ENVIRONMENTAL MANAGEMENT PLAN GUIDELINES FOR PORT USERS & TENANTS

INTRODUCTION

An Environmental Management Plan (EMP) is a tool that can be used to provide the assurance that an organization or entity is aware of the environmental impacts that arise from its operations and has developed plans to mitigate negative impacts. The EMP provides a description of the methods and procedures for mitigating and monitoring impacts. The EMP also contains environmental objectives and targets that the organization or entity needs to achieve in order to reduce or eliminate negative impacts. An EMP, coupled with proper implementation and monitoring, may result in improved environmental performance.

PURPOSE

This document aims to provide an introduction on the purpose, objectives, and content of EMPs. EMPs must outline the environmental impacts resulting from operations, the proposed mitigation measures as well as the roles and responsibilities associated with implementation of the EMP. An EMP should also take into consideration the legal obligations related to the organization or entity's operations.

EMP GUIDELINES

There is no universally accepted standard format for EMPs, however the format needs to be fit for the intended purpose. Circumstances in which the EMP is being developed and the requirements that it is designed to meet. These guidelines aim to provide guidance to all Port users and Tenants operating with Port Limits in developing environmental management plans that speak to their specific operations.

According to the World Bank (1999) EMP should contain the following components

An overview of the responsibilities of the organization/entity relating to environmental management policies and guidelines.

1. A summary of the predicted positive and negative impacts associated with operations
2. The environmental management objectives and targets to enhance the benefits and minimize adverse environmental impacts.

3. A detailed description of the actions required to achieve the objectives including how by whom, by when what resources are required, and what monitoring measures will be implemented.
4. Clearly outline the roles and responsibilities, communication, and reporting processes required for the implementation of the EMP. The EMP must specify responsibilities for the range of actions specified in the EMP.
5. Address applicable legislative requirements for operations

Compliance with environmental legal requirements is an essential aspect of the EMP as the relevant legal requirements must consider the requirements of national, provincial, or local government. Failure to meet legal environmental requirements could result in severe environmental degradation and or transgressions with penalties.

EMP IMPLEMENTATION

Training and environmental awareness are key to the effective implementation of the EMP. All personnel must be trained on the requirements of the EMP and made to fully understand their specific roles and responsibilities. This can result in the reduction of environmental incidents and may improve environmental compliance. This can be achieved through conducting induction for all new employees, scheduling regular awareness sessions, conducting daily toolbox talks, newsflashes, emails, and other applicable internal communication methods.

SUBMISSION OF EMP TO TNPA

The EMP must be submitted for Approval to TNPA 30 days prior to the commencement of the Lease Agreement

SUGGESTED EMP CONTENT (not limited to)

- A. Name of the Organisation/ Entity
- B. Detailed description/scope of the operations of the organization/ entity, this must include equipment and method statements.
- C. Location of business operations within port limits

- D. A detailed list of positive and negative impacts associated with operations with suitable controls and mitigation measures in relation to natural resources e.g., waste, water resources, land, air quality, plants, and animals (where applicable)

13 RENTAL REVIEW

- 13.1 In the event that a Rental Period is applicable, the Parties agree that, 6 (six) months prior to the expiry of any Rental Review Period, they shall meet and endeavour to agree upon the Rental and Escalation Rate that will apply in that Rental Review Period. In the event that the Lessee is not forthcoming and/or delays and/or refuses to participate in such process and continues to do so for a period of 21 days from the initial request by the Lessor to participate in the Rental Review process, then the Rental and Escalation rate for such period as determined by the Lessor shall be final and binding upon the Lessee.
- 13.2 Should the Parties not be able to agree upon the Rental and Escalation Rate in terms of clause 13.1 above, the Rental and Escalation Rate shall be determined by a registered Transnet approved valuer or a valuer registered with the South African Council for the Property Valuers Profession ("**SACPVP**"), which shall be determined at the sole discretion of the Lessor.
- 13.3 In the event that the dispute is referred to the SACPVP, the Council shall provide 3 (three) names of Valuers, each of at least 10 (ten) years standing who are registered with the SACPVP and have been practising in the same locality as the Leased Premises, for the purposes of determining the Rental and Escalation Rate. The Parties would then need to agree on which one of the three Valuers to select. If the parties are unable to agree on which of the 3 (three) valuers to select, then such determination shall be made at the sole discretion of the Lessor.

- 13.4 Forthwith following the appointment of the SACPVP Valuer, each Party shall submit a written Rental estimate and a written Escalation Rate (both of which shall not be lower than the current rental and Escalation Rate) estimate to such valuer, together with any information supporting such estimate.
- 13.5 The SACPVP Valuer will act as an expert (and not as an arbitrator) and, within 30 (thirty) days after being appointed, will determine the Rental and the Escalation Rate for the Leased Premises for the relevant Rental Review Period, which determination shall be reduced to writing and shall be binding upon the parties.
- 13.6 The costs of the SACPVP Valuer shall be borne equally by the Parties.
- 13.7 Notwithstanding anything to the contrary contained in this Lease Agreement, pending the determination of the Rental and the Escalation Rate applicable during any Rental Review Period, the Lessee shall continue to pay Rental equal to the Rental which prevailed in the month immediately prior to the dispute referred to in this clause 13 arising, escalated at the Escalation Rate stipulated in *Annexure "A"* until such determination is made. Thereafter, if applicable, the Lessee shall on demand pay any additional amount it would have had to pay in respect of the period from the date of the dispute arising to the end of the month during which the determination is made.
- 13.8 For the sake of clarity, the Rental payable during any period after a dispute has been declared in terms of this clause 13, shall not at any stage be less than the Rental payable prior to such dispute arising.
- 13.9 Any Rental and Escalation Rate determination in terms of this clause 13 shall, in the absence of manifest error, be final and binding on the Parties and shall apply until the next Rental Review Period, if applicable. In addition, the Lessee shall increase the amount of its Deposit in proportion to the increase in Rental, forthwith following the date of determination of such Rental, the Periodic Deposit.

