25 Independent Tendering

26 For the purposes of that Certificate in relation to any submitted Tender, the Tenderer declares to fully understand that the word “competitor” shall include any individual or organisation, other than the Tenderer, whether or not affiliated with the Tenderer, who:

- A) HAS BEEN REQUESTED TO SUBMIT A TENDER IN RESPONSE TO THIS TENDER INVITATION;
- B) COULD POTENTIALLY SUBMIT A TENDER IN RESPONSE TO THIS TENDER INVITATION, BASED ON THEIR QUALIFICATIONS, ABILITIES OR EXPERIENCE; AND
- C) PROVIDES THE SAME GOODS AND SERVICES AS THE TENDERER AND/OR IS IN THE SAME LINE OF BUSINESS AS THE TENDERER.

27 The Tenderer has arrived at his submitted Tender independently from, and without consultation, communication, agreement or arrangement with any competitor. However communication between partners in a joint venture or consortium will not be construed as collusive tendering.

28 In particular, without limiting the generality of paragraph 5 above, there has been no consultation, communication, agreement or arrangement with any competitor regarding:

- A) PRICES;
- B) GEOGRAPHICAL AREA WHERE GOODS OR SERVICES WILL BE RENDERED [MARKET ALLOCATION];
- C) METHODS, FACTORS OR FORMULAS USED TO CALCULATE PRICES;
- D) THE INTENTION OR DECISION TO SUBMIT OR NOT TO SUBMIT, A TENDER;
- E) THE SUBMISSION OF A TENDER WHICH DOES NOT MEET THE SPECIFICATIONS AND CONDITIONS OF THE RFP; OR
- F) TENDERING WITH THE INTENTION OF NOT WINNING THE TENDER.

29 In addition, there have been no consultations, communications, agreements or arrangements with any competitor regarding the quality, quantity, specifications and conditions or delivery particulars of the Goods or Services to which his/her tender relates.

30 The terms of the Tender as submitted have not been, and will not be, disclosed by the Tenderer, directly or indirectly, to any competitor, prior to the date and time of the official Tender opening or of the awarding of the contract.

31 Tenderers are aware that, in addition and without prejudice to any other remedy provided to combat any restrictive practices related to Tenders and contracts, Tenders that are suspicious will be reported to the Competition Commission for investigation and possible imposition of administrative penalties in terms of section 59 of the Competition Act No 89 of 1998 and/or may be reported to the National Prosecuting Authority [NPA] for criminal investigation and/or may be restricted from conducting business with the public sector for a period not exceeding 10 [ten] years in terms of the Prevention and Combating of Corrupt Activities Act No 12 of 2004 or any other applicable legislation.

32 Should the Tenderer find any terms or conditions stipulated in any of the relevant documents quoted in the Tender unacceptable, it should indicate which conditions are unacceptable and offer alternatives by written submission on its company letterhead, attached to its submitted Tender. Any such submission shall be subject to review by Transnet's Legal Counsel who shall determine whether the proposed alternative(s) are acceptable or otherwise, as the case may be.

33 Disqualification from Tendering Process

34 If the Tenderer/Service Provider/Contractor has committed a transgression through a violation of section 3 of this Integrity Pact or in any other form such as to put its reliability or credibility as a Tenderer/Service Provider/Contractor into question, Transnet may reject the Tenderer's / Service Provider's / Contractor's application from the registration or tendering process and remove the Tenderer/Service Provider/Contractor from its database, if already registered.

35 If the Tenderer/Service Provider/Contractor has committed a transgression through a violation of section 3, or any material violation, such as to put its reliability or credibility into question. Transnet may after following due procedures and at its own discretion also exclude the Tenderer/Service Provider /Contractor from future tendering processes. The imposition and duration of the exclusion will be determined by the severity of the transgression. The severity will be determined by the circumstances of the case, which will include amongst others the number of transgressions, the position of the transgressors within the company hierarchy of the Tenderer/Service Provider/Contractor and the amount of the damage. The exclusion will be imposed for up to a maximum of 10 (ten) years. However, Transnet reserves the right to impose a longer period of exclusion, depending on the gravity of the misconduct.

