FLOOD REPAIRS TO THE MHLALI RIVER BRIDGE ON P103 – ADDENDUM 4**

SECTION A: RESPONSE TO CLARIFICATION QUESTIONS RECEIVED FROM TENDERERS

No.	Tenderer Query / Request	Response
1	<p>Form B4 – Key Personnel Experience</p> <p>One of the requirements here are to submit Contactable client reference details/letter or Certificates of Practical Completion/ Letter of Award are required for the stated projects.</p> <p>We do have contactable reference contact details here however the Award & Completion certificates cannot be obtained from the key personnel as they could of [sic] done these projects with other employers and they will not share this information to them.</p> <p>We kindly ask that this requirement be waved out.</p>	<p>The Employer is unable to waive this requirement.</p> <p>The submission of verifiable supporting documentation is necessary to substantiate the experience claimed for key personnel and to ensure a fair and transparent evaluation process.</p> <p>Tenderers are required to provide the requested documentation where available. Where such documentation cannot be obtained, tenderers may submit alternative verifiable evidence of involvement in the stated projects; however, the adequacy of such submissions will be subject to evaluation.</p>
2	<p>Please advise on Special Materials for this project, as page C2-62 (Contract Data) states “None”.</p>	<p>Clause A13.8 has been amended to include Bitumen as a special material.</p>
3	<p>Form B6 reflects a fixed percentage of 15%, whereas the tenderer would normally insert a percentage. Please rectify.</p>	<p>Form B6 has been amended and the percentage has been removed. Tenderers are to complete the revised form issued.</p>
4	<p>Under the Asphalt section, the continuously graded mix cannot be classified as a stone skeletal mix. Kindly confirm whether a stone skeletal mix (UTFC or SMA) is required.</p>	<p>A revised Pricing Schedule in Excel format has been issued. The pricing schedule has been amended to state that the asphalt is a sand skeletal mix.</p>
5	<p>Kindly issue the returnable schedules in Word format, as done previously.</p>	<p>The Word format of the returnable forms is attached to this Addendum.</p>
6	<p>The lump sums need to be fixed in the Excel Bill of Quantities (Section D).</p>	<p>A revised Pricing Schedule in Excel format has been issued. Tenderers are to use the revised document for submission.</p>
7	<p>The Returnable form in <u>word format</u> has not been issued with these documents, kindly send to us at your soonest.</p>	<p>The Word format of the returnable forms is attached to this Addendum.</p>
8	<p>Please could we have “e) Volume 6: Materials investigation and utilisation - Drilling Investigation Report (attached)” and “g) Word format of the returnable forms”</p>	<p>Attached to this Addendum.</p>
9	<p>We noticed that Addendum 3 was not received via email; however, we have since located and downloaded it from the SANRAL website. Could you please clarify if tenderers are expected to monitor the website for updates manually, or if future correspondence will be emailed directly to all participants? If the protocol is for tenderers to check the website for updates rather than receiving them via email, please let us know.</p>	<p>Addenda are issued via email to all tenderers who attended the clarification meeting and whose details are recorded. However, tenderers are advised to regularly monitor the official SANRAL procurement platform/website for any updates or additional information.</p>
10	<p>Please could you advise with regard to the precast beams:</p>	<p>Reinforcement details and bending schedules are attached to this Addendum.</p>

FLOOD REPAIRS TO THE MHLALI RIVER BRIDGE ON P103 – ADDENDUM 4**

No.	Tenderer Query / Request	Response
	<p>Extract from the specifications for the precast beams below, indicates reinforcement is indicated on the drawings. The drawings do not indicate the reinforcement requirements for the precast beams. The post tensioning requirements are indicated though. Please can you provide reinforcement drawings and bending schedules for the precast beams.</p>	
11	<p>Please may we also get the drawings with the rebar information as well.</p>	<p>Attached to this Addendum.</p>
12	<p>I am trying to do the local content found on page T-55, form 26 for the above mentioned document, however the table provided has no rows and columns where I can enter/complete my calculations, can I rather leave out the description of services/works and write only the Bid price? Because that's the only row that has a space to put the amount.</p>	<p>Refer to the Word format of the Returnable Schedules that is attached to this Addendum.</p>
13	<p>I would like to find out if we must produce hand written BOQ or we can print from excel and submit it as pdf document?</p>	<p>Tenderers are required to complete the Bill of Quantities in the provided Excel format and submit both the Excel version and a signed PDF version as part of their tender submission. In the event of any discrepancy between the two, the PDF version shall take precedence.</p>
14	<p>Please could you provide us with the Geotechnical Report, Piling Reinforcement Drawings, and Borehole Log Photos (if available).</p>	<p>Attached to this Addendum.</p>
15	<p>Please may you send us the below documents as well: Volume 6: Materials investigation and utilisation. Volume 7: Environmental Management Plan Report. We also require the concrete specifications as [sic] aswell if not in the above Volumes.</p>	<p>Volume 6 and Volume 7 are Attached to this Addendum. Concrete specifications are contained in the tender document. Refer to Section C3 of the Tender Document, COTO and the Pricing Schedule.</p>
16	<p>I am writing to request clarification regarding the issued set of drawings. Upon review, we have identified several missing items required.:</p> <ul style="list-style-type: none"> • Parapet, Handrail and Coping Reinforcement detail: While listed on the drawing register, these were not included in the set. • Beam Reinforcement detail and bending schedule are also not included in the drawings at hand. 	<p>All the reinforcement details and bending schedules are attached to this Addendum.</p>