- 14.1 The Lessee shall pay the following additional charges to the Lessor:

The Lessee shall, in addition, be responsible for any excess payable in respect of a claim that may arise in respect of any insurance policy taken out by the Lessor in this regard.
- 31.6 The Lessee shall pay for electricity in accordance with its consumption as measured by the electricity meter/s installed at the Leased Premises and at the prevailing rates and tariffs applicable from time to time. Should the Leased Premises not have a separate meter and should the Lessee request the installation of a separate meter or should the Lessor deem it necessary to install a separate meter, the installation costs and all other costs associated with the installation of such meter shall be paid by the Lessee.
- 31.7 If either Party to this Lease Agreement has reason to doubt the accuracy of any meter reading, it shall be entitled to request that the meter be tested. If it is found that the meter is registering correctly, the cost of such test shall be borne by the Party who requested the test to be carried out. For the purpose of this clause 31 the meter shall be deemed to be registering correctly if the relevant meter readings are accurate within a 5% (five percent) tolerance.
- 31.8 If it is found that the meter is registering incorrectly it shall be assumed that the fault only arose after the last meter reading and the Lessee's account will not be retrospectively adjusted.

- 31.9 The meter/s recording the electricity consumed in accordance with this Lease Agreement shall be read by an authorised representative of the Lessor, and shall take place at such intervals as may be deemed appropriate by the Lessor. Where the readings are not done monthly the Lessee will be provided with an account based on its estimated consumption, with such account being adjusted from time to time on the basis of actual consumption.
- 31.10 The meter/s shall be sealed by an authorised representative of the Lessor. If any unauthorised person interferes with such seals, the Lessor shall have the right to disconnect and withhold the electricity supply until such time as the installation is inspected for defects.
- 31.11 The Lessor reserves the right to reasonably amend the rates and tariffs applicable to the supply of electricity from time to time, provided that the Lessee is given 1 (one) calendar month written notice to this effect and provided that the amended rates and tariffs are within the rates and tariffs set by the relevant authority.
- 31.12 The Lessee shall not interfere or cause any interruption in the electricity supply to any adjacent premises.
- 31.13 Should there be no meter installed to register the electricity consumed by the Lessee, the Lessor shall charge the Lessee its Pro-Rata Share of the costs of electricity consumed within the Property.
- 31.14 The Rental in relation to the Leased Premises shall be inclusive of the Pro-Rata share costs of electricity consumed until such time as a separate meter is installed.

32 SUPPLY OF WATER BY THE LESSOR

- 32.1 In the event that the Lessor supplies water in terms of clause 30.4 above, the Lessor shall endeavour to maintain an efficient and continuous water supply, but does not guarantee continuity of supply and the Lessee acknowledges that interruptions may take place at any time without prior notice to the Lessee.
- 32.2 The Lessor shall not be liable for any failure or accident or damage that may be caused or sustained directly or indirectly by reason of such failure or generally in relation to supply by the Lessor of water.
- 32.3 The water supply supplied by the Lessor may only be used by the Lessee for its own purposes and in relation to the Leased Premises. The Lessee uses the water at its own risk and the Lessor is not responsible should the quality of the water deteriorate, the pressure weakens or become unsuitable for human consumption.

- 32.4 The Lessee shall pay for water in accordance with its consumption as measured by the water meter/s installed at the Leased Premises and at the prevailing rates and tariffs applicable from time to time. Should the Leased Premises not have a separate meter and should the Lessee request the installation of a separate meter or should the Lessor deem it necessary to install a separate meter, the installation costs and all other costs associated with the installation of such meter shall be paid by the Lessee on demand.
- 32.5 In the event of any meter at any time registering incorrectly or ceasing to register at all, the consumption of water shall for the period during which the meter was registering incorrectly or not registering, be based on the average consumption recorded for the 3 (three) preceding months.
- 32.6 If it is found that the meter is registering incorrectly or ceasing to register at all, the consumption of water for the period during which the meter was registering incorrectly or not registering, shall be based on the average consumption recorded for the 3 (three) preceding months.
- 32.7 If it is found that the meter is registering incorrectly it shall be assumed that the fault only arose after the last meter reading and the Lessee's account will not be retrospectively adjusted.
- 32.8 If either Party to this Lease Agreement at any time has reason to doubt the accuracy of the meter readings, it shall be entitled to request that the meter be tested. If it is found that the meter is registering correctly, the cost of such a test shall be borne by the Party who requested the test to be carried out. For the purpose of this clause 32 the meter shall be deemed to be registering correctly if the relevant meter readings are accurate within a 5% (five percent) tolerance.
- 32.9 The meter/s recording the water consumed in accordance with this Lease Agreement shall be read by an authorised representative of the Lessor, which meter readings can take place at such intervals as may be deemed appropriate by the Lessor. Where the readings are not done monthly the Lessee will be provided with an account based on its estimated consumption, with such account being adjusted from time to time on the basis of actual consumption.
- 32.10 The meter/s shall be sealed by an authorised representative of the Lessor. If any unauthorised person interferes with such seals, the Lessor shall have the right to disconnect and withhold the water supply until such time as the installation is inspected for defects.
- 32.11 The Lessor reserves the right to reasonably amend the rates and tariffs applicable to the supply of water from time to time, provided that the Lessee is given 1 (one) calendar month written notice to this effect and provided that the amended rates and tariffs are within the rates and tariffs set by the relevant authority.