36 If the Tenderer/Service Provider/Contractor can prove that it has restored the damage caused by it and has installed a suitable corruption prevention system, or taken other remedial measures as the circumstances of the case may require, Transnet may at its own discretion revoke the exclusion or suspend the imposed penalty.

37 TRANSNET'S LIST OF EXCLUDED TENDERERS (BLACKLIST)

38 The process of restriction is used to exclude a company/person from conducting future business with Transnet and other organs of state for a specified period. No Tender shall be awarded to a Tenderer whose name (or any of its members, directors, partners or trustees) appear on the Register of Tender Defaulters kept by National Treasury, or who have been placed on National Treasury's List of Restricted Suppliers. Transnet reserves the right to withdraw an award, or cancel a contract concluded with a Tenderer should it be established, at any time, that a tenderer has been restricted with National Treasury by another government institution.

39 All the stipulations on Transnet's restriction process as laid down in Transnet's Supply Chain Policy and Procurement Procedures Manual (CPM included) are included herein by way of reference. Below follows a condensed summary of this restriction procedure.

40 On completion of the restriction procedure, Transnet will submit the restricted entity's details (including the identity number of the individuals and registration number of the entity) to National Treasury for placement on National Treasury's Database of Restricted Suppliers for the specified period of exclusion. National Treasury will make the final decision on whether to restrict an entity from doing business with any organ of state for a period not exceeding 10 years and place the entity concerned on the Database of Restricted Suppliers published on its official website.

41 The decision to restrict is based on one of the grounds for restriction. The standard of proof to commence the restriction process is whether a "*prima facie*" (i.e. on the face of it) case has been established.

42 Depending on the seriousness of the misconduct and the strategic importance of the Goods/Services, in addition to restricting a company/person from future business, Transnet may decide to terminate some or all existing contracts with the company/person as well.

43 A Service Provider or Contractor to Transnet may not subcontract any portion of the contract to a blacklisted company.

44 Grounds for blacklisting include: If any person/Enterprise which has submitted a Tender, concluded a contract, or, in the capacity of agent or subcontractor, has been associated with such Tender or contract:

- A) HAS, IN BAD FAITH, WITHDRAWN SUCH TENDER AFTER THE ADVERTISED CLOSING DATE AND TIME FOR THE RECEIPT OF TENDERS;
- B) HAS, AFTER BEING NOTIFIED OF THE ACCEPTANCE OF HIS TENDER, FAILED OR REFUSED TO SIGN A CONTRACT WHEN CALLED UPON TO DO SO IN TERMS OF ANY CONDITION FORMING PART OF THE TENDER DOCUMENTS;

- D) HAS OFFERED, PROMISED OR GIVEN A BRIBE IN RELATION TO THE OBTAINING OR EXECUTION OF THE CONTRACT;
- E) HAS ACTED IN A FRAUDULENT OR IMPROPER MANNER OR IN BAD FAITH TOWARDS TRANSNET OR ANY GOVERNMENT DEPARTMENT OR TOWARDS ANY PUBLIC BODY, ENTERPRISE OR PERSON;
- F) HAS MADE ANY INCORRECT STATEMENT IN A CERTIFICATE OR OTHER COMMUNICATION WITH REGARD TO THE LOCAL CONTENT OF HIS GOODS OR HIS B-BBEE STATUS AND IS UNABLE TO PROVE TO THE SATISFACTION OF TRANSNET THAT:
 - (i) he made the statement in good faith honestly believing it to be correct; and
 - (ii) before making such statement he took all reasonable steps to satisfy himself of its correctness;

-
- G) CAUSED TRANSNET DAMAGE, OR TO INCUR COSTS IN ORDER TO MEET THE CONTRACTOR'S REQUIREMENTS AND WHICH COULD NOT BE RECOVERED FROM THE CONTRACTOR;
H) HAS LITIGATED AGAINST TRANSNET IN BAD FAITH.

