution by submitting original and valid B-BBEE Status Level Verification Certificate issued by SANAS Accredited Verification Agency or certified copies thereof; or B-BBEE Certificate issued by CIPC, or Sworn Affidavit commissioned by Commissioner of Oaths together with their bids, to substantiate their B-BBEE rating claims. SBD 6.1 must also be duly completed, signed, and submitted alongside the bid to claim preference points. Failure to do so will result in B-BBEE preference points being forfeited.
- 6.4.5. Points will be awarded to a bidder for attaining the B-BBEE status level of contribution or a sworn affidavit certified by the commissioner of oath in accordance with the table below:

<b>B.</b>	<b>PRICE</b>	<b>80</b>
<b>C.</b>	<b>B-BBEE Status Level Contributor</b>	<b>Number of points (20)</b>
	1	20

	2	18
	3	14
	4	12
	5	8
	6	6
	7	4
	8	2
	Non-compliant contributor	0

- 6.4.6. The SCM unit of the MLRF will allocate preferential points (B-BBEE) to each company for its contribution towards empowerment of the black designated groups as prescribed in the Preferential Procurement Regulations of 2017, women, people with disabilities, youth as well as local economic development as set out in the Broad-Based Black Economic Empowerment Codes.
- 6.4.7. A tender will not be disqualified from the tender process if the bidder does not submit a certificate substantiating the B-BBEE status level of contribution or is a non-compliant contributor. Such a bidder will score 0 for B-BBEE.
- 6.4.8. Tenders will be subject to SCM conditions of the Department. The Preferential Procurement Regulations, 2011 issued in terms of section 5 of the Preferential Procurement Policy Framework Act (Act No 5 of 2000) (PPPFA), aligned with the aims of the Broad-Based Black Economic Empowerment Act 53 of 2003 as amended by the Broad-Based Black Economic Empowerment Amendment Act 46 of 2013, and Phase 2 of its Codes of Good Practice.
- 6.4.9. The PPPFA prescribes that the lowest acceptable bid will score 80 or 90 points for price (as explained above, depending on whether the bid prices is more or less than R50 million). Bidders that quoted higher prices will score lower points for price on a pro-rata basis. Where functionality is set as a criterion, only bid proposals that meets functionality requirements will be considered to be evaluated on price and B-BBEE.
- 6.4.10. The contract will be awarded to the bidders who meet phases one (1) and two (2) of the evaluation criteria.
- 6.4.11. All the suppliers in the panel will be in competition for each request from the MLRF.
- 6.4.12. Suppliers will be evaluated based on the total of price and B-BBEE points as per Preferential Procurement Regulation (PPR), 2017.