- 32.12 The Lessee shall not interfere or cause any interruption in the water supply to any adjacent premises.
- 32.13 Should there be no meter installed to register the water consumed by the Lessee, the Lessor shall charge the Lessee its Pro-Rata Share of the costs of water consumed within the Property.
- 32.14 The Rental in relation to the Leased Premises shall be inclusive of the Pro-Rata Share of water consumed until such time as a separate meter is installed.

33 CESSION, SUBLETTING AND OCCUPATION

- 33.1 The Lessee shall not:
 - 33.1.1 cede, assign or delegate any of its rights or duties under this Lease Agreement;
 - 33.1.2 sublet the Leased Premises or any part thereof; or
 - 33.1.3 place anyone else in occupation of the Leased Premises or any part thereof, on any conditions whatsoever or for any reason whatsoever, without the Lessor's prior written consent, which consent will be determined by the Lessor in its sole discretion.

34 RELAXATION OR NOVATION OF LEASE AGREEMENT

No relaxation or indulgence which the Lessor may permit the Lessee shall in any way prejudice the Lessor's rights in terms of this Lease Agreement and, in particular, no acceptance by the Lessor of Rental or any other payment after due date (whether on one or more occasions), nor any other act or omission by the Lessor, including the rendering of accounts after due date, shall preclude or stop the Lessor from exercising any of its rights in terms of this Lease Agreement. Unless otherwise notified in writing by the Lessor to the Lessee, receipt of any Rental or other payment by the Lessor shall in no way whatsoever prejudice or operate as a waiver, rescission or abandonment of any cancellation effected or right of cancellation acquired prior to such receipt. The Lessor shall be entitled, in its sole discretion, to apportion any amounts received from the Lessee towards the payment of any cause, debt or amount owing by the Lessee to the Lessor.

35 INDEMNITY

- 35.1 The Lessee shall not have any right, remedy or claim of any nature whatsoever against the Lessor for any loss, damage (whether general, special or consequential), expense or injury which may be suffered by the Lessee, directly or indirectly, arising out of or relating to this Lease Agreement, irrespective of whether or not such loss, damage, expense or injury shall have been caused by the negligence of the Lessor or any person for whose acts or omissions the Lessor is vicariously liable. Without derogating from the generality of the foregoing, the Lessor shall have no liability to the Lessee in respect of any such loss, damage, expense or injury which may be suffered by the Lessee by reason of any latent or patent defect in the Leased Premises, or from any fire in or on the Leased Premises, or any theft from the Leased Premises, or by reason of the Leased Premises or any part thereof being in or falling into a defective condition or state of disrepair, or as a result of any particular repair not being effected by the Lessor either timeously or at all, or arising out of *vis major* or *casus fortuitus*, or arising out of any act of omission of any other lessee of premises of which the Leased Premises might form part or due to a change of the Leased Premises' facade, appearance or any other feature thereof, or arising in any manner whatsoever out of the use of the Leased Premises by any person.
- 35.2 The Lessee hereby indemnifies the Lessor and each of the Lessor's employees and representatives against any claim of any nature whatsoever which may be made against the Lessor or any such employee or representative by any of the Lessee's servants, employees, agents, invitees, customers, dependants and/or contractors arising out of any event or cause of any action referred to in clause 35.1 above.

36 LIMITATION OF LIABILITY

Notwithstanding any other provision contained in the Lease Agreement, the Parties agree that, in the event of the Lessor being liable to the Lessee in terms of this Lease Agreement (for any reason whatsoever) the liability of the Lessor shall be limited to no more than 3 (three) month's Rental, calculated at the time when such liability arose.

37 CHANGE IN LAW

- 37.1 Notwithstanding any other provision contained in this Lease Agreement, if the coming into force, adoption, amendment or repeal of any Law ("**Legal Event**") shall make it unlawful or impossible for the Lessor to comply with its obligations contained herein or shall result in the continuation of this Lease Agreement being economically unfeasible or imposing unreasonable hardship on the Lessor, then in each such event the Lessor shall be entitled to give the Lessee written notice ("**Specified Notice**") no later than 6 (six) months following the Legal Event, calling on the Lessee to enter into negotiations with the Lessor in terms of clause 37.2.

- 37.2 Within 7 (seven) days following receipt by the Lessee of the Specified Notice, the Parties shall meet and in good faith endeavour to negotiate terms and conditions to be included in the Lease Agreement in order to accommodate the Law concerned.
- 37.3 If, within 14 (fourteen) days following receipt by the Lessee of the Specified Notice, the Parties fail to negotiate or are otherwise unable to agree in writing on terms and conditions to accommodate the Legal Event concerned, to the satisfaction of the Lessor, this Lease Agreement shall immediately terminate and the provisions of clause 40.3 (*Termination of Lease Agreement*) shall apply *mutatis mutandis*.

