# Evaluation Process

Rand Water conducts a two stage evaluation process for all bids, intending to provide services or goods to the organization as follows:

- First part of the evaluation process is the functionality evaluation (**Technical part of the tender document**).
- All bids evaluated at this stage must achieve a minimum of 60% scoring.
- Below 60 % will not be considered to second stage of the evaluation.
- Rand Water shall then apply the objective criteria in accordance with the PPPFA that will determine the evaluation outcome
- Part of the functionality evaluation Rand Water also uses a Financial Tolerance Range
- Award is then based on the preferential point system.
- **NB:** award based on quality of submission not reputation
