3.9 Basic Compliance	Basic compliance for this invitation to tender are: <div><div>1.</div><div>Meet the eligibility criteria for a tenderer</div></div> <div><div>2.</div><div>Submit one (1) hard copy of the original tender to Eskom</div></div> <div><div>3.</div><div>Submit a complete original tender with commercial, financial and technical information</div></div> <div><div>4.</div><div>Submission of the mandatory commercial tender returnables as at stipulated deadlines.</div></div> <div><div>5.</div><div>Central Supplier Database (CSD) number (MAA.....)</div></div>		
3.10 Mandatory tender returnables	A tenderer that does not submit mandatory documents/information required in mandatory documents by the required deadlines as stipulated in the Tender Returnable section of the respective Invitation to Tender; will be deemed non-responsive.		
3.13 Functionality requirements	Functionality / Technical Requirements are applicable. Tenderers who do not meet the threshold for functionality scoring will be disqualified and not be evaluated further. The technical evaluation threshold is 70%		
A weighted score-card approach is used to evaluate the technical compliance of tenders against the technical specification. Tenders need to have a minimum weighted score of 70% to technically qualify for further evaluation. The evaluation of the tender submission will be based on the tender's ability to meet the technical requirements. Mandatory Technical Evaluation Criteria (gatekeepers) are 'must meet' criteria. These criteria shall not be weighted or scored any points but shall be assessed on a Yes/No basis as to whether or not the criteria are met. An assessment of 'No' against any criteria shall technically disqualify the tender and further evaluation against the Qualitative Criteria will therefore not be performed. Qualitative Technical Evaluation Criteria is a weighted evaluation used to identify the highest technically ranked tender after determining that all the Mandatory Evaluation Criteria have been met. The Qualitative Evaluation Criteria are weighted to reflect the relevant importance of each criterion. The minimum weighted final score (threshold) required for the tender to be consider from the technical perspective is 70%.			
	Mandatory Technical Criteria Description	Reference to Technical Specification / Tender Returnable	Motivation for use of Criteria
1.	Contractor to have a proven track record in building operator training simulators for thermal power stations. Contractor to further prove they possess the necessary inhouse skills to perform this work and that the core functions will not be contracted out.	<div><div>1.</div><div>Provide evidence of a minimum of 2 completed operator training simulators for OCGT, CCGT, Coal, Nuclear or CSP power stations.</div></div> <div><div>2.</div><div>Provide proof that the Contractor possesses the inhouse skills to build the required simulator. The Contractor must show the relevant simulator project experience of technical personnel and include academic achievements obtained.</div></div>	To ensure that only Contractors with the required track record, experience and expertise are considered for the tender. In addition, the track record, experience and expertise must lie with the Contractor itself, thereby ensuring that Eskom deals directly with the Contractor that will perform the core work.

ANNEXURE C

INTEGRITY DECLARATION FORM

Note: This returnable is required to be fully completed, signed and submitted by tenderers at the stipulated deadlines.

DECLARATION OF INTEREST

I/We understand that any natural/legal person, including employees of the State and/or those related to an Eskom employee/director (as per the definition of “related” set out hereunder), may tender to Eskom. However, in view of possible allegations of favouritism (the practice of showing favour to, or giving preference to some person/group, to the detriment of, or at the expense of another that is entitled to equal treatment or an equal opportunity), should the resulting tender, or part thereof, be awarded to such natural/legal person, as described herein, it is required that the *tenderer/s* declare such interest/relationship where:-

1. the *tenderer/s* employees/directors are also employees/contractors/consultants/ directors in the state or a state owned entity.
2. the *tenderer/s* employees/directors are also employees/contractors/consultants/ directors of Eskom
3. the *tenderer/s* employees/directors are also employees/contractors/consultants or directors in another entity together with Eskom employees/consultants/contractors/ directors
4. the *legal person/s (including its employees/contractors/directors/members/ shareholders)* on whose behalf the tender documents are signed, is in some other way “related” to an Eskom employee/contractor/consultant/director involved in the tender evaluation/tender adjudication/tender negotiation. “Related” meaning that:-
 1. an individual is related to another individual if they are married, or live together in a relationship similar to marriage;
 2. or are separated by no more than two degrees of natural or adopted consanguinity or affinity;
 3. an individual is related to a juristic person if the individual directly or indirectly controls the juristic person, as determined in accordance with the definition of “control” (as per Companies Act section 2(1)) ; and

1.a juristic person is “related” to another juristic person if:-

1. either of them directly/indirectly controls the other, or the business of the other, as determined in accordance with the definition of “control” (as per Companies Act section 2(1));
2. either is a subsidiary of the other; or
3. a person directly/indirectly controls each of them, or the business of each of them, as determined in accordance with the definition of “control”
5. the *tenderer/s* and one or more of the *tenderers* in this tendering/RFP process have a controlling partner in common, or a relationship with each other, directly or through common third parties, that puts them in a position to have access to information about or influence on the tender/proposal of another tenderer, or influence the decisions of Eskom regarding this bidding process;

To give effect to the provisions above, please complete the table hereunder with all required information.