38 BREACH OF CONTRACT

- 38.1 Should the Lessee:
- 38.1.1 fail to pay any amount due by the Lessee in terms of this Lease Agreement to the Lessor on due date; or
 - 38.1.2 commit any material breach of this Lease Agreement;
 - 38.1.3 commit any other breach of any term of this Lease Agreement, whether such breach goes to the root of this Lease Agreement or not, and fail to remedy that breach within a period of 7 (seven) Business Days after the giving of written notice to that effect by the Lessor; or
 - 38.1.4 commit 2 (two) or more breaches of any of the terms of this Lease Agreement (whether the same term has been breached or not), within any 3 (three) month period during the term of this Lease Agreement;
 - 38.1.5 commit any act of insolvency; or
 - 38.1.6 fail to co-operate in the BOI by not providing any information as requested by the Lessor and further failing to attend any BOI instituted or commissioned by the Lessor.
- then on the happening of any such event, the Lessor shall be entitled, without prejudice to any other rights which he may have under this Lease Agreement or at common law:
- 38.1.7 to cancel this Lease Agreement on written notice thereof to the Lessee and claim immediate repossession of the Leased Premises; or
 - 38.1.8 to remedy such breach and recover the total cost incurred by the Lessor in doing so from the Lessee, who shall be obliged to pay the amount thereof to the Lessor forthwith; or
 - 38.1.9 to treat the Lessee's tenancy thereafter as a monthly tenancy, terminable by the Lessor on 1 (one) month's prior written notice to the Lessee.

- 38.2 Should the Lessor be in breach of any of its obligations under this Lease Agreement, the Lessee shall be entitled to deliver written notice to the Lessor to rectify such breach within 10 (ten) Business Days (or such longer period as may be reasonably required) after giving written notice to that effect by the Lessee. Under no circumstances will the Lessee be able to claim cancellation of this Lease Agreement as a remedy for a breach by the Lessor. Furthermore, any claim that may be made by the Lessee against the Lessor in terms of this clause 38.2 shall be limited by the terms of clause 36 (*Limitation of Liability*) of this Lease Agreement.
- 38.3 While the Lessee remains in occupation of the Leased Premises and irrespective of any dispute between the Parties, including but not limited to, a dispute as to the Lessor's right to terminate this Lease Agreement:
- 38.3.1 the Lessee shall continue to pay all amounts due to the Lessor in terms of this Lease Agreement on the due dates for such payments;
- 38.3.2 the Lessor shall be entitled to recover and accept such payments;
- 38.3.3 the acceptance by the Lessor of such payments shall be without prejudice to and shall not in any manner whatsoever affect the Lessor's right to terminate this Lease Agreement or to any damages whatsoever; and
- 38.3.4 the Lessee shall, in addition to any other damages or compensation due, be liable for any cost incurred by the Lessor in order to find a new lessee and shall remain liable for the Rental, Operating Costs and all other charges in terms of this Lease until the new lessee's lease agreement commences.

39 INTEREST

- 39.1 Should the Lessee fail to make any payment due in terms of this Lease Agreement on or before the due date, the Lessee shall be liable for the payment of interest on the outstanding amount, compounded monthly and calculated from the due date at a rate of 100 (one hundred) basis points above the prime rate of the bank designated by the Lessor, in its sole discretion, from time to time ("**the Bank**"). The aforementioned rate shall change, from time to time, on the same date as the prime rate changes. A certificate containing details of the applicable prime rate(s) for any appropriate period, signed by a person professing to be a manager of any branch of the Bank, and submitted by the Lessor during any legal proceedings, shall be accepted as prima facie proof as to the correctness of the contents thereof by the Lessee and it agrees to the submission and admissibility of such certificate during any legal proceedings arising from this Lease Agreement.

39.2 In the event of the Lessee failing to pay any amount due to the Lessor, or committing any other breach of the terms and conditions embodied in this Lease Agreement, which results in the Lessor being obliged to instruct its legal advisors or attorneys to collect any such amount, or call upon the Lessee to rectify such breach, or to proceed against the Lessee for any reason, the Lessee hereby accepts liability for and undertakes to pay on demand to the Lessor all collection charges and other legal costs of the Lessor calculated on an attorney and own client basis.

39.3 A certificate signed by a financial manager, director, company secretary, credit manager or internal accountant of the Lessor shall be prima facie proof of the amount of any indebtedness owing by the Lessee to the Lessor at any time and of the fact that the due date of payment of the whole or, as the case may be, any portion of that amount has arrived.

40 TERMINATION OF LEASE AGREEMENT

40.1 The Lessor shall be entitled to affix on the Leased Premises "TO LET" notices during the 6 (six) month period immediately preceding the Expiry Date of this Lease Agreement.

40.2 The Lessor shall be entitled to exhibit, on behalf of any new lessee of the Leased Premises any notices required in connection with any application for a licence to carry on a business in the Leased Premises during the 1 (one) month period immediately preceding the Expiry Date of this Lease Agreement.

40.3 Upon expiry or earlier termination of this Lease Agreement (for whatever reason) the Lessee shall immediately vacate the Leased Premises and restore possession of the Leased Premises to the Lessor in a good order and condition, fair wear and tear excepted. The costs related to restoring the Leased Premises in terms of this clause 40, shall be for the Lessee's account.

41 VACANT POSSESSION

At the termination of this Lease Agreement the Lessee agrees that it will give up vacant possession of the Leased Premises to the Lessor. Should the Lessee not hand over the Leased Premises in a vacant state, all costs incurred by the Lessor in obtaining vacant possession of the Leased Premises shall be for the account of the Lessee.