45 **Grounds for blacklisting include a company/person recorded as being a company or person prohibited from doing business with the public sector on National Treasury's database of Restricted Service Providers or Register of Tender Defaulters.**

46 **Companies associated with the person/s guilty of misconduct (i.e. entities owned, controlled or managed by such persons), any companies subsequently formed by the person(s) guilty of the misconduct and/or an existing company where such person(s) acquires a controlling stake may be considered for blacklisting. The decision to extend the blacklist to associated companies will be at the sole discretion of Transnet.**

47 **Previous Transgressions**

48 **The Tenderer/Service Provider/Contractor hereby declares that no previous transgressions resulting in a serious breach of any law, including but not limited to, corruption, fraud, theft, extortion and contraventions of the Competition Act 89 of 1998, which occurred in the last 5 (five) years with any other public sector undertaking, government department or private sector company that could justify its exclusion from its registration on the Tenderer's/Service Provider's/Contractor's database or any tendering process.**

49 **If it is found to be that the Tenderer/Service Provider/Contractor made an incorrect statement on this subject, the Tenderer/Service Provider/Contractor can be rejected from the registration process or removed from the Tenderer/ Service Provider/Contractor database, if already registered, for such reason (refer to the Breach of Law Returnable Form contained in the document.)**

50 **Sanctions for Violations**

51 **Transnet shall also take all or any one of the following actions, wherever required to:**

- b) Immediately cancel the contract, if already awarded or signed, without giving any compensation to the Tenderer/Service Provider/Contractor;
- c) Recover all sums already paid by Transnet;
- d) Encash the advance bank guarantee and performance bond or warranty bond, if furnished by the Tenderer/Service Provider/Contractor, in order to recover the payments, already made by Transnet, along with interest;
- e) Cancel all or any other contracts with the Tenderer/Service Provider/Contractor; and
- f) Exclude the Tenderer/ Service Provider/Contractor from entering into any Tender with Transnet in future.

53 A conflict of interest includes, inter alia, a situation in which:

- a) A Transnet employee has a personal financial interest in a tendering / supplying entity; and
- b) A Transnet employee has private interests or personal considerations or has an affiliation or a relationship which affects, or may affect, or may be perceived to affect his / her judgment in action in the best interest of Transnet, or could affect the employee's motivations for acting in a particular manner, or which could result in, or be perceived as favouritism or nepotism.

54 A Transnet employee uses his / her position, or privileges or information obtained while acting in the capacity as an employee for:

- a) Private gain or advancement; or
- b) The expectation of private gain, or advancement, or any other advantage accruing to the employee must be declared in a prescribed form.

Thus, conflicts of interest of any Tender committee member or any person involved in the sourcing process must be declared in a prescribed form.

55 If a Tenderer/Service Provider/Contractor has or becomes aware of a conflict of interest i.e. a family, business and / or social relationship between its owner(s)/ member(s)/director(s)/partner(s)/shareholder(s) and a Transnet employee/ member of Transnet's Board of Directors in respect of a Tender which will be considered for the Tender process, the Tenderer/Service Provider/ Contractor:

- a) must disclose the interest and its general nature, in the Request for Proposal ("RFX") declaration form; or
- b) must notify Transnet immediately in writing once the circumstances has arisen.

56 The Tenderer/Service Provider/Contractor shall not lend to or borrow any money from or enter into any monetary dealings or transactions, directly or indirectly, with any committee member or any person involved in the sourcing process, where this is done, Transnet shall be entitled forthwith to rescind the contract and all other contracts with the Tenderer/Service Provider/Contractor.

