<u>1</u>	Does the supply of red meat, white meat, dairy products and vegetables fall under supply of grocery? Can a supplier utilise listed items as part of previous orders?		Yes, red meat, white meat, dairy products and vegetables fall under supply of grocery and can be utilised as part of the previous orders.
<u>2</u>	We would like to enquire on the above-mentioned bid, on Technical File: Company Experience. We see that Eskom requires 15 PO's and the department we were servicing was giving us one PO, per 6 months, which was for 6 months but delivered monthly. Thus, can we attach it along with Department stamped Delivery Notes and Invoices for proof that we did delivery monthly?		The supplier can either submit purchase orders or stamped delivery notes, they will be evaluated technically based on the purchase orders or stamped delivery notes submitted.