42 IMPROVEMENTS BY LESSEE

- 42.1 The Lessee shall not be entitled to commence with any Improvement at the Leased Premises unless the Lessee has obtained the necessary regulatory approval, the Lessee has furnished the Lessor with written proof of such approval together with any other information that may be requested by the Lessor and the Lessee has obtained the prior written consent of the Lessor to construct such Improvements, which consent may be given by the Lessor in its sole discretion and may be subject to such conditions that the Lessor may impose, from time to time.
- 42.2 The Lessee acknowledges and agrees that the Lessor shall accept no responsibility for any Improvement constructed by the Lessee in terms of this clause 42, notwithstanding any consent that the Lessor may grant the Lessee in terms of clause 42.1 above, or any inspection of the Leased Premises by the Lessor in terms of clause 26 (*Access to Leased Premises*) above.
- 42.3 The Lessee undertakes to abide by all lawful directions of the Lessor relating to precautionary measures that are necessary to protect the Leased Premises and/or Surrounding Property during the construction of any Improvement by the Lessee in terms of this clause 42.
- 42.4 Unless the Lessor otherwise agrees in writing, the Lessee shall not be entitled to remove any Improvement from the Leased Premises. Notwithstanding the foregoing the Lessor may require the Lessee to remove, immediately after the Expiry Date, any Improvements effected by the Lessee to the Leased Premises and to reinstate the Leased Premises to its original condition and to make good all damage occasioned by such removal.
- 42.5 Should the Lessor require the Lessee to leave all Improvements, the parties agree that the Lessor will not compensate the Lessee for the value (if any) of the Improvements undertaken by the Lessee and that the Lessee shall have no lien over the Improvements.
- 42.6 The Lessee hereby indemnifies and holds the Lessor harmless against any loss or damage, howsoever arising, which the Lessor may suffer (including, but not limited to, any claim made by any third party against the Lessor) arising out of or in connection with any Improvement undertaken in terms of this clause 42.

43 IMPROVEMENTS BY LESSOR

- 43.1 The Lessor may at any time effect such Improvements to the Leased Premises as it may deem fit provided that it shall use its reasonable endeavors to minimise disruption to the Lessee's business.

- 43.2 The Lessee shall not be entitled to any damages or compensation for any loss, damage or inconvenience suffered by the Lessee as a result of any Improvements made to the Leased Premises by the Lessor in accordance with the provisions of this clause 43.

44 REPOSSESSION OF LEASED PREMISES

- 44.1 If at any time after the Initial Period, the Leased Premises or any portion thereof, shall be required for the Lessor for any purpose whatsoever, the Lessor may (notwithstanding any provision in this Lease Agreement to the contrary) after having given the Lessee written notice of not less than the Notice of Repossession Period, enter upon the whole or any portion of the Leased Premises or retake possession of the same for such purposes as aforesaid, free of any right, title or interest which the Lessee may have in respect of the Leased Premises.
- 44.2 Should the Lessor exercise its right in terms of clause 44.1 the Lessee shall be entitled to remove such machinery, plant and ancillary equipment from the repossessed Leased Premises or portion thereof.
- 44.3 In the event of the Lessor retaking possession of a portion of the Leased Premises, only the Rental and Operating Costs payable from the date of repossession shall be reduced pro-rata by an amount bearing the same ratio to the Rental and Operating Costs that was payable prior to the repossession as the repossessed area bears to the whole area hereby leased.
- 44.4 Notwithstanding anything to the contrary in this clause 44 it is agreed that should the Lessor seek to retake possession of a portion only of the Leased Premises, but such repossession interferes substantially with the Lessee's use and enjoyment of the Leased Premises or has the effect of rendering the Leased Premises substantially unsuitable for the purpose of the Lessee's business, the Parties shall:
- 44.4.1 meet and, in good faith, endeavour to agree upon compensation (if any) that may be payable in respect of such repossession; and
- 44.4.2 in the event that Parties are unable to reach agreement in terms of clause 44.4.1 above, the dispute shall be resolved in terms of clause 51 (*Dispute Resolution*) below.
- 44.5 The provisions of this clause 44 shall not be applicable during the Initial Period.

45 REDEVELOPMENT

The Lessor may cancel this Lease Agreement without the payment of any compensation to the Lessee, upon giving notice of not less than the Notice of Redevelopment Period to the Lessee, if the Lessor wishes to redevelop or alter the Surrounding Property or any part thereof or to incorporate it into any scheme of redevelopment involving the Leased Premises, provided that this clause 46 shall not be applicable during the Initial Period.

46 OWNERSHIP OF IMPROVEMENTS FOLLOWING TERMINATION

- 46.1 Any Improvements made to the Leased Premises shall accede to the land and the ownership thereof shall vest in the Lessor without any compensation whatsoever being payable by the Lessor to the Lessee.
- 46.2 Notwithstanding the provisions of clause 46.1 above, the Lessor shall have the right to:
 - 46.2.1 either retain or, at its sole and unfettered discretion, to order the Lessee, at the Lessee's sole cost, to remove from the Leased Premises any such Improvement; or
 - 46.2.2 in the event that the Lessee fails to comply with an order from the Lessor to remove (or cause to be removed) from the Leased Premises any such Improvement within a reasonable time period, to effect such removal and to thereafter claim for the cost of such removal from the Lessee.

47 PLANT, MACHINERY AND ANCILLARY EQUIPMENT

- 47.1 The Lessee may, with the prior written consent of the Lessor, which consent shall not be unreasonably withheld or delayed, install on the Leased Premises all such plant, machinery or ancillary equipment as it may reasonably require in relation to its business.
- 47.2 The Lessee's plant, machinery or ancillary equipment shall be installed:
 - 47.2.1 in a good, proper and workmanlike manner; and
 - 47.2.2 in accordance with the requirements of every applicable law.

47.3 Should the Lessee fail to remove or to complete the removal of any machinery, plant or ancillary equipment upon expiry or earlier termination of this Lease Agreement, the Lessee shall forfeit the right to undertake such removal and shall have no right to claim compensation in respect of such machinery, plant or ancillary equipment, provided that the Lessor may in its sole discretion require the Lessee to undertake or complete such removal. Should the Lessee fail to comply with this requirement, the Lessor may undertake the removal and may dispose of all machinery, plant or ancillary equipment so removed and may recover the cost of such removal and disposal from the Lessee.