57 Dispute Resolution

58 Transnet recognises that trust and good faith are pivotal to its relationship with its Tenderer / Service Provider / Contractor. When a dispute arises between Transnet and its Tenderer / Service Provider / Contractor, the parties should use their best endeavours to resolve the dispute in an amicable manner, whenever possible. Litigation in bad faith negates the principles of trust and good faith on which commercial relationships are based. Accordingly, following a blacklisting process as mentioned in paragraph 37 above, Transnet will not do business with a company that litigates against it in bad faith or is involved in any action that reflects bad faith on its part. Litigation in bad faith includes, but is not limited to the following instances:

- a) **Vexatious proceedings:** these are frivolous proceedings which have been instituted without proper grounds;
- b) **Perjury:** where a Tenderer / Service Provider / Contractor make a false statement either in giving evidence or on an affidavit;

- d) **Abuse of court process:** when a Tenderer / Service Provider / Contractor abuses the court process in order to gain a competitive advantage during a Tender process.

59 General

60 This Integrity Pact is governed by and interpreted in accordance with the laws of the Republic of South Africa.

61 The actions stipulated in this Integrity Pact are without prejudice to any other legal action that may follow in accordance with the provisions of the law relating to any civil or criminal proceedings.

62 The validity of this Integrity Pact shall cover all the tendering processes and will be valid for an indefinite period unless cancelled by either Party.

63 Should one or several provisions of this Integrity Pact turn out to be invalid the remainder of this Integrity Pact remains valid.

64 Should a Tenderer/Service Provider/Contractor be confronted with dishonest, fraudulent or corruptive behaviour of one or more Transnet employees, Transnet expects its Tenderer/Service Provider/Contractor to report this behaviour directly to a senior Transnet official/employee or alternatively by using Transnet's "Tip-Off Anonymous" hotline number 0800 003 056, whereby your confidentiality is guaranteed.

Scope of Work

Introduction

The Locomotive Business – Saldanha, provides a 24/7 maintenance support function to TFR on the Iron-Ore corridor locomotive fleet for both Class 43 diesel and Class 15E electrical locos. It is imperative that the stringent reliability and availability targets for TE are met at all times to achieve overall Transnet tonnage movement targets.

There are 2 x 80-ton overhead hoist cranes installed at the Diesel Locomotive workshop spanning roads 17, 18 and 19. The cranes provide the Locomotive business with the required capacity to conduct tandem daily lifting operations of locomotive bodies, to conduct bogie and wheel change outs to the locomotive fleet, and various other lifting operations.

The workshop is also equipped with 2 x 20/5-ton cranes (spanning roads 19A and 19B) and 1 x 70/10ton crane (spanning roads 17,18,19), which are used for general lifting requirements of components from locomotives.

Problem Definition

2 x 80 Ton Cranes:

The cranes are in daily operation and are in critical need of upgrading to extend the lifespan of the equipment. Tandem lifting operations has become problematic for the business as result of faulty electrical units. This adversely affects the speeds of the cranes when hoisting/lowering, causing the load to move unevenly and is a serious safety hazard.

There is also evidence of surface rust formations on the main girders. Left unattended, such rust formation can further penetrate the steel leading to the deterioration of structural integrity with potential disastrous consequences.

2 x 20/5-ton cranes:

The 5-ton hoists on these cranes are faulty and require to be fully upgraded including the cross and long travels as well the long travel gearboxes.

1 x 70/10-ton crane:

The 10-ton hoist is faulty and requires upgrade including the cross and long travels.

Long Travel Tracks:

The alignment of long travels tracks in these workshops need to be laser aligned checked and re-aligned as required to ensure accurate alignment with allowed tolerances.

The cranes in this environment are in daily operation. In recent years the cranes are frequently requiring maintenance repairs due to breakdowns. Such breakdowns negatively impact on production efficiencies and poses safety risks to both employees and Transnet assets.

Site location

This site where the cranes are located is at TE's Locomotive Business, Diesel Workshop at Salkor Plant. Orex Road, between Vredenburg and Saldanha, Western Cape Province.
