1. BACKGROUND

A network of local offices is maintained by the Electoral Commission in two hundred and thirteen (213) municipalities throughout the country.

Local offices are responsible for implementing electoral related projects and programmes at a municipal level and also serve as a distribution point to voting stations during an election period.

However, the Electoral Commission has embarked on a competitive (tender) procurement process to establish/maintain its physical footprint in the Mtubatuba area.

The Electoral Commission is desirous to lease commercial (not in an industrial area) office space located within Mtubatuba municipal area and therefore invites interested property companies/property developers to submit written proposals related to this requirement.

Greenfield projects (that is still to be built on a vacant piece of land) may be suitable. However, the Electoral Commission reserves the right to choose a green fields project and will only consider such an option within operational and budgetary considerations (for example if the building can be constructed and commissioned to the required specifications within an acceptable timeframe).

2. BID REQUIREMENTS

- 2.1 Bidders are required to submit a company profile that describes the nature of the organisation and its normal business activities with details of track record and experience relating to the leasing and/or development of commercial (not industrial) property. Please note that less than two (2) years' experience is considered unacceptable.
- 2.2 Bidders must submit written proposals which sufficiently address the office space requirements, as indicated in the detailed specifications stipulated herein (section 4) and, if possible, should include a floor plan of the proposed site.
- 2.3 In addition to the above, bidders are required to submit information as called for in Section 3.9 (lease agreement) and Section 5 (Rental and Cost) schedules of the bid specifications.
- 2.4 This information will be used in the evaluation and adjudication of the bid and the Electoral Commission will not request additional information for evaluation purposes in the event of the bidder's failure to include essential material. Bid responses will be evaluated as submitted.
- 2.5 The Electoral Commission does, however, reserve the right to verify the information provided. If information is found to be factually incorrect, misrepresented or is not provided, the bidder's proposal may be disqualified.
- 2.6 Where consortiums or joint ventures submit a response or where subcontractors are included in the response, full details must be provided of all the partners/participants and the letters of agreement of all the partners should be included with the bid submission. The approved service provider(s) shall be obliged to inform the Electoral Commission about all changes in nominated partners/participants during the course of the contract and the Electoral Commission reserves the right to cancel the contract should the Electoral Commission consider any of the changes as operationally or materially significant.

3. GENERAL SPECIFICATIONS

3.1 Objectives

The Electoral Commission does not invest in permanent local offices and therefore requires the leasing of suitable office accommodation.

The Electoral Commission desires to lease a local office that can meet its operational requirements at a municipal level in Mtubatuba. The local office is an operational and administration point that is primarily involved in the delivery of election programmes on a municipal level.

During an election period it also serves as a channel to receive electoral materials, keep stock of electoral materials, pick and pack electoral materials for distribution to voting stations.

Suitable office accommodation at a municipal level is essential for the successful delivery of elections and should fulfill the following minimum requirements:

- 3.1.1 Based on the Electoral Commission's needs determination and space planning assessment guidelines to ensure operational functionality at a municipal level, the required local office Gross Lettable (Rentable) Area (GLA) as provided for by the South African Property Owners Association (SAPOA) should be 173m² with a permissible variance of 10% larger (190m²) or smaller (155m²). Gross Lettable Area is more commonly known in commercial real estate (CRE) terms by its abbreviation GLA.

It is generally comprised of office, warehouse, factory, or shops. This is the space that a commercial property landlord bases his rent and expenses charges to a tenant on. It is normally expressed as m².

The required local office Gross Lettable (Rentable) Area (GLA) must provide for the following basic requirements:

- Minimum of five (5) lockable offices [single occupant per office]
- One (1) open plan lockable office [multiple occupants]
- A boardroom
- Ablution facilities
- Kitchen area
- Lockable storage area
- Lockable equipment room

- 3.1.2 The office space should be easily accessible from public transport and main roads.
- 3.1.3 There should be adequate telecommunication infrastructure in the area to provide the local office with telephone, fax and data lines.
- 3.1.4 The office space should have sufficient water supply.
- 3.1.5 There should be sufficient uniform lighting in all areas of the office space.
- 3.1.6 The office space should be equipped with a separate kitchen area that has a sink with cold and hot water taps not leading into ablution areas.
- 3.1.7 The office space should have appropriate flooring (e.g. tiled, wooden laminated, vinyl or carpeted floors).
- 3.1.8 The office space should have air conditioning in the work station areas.
- 3.1.9 The office space should have stable 220V power for the utilisation of electronic equipment such as computers, photocopiers, fax machines and other electronic goods and appliances. Though reliance is placed on Eskom power bidders are encouraged to provide back-up power such as a generator or solar power to ensure continuous functioning of essential equipment.
- 3.1.10 The office space should be fitted with related fire protection systems as Occupational Health and Safety Act.
- 3.1.11 The office space on offer should provide for seven (7) safe parking spaces.
- 3.1.12 The office space should have burglar bars on the windows and entrance/exit doors.
- 3.1.13 The office space should have a burglar alarm system linked to armed response.
- 3.1.14 The office space on offer should be ready for occupation within three (3) calendar months from closure of the bid.
- 3.1.15 The office space on offer should be covered for both liability and property insurance and proof thereof must be submitted as part of the bidder's submission. The Electoral Commission is not liable for the payment of any such insurance cover.
- 3.1.16 The bidder is liable for maintenance cost.

3.2 Duration of the Contract

The duration of the lease will be for a period of eight (8) years.

3.3 Documentation for Payment

Invoices shall be submitted monthly by the landlord for payment. Such invoices should reflect a clear breakdown of costs, for example:

- Rental amount
- Operating Cost
- Electricity Charge
- Water charge
- Refuse removal charge

3.4 Exclusivity of Contract

The successful Bidder will be considered as the "Preferred Supplier" and will not have exclusive rights to the decisions made by the Electoral Commission. It remains the right of the Electoral Commission to lease additional premises from alternative suppliers as and when deemed necessary for the continuity of effective operation.

The Electoral Commission is and, therefore, shall remain the owners of all goods located at the local office and as such; the Electoral Commission shall be entitled to enforce any rights that it may have in law, arising out of its ownership of the goods.

3.6 Security and Integrity Requirements

Bidder(s) may be subjected to security vetting requirements at the discretion of the Electoral Commission, prior to award of this bid.

3.7 Confidentiality and Security During the Contract

No information or private knowledge gained by the service provider or its agents during the course of the contract may be divulged to outside parties.

Any requests received for such information must be directed to the Chief Information Officer of the Electoral Commission.

No materials or equipment belonging to the Electoral Commission may be removed from the local office by the service provider or its agents during the course of the contract.

3.8 Conclusion of Lease Agreement

- The lease agreement shall formalise lease requirements and contractual obligations.
- The lease agreement shall conform to the terms, conditions and specifications of this bid.

3.9 Proposed Lease Agreement

For purposes of fair and standardised property administration the Electoral Commission proposes that the bidders consider the Electoral Commission's generic local office lease agreement as provided on the Electoral Commission's eProcurement website.

If the generic lease agreement is considered unsuitable bidders are requested to submit a proposed lease agreement – if available.