47.4 Should the Lessee remain in occupation of the Leased Premises unlawfully after expiry of this Lease Agreement for the purpose of removing any machinery, plant or ancillary equipment, the Lessee shall be liable for the payment of Rental, Operating Costs and all other charges in terms of this Lease Agreement in respect of such period of occupation as well as compensation for any damage or loss suffered by the Lessor as a result thereof.

48 FIRE PROTECTION MEASURES

48.1 If, in the reasonable discretion of the Lessor, the nature of the Lessee's operations on or about the Leased Premises require specific and/or additional fire protection measures to be undertaken or implemented (which may include Improvements to the Leased Premises) then:

48.1.1 the Lessor shall be entitled, in its sole discretion, to give the Lessee written notification of the measures to be undertaken and implemented; and

48.1.2 the Lessee shall as soon as reasonably possible implement such measures.

48.2 The provisions of this clause 48 are in addition and without prejudice to the requirements of any local or competent authority in terms of any law with regard to fire protection measures.

48.3 The Lessee shall have no claim against the Lessor if it fails to notify the Lessee of any fire protection measures to be undertaken and/or if any such measures, if undertaken, subsequently prove to be inadequate. The provisions of this clause 49 are imposed strictly for the benefit of the Lessor and do not confer any rights of whatever nature upon the Lessee.

48.4 The Lessee indemnifies the Lessor against:

48.4.1 any loss or damage that may be suffered by the Lessor; and/or

48.4.2 any claim of whatever nature that may be brought against the Lessor by any third party,

arising from or in connection with any fire occurring on or about the Leased Premises, whether or not the Lessee has complied with all or any of its obligations arising from this clause 48.

49 DAMAGE AND DESTRUCTION

- 49.1 Should any damage to, or destruction of, the whole of the Leased Premises take place, the Lessee shall have no claim whatsoever against the Lessor, irrespective of the cause or nature of such damage or destruction. The Lessor shall be entitled, within 30 (thirty) days after such damage or destruction, to decide whether or not to terminate this Lease Agreement and shall notify the Lessee of its decision in writing within such period. Should the Lessor not notify the Lessee of its decision within such period, it shall be deemed to have elected to terminate this Lease Agreement.
- 49.2 Should the Lessor elect or be deemed to have elected to terminate this Lease Agreement, the Lessee shall have no claim of any nature whatsoever against the Lessor as a result of such termination, but shall not be liable for the payment of Rental, Operating Costs or other charges from the date of such damage or destruction.
- 49.3 Should the Lessor elect not to terminate this Lease Agreement:
- 49.3.1 the Lessor shall reinstate the Leased Premises, at its own cost as soon as is reasonably possible;
- 49.3.2 the Lessee shall not be liable for the payment of Rental, Operating Costs or other charges for as long as it is deprived of beneficial occupation of the Leased Premises;
- 49.3.3 the Lessee shall re-take beneficial occupation from time to time of any part of the Leased Premises which has been reinstated and the provisions of this Lease Agreement shall *mutatis mutandis* apply to such occupation and the Lessee shall make payment of the Rental, Operating Costs or other charges in terms of this Lease Agreement on a *pro rata* basis; and
- 49.3.4 the period of this Lease Agreement shall, at the option of the Lessee, be extended by the period during which the Lessee is deprived of beneficial occupation of the whole of the Leased Premises.
- 49.4 Should any portion (but not the whole) of the Leased Premises be damaged or destroyed by any cause whatsoever, the Lessor shall be entitled within 30 (thirty) days after such damage or destruction, to decide whether or not to terminate this Lease Agreement and shall notify the Lessee of its decision in writing within such period. Should the Lessor not notify the Lessee of its decision within such period, it shall be deemed to have elected to terminate this Lease Agreement.
- 49.5 Should the Lessor elect not to terminate this Lease Agreement, then

- 49.5.1 the Rental, Operating Costs or other charges payable by the Lessee shall be reduced *pro rata* to the extent of infringement upon the Lessee's right of beneficial occupation;
- 49.5.2 the Lessor shall repair the damaged or destroyed portion of the Leased Premises at its own cost as soon as is reasonably possible; and
- 49.5.3 the Lessee shall have no claim whatsoever against the Lessor irrespective of the cause or nature of such damage or destruction.
- 49.6 In the event that the total or partial destruction is caused by any wilful act or omission of the Lessee, then (notwithstanding the provisions of this clause 49) the Lessee shall not be able to invoke the above protections and shall be liable to the Lessor for the full sum of damages sustained by it as a result of the aforesaid wilful act or omission.

50 JURISDICTION OF COURT

The Lessee hereby consents to the jurisdiction of the Magistrates' Court for the purpose of any proceedings in terms of or incidental to this Lease Agreement, provided that either Party, may in its discretion institute proceedings in any division of the High Court having jurisdiction and in that event the costs shall be determined on the scale applicable to the High Court.

51 DISPUTE RESOLUTION

- 51.1 Subject to any other dispute resolution procedure provided for in this Main Agreement, should any dispute or claim arise between the Parties ("**the Dispute**") concerning this Lease Agreement, the Parties shall endeavour to resolve the dispute by negotiation.
- 51.2 If the Dispute has not been resolved by such negotiation within 5 (five) Business Days, then the Lessor shall have the right to submit the Dispute to arbitration to be administered by the Arbitration Foundation of Southern Africa ("**AFSA**") or its successor, upon such terms as agreed between the Parties and the secretariat of AFSA, or failing such agreement, upon such terms as determined by the secretariat of AFSA.
- 51.3 Unless otherwise agreed in writing by both Parties, any such arbitration in terms of this clause 51 shall be held in the magisterial district within which the Leased Premises are situated.
- 51.4 Notwithstanding anything to the contrary contained in this clause 51, either Party shall be entitled to apply for and if successful, be granted, an interdict from any competent court having jurisdiction.

- 51.5 This clause 51 constitutes an irrevocable consent by each of the Parties to any proceedings in terms hereof, is severable from the rest of the Lease Agreement and shall, notwithstanding the termination of the Lease Agreement, remain in full force and effect.

52 SURETYSHIP

If required in terms of *Annexure "A"* for the purposes of securing the obligations of the Lessee in terms of this Lease Agreement, the Lessor may require the Lessee, on the Signature Date, to deliver to the Lessor a deed of suretyship which must comply with the provisions of *Annexure "D"*.

53 COSTS

Any incidental and other costs in relation to this Lease Agreement, including costs payable in connection with any renewal or extension of this Lease Agreement, shall be borne by the Lessee and shall be paid upon demand.

54 DOMICILIUM

- 54.1 For the purposes of this Lease Agreement, including the giving of notices and the serving of legal process:

54.1.1 the Lessor chooses the Lessor's Domicilium as its domicilium citandi et executandi; and

54.1.2 the Lessee chooses the Lessee's Domicilium as its domicilium citandi et executandi.

54.2 A Party may at any time change its domicilium by notice in writing, provided that the new domicilium is in the Republic and consists of, or includes, a physical address at which process can be served.

54.3.1 be delivered by hand; or

54.3.2 be sent by prepaid registered post; or

54.3.3 be sent by fax or e-mail, to the domicilium chosen by the Party concerned.

54.4 A notice given as set out above shall be deemed to have been duly given, unless the contrary is proved:

54.4.1 if delivered by hand: 1 (one) Business Day after delivery;

54.4.2 if sent by post: 14 (fourteen) Business Days after posting; and

- 54.4.3 if sent by fax or e-mail: on the Business Day following the day on which it was transmitted.

55 CONFIDENTIALITY

- 55.1 Notwithstanding the cancellation or termination of this Lease Agreement, neither Party shall, at any time after the conclusion of this Lease Agreement, disclose to any person or use in any manner whatsoever any of the other Party's Confidential Information or disclose the existence or contents of this Lease Agreement, provided that:
- 55.1.1 the receiving Party may disclose the other Party's Confidential Information and the existence and contents of this Lease Agreement to, and permit the use thereof by, its employees, representatives and professional advisors to the extent strictly necessary for the purpose of implementing or enforcing this Lease Agreement or obtaining professional advice or conducting its business. The Parties agree that any disclosure or use by any such employee, representative or advisor of such Confidential Information for any other purpose shall constitute a breach of this clause 56 by the Lessee;

All Bid Documents and subsequent contracts and orders shall be subject to the following general conditions as laid down by Transnet and are to be strictly adhered to by any Respondent to this RFX.

3 SUBMITTING OF BID DOCUMENTS

- 3.1 A Bid, which shall hereinafter include reference to an RFP or RFQ, shall be submitted to Transnet no later than the closing date and time specified in accordance with the directions issued in the Bid Documents. Late Bids will not be considered.
- 3.2 The Bid Documents must be completed in their entirety and Respondents are required to complete and submit their Bid submissions by uploading them into the system against each tender selected. The bidder guide can be found on the Transnet Portal transnetetenders.azurewebsites.net.

4 USE OF BID FORMS

- 4.1 Where special forms and/or formats are issued by Transnet for the submission of Bids, Respondents are required to submit their Bids by completion of the appropriate sections on such official forms and/or formats and not in other forms and/or formats or documents bearing their own terms and conditions of contract. Non-compliance with this condition may result in the rejection of a Bid.
- 4.2 Respondents must note that the original Bid forms and/or formats must be completed for submission.
- 4.3 Only if insufficient space has been allocated to a particular response may a Respondent submit additional information under separate cover using the Company's letterhead. This must be duly cross-referenced in the RFX.

5 BID FEES

A bid fee is not applicable. The Bid Documents may be downloaded directly from National Treasury's e-Tender Publication Portal at www.etenders.gov.za and may also be downloaded from the Transnet website at www.transnet.net free of charge.

6 VALIDITY PERIOD

- 6.1 The Respondents must hold their Bid valid for acceptance by Transnet at any time within the requested validity period after the closing date of the bid.
- 6.2 Respondents may be requested to extend their validity period for a specified additional period. In such instances, Respondents will not be allowed to change any aspect of their Bid, unless they are able to demonstrate that the proposed change/s is as a direct and unavoidable consequence of Transnet's extension of the validity period.

7 SITE VISITS / BRIEFING SESSIONS

Respondents may be requested to attend a site visit or briefing session where it is necessary to view the site in order to prepare their Bids, or where Transnet deems it necessary to provide Respondents with further information to allow them to complete their Bids properly. Where such visits or sessions are indicated as compulsory in the RFX Document, Respondents are obliged to attend these meetings as failure to do so will result in their disqualification.

8 CLARIFICATION BEFORE THE CLOSING DATE

Should clarification be required on any aspect of the Bid before the closing date, the Respondent must upload questions onto the Transnet e-Tender Submission Portal or direct such queries to the contact person listed in the RFX Document in the stipulated manner.

9 COMMUNICATION AFTER THE CLOSING DATE

After the closing date of a Bid (i.e. during the evaluation period) the Respondent may only communicate with the contact person listed in the RFX Document.

10 UNAUTHORISED COMMUNICATION ABOUT BIDS

Respondents may at any time communicate with the contact person listed in the RFX Document on any matter relating to its Bid but, in the absence of written authority from the delegated individual (BEC chairperson), no communication on a question affecting the subject of a Bid shall take place between Respondents or other potential service providers or any member of the Bid Adjudication Committee or official of Transnet during the period between the closing date for the receipt of the Bid and the date of the notification of the successful Respondent(s). A Bid, in respect of which any such unauthorised communication has occurred, may be disqualified.

11 RETURNABLE DOCUMENTS

All returnable documents listed in the RFX Documents must be submitted with Respondent's Bid. Failure to submit mandatory returnable schedules / documents will result in disqualification. Failure to submit other schedules / documents may result in disqualification.

12 DEFAULTS BY RESPONDENTS

If the Respondent, after it has been notified of the acceptance of its Bid fails to:

- 12.1 enter into a formal contract when called upon to do so within such period as Transnet may specify; or
- 12.2 accept an order in terms of the Bid;
- 12.3 furnish satisfactory security when called upon to do so for the fulfilment of the contract; or
- 12.4 comply with any condition imposed by Transnet,

Transnet may, in any such case, without prejudice to any other legal remedy which it may have, proceed to accept any other Bid or, if it is necessary to do so, call for Bids afresh, and may recover from the defaulting Respondent any additional expense incurred by Transnet in calling for new offers or in accepting a less favourable offer.

13 CURRENCY

All monetary amounts referred to in a Bid response must be in Rand, the currency of the Republic of South Africa [**ZAR**], save to the extent specifically permitted in the RFP.

14 PRICES SUBJECT TO CONFIRMATION

Prices which are quoted subject to confirmation will not be considered.

15 ALTERATIONS MADE BY THE RESPONDENT TO BID PRICES

All such alterations must be initialled by the person who signs the Bid Documents. Failure to observe this requirement may result in the particular item(s) concerned being excluded in the matter of the award of the business.

16 EXCHANGE AND REMITTANCE

- 16.1 The Respondent should note that where the whole or a portion of the contract or order value is to be remitted overseas, Transnet shall, if requested to do so by the Supplier/Service Provider, effect payment overseas directly to the foreign principal or manufacturer of such percentage of the contract or order value as may be stipulated by the Respondent in its Bid Documents.
- 16.2 It is Transnet's preference to enter into Rand-based agreements. Transnet would request, therefore, that the Respondent give favourable consideration to obtaining forward exchange cover on the foreign currency portion of the Agreement at a cost that is acceptable to Transnet to protect itself against any currency rate fluctuation risks for the duration of any resulting contract or order.
- 16.3 The Respondent who desires to avail itself of the aforementioned facility must at the time of bidding furnish the information called for in the Exchange and Remittance section of the Bid Documents and also furnish full details of the principals or manufacturer to whom payment is to be made.
- 16.4 The South African Reserve Bank's approval is required before any foreign currency payments can be made to or on behalf of Respondents.
- 16.5 Transnet will not recognise any claim for adjustment of the order and/or contract price if the increase in price arises after the date on which the Goods/Services were to be delivered, as set out in the order and/or contract, or any subsequent agreement between the parties.
- 16.6 Transnet reserves the right to request a pro-forma invoice/tax invoice in order to ensure compliance with the contract and Value-Added Tax Act no. 89 of 1991 [VAT Act].

17 ACCEPTANCE OF BID

- 17.1 Upon the acceptance of a Bid by Transnet, the parties shall be bound by these General Bid Conditions and any contractual terms and/or any schedule of "Special Conditions" or otherwise which form part of the Bid Documents.

18 NOTICE TO UNSUCCESSFUL RESPONDENTS

- 18.1 Unsuccessful Respondents shall be advised in writing that their Bids have not been accepted as soon as possible after the closing date of the Bid. 19 TERMS AND CONDITIONS OF CONTRACT

- 19.1 The Supplier/Service Provider shall adhere to the Terms and Conditions of Contract issued with the Bid Documents, together with any schedule of "Special Conditions" or otherwise which form part of the Bid Documents.
- 19.2 Should the Respondent find any conditions unacceptable, it should indicate which conditions are unacceptable and offer amendments/ alternatives by written submission on a company letterhead. Any such submission shall be subject to review by Transnet's Legal Counsel who shall determine whether the proposed amendments /alternative(s) are acceptable or otherwise, as the case may be. Respondents will be afforded an opportunity to withdraw an unacceptable deviation, failing which the respondent will be disqualified.

20 CONTRACT DOCUMENTS

- 20.1 The contract documents will comprise these General Bid Conditions, the Terms and Conditions of Contract and any schedule of "Special Conditions" which form part of the Bid Documents.
- 20.2 The abovementioned documents together with the Respondent's Bid response will constitute the contract between the parties upon receipt by the Respondent of Transnet's letter of acceptance, subject to all additional amendments and/or special conditions thereto as agreed to by the parties.
- 20.3 Should Transnet inform the Respondent that a formal contract will be signed, the abovementioned documents together with the Respondent's Bid response [and, if any, its covering letter and any subsequent exchange of correspondence] as well as Transnet's Letter of Acceptance, shall constitute a binding contract until the final contract is signed.

21 LAW GOVERNING CONTRACT

The law of the Republic of South Africa shall govern the contract created by the acceptance of a Bid. The *domicilium citandi et executandi* shall be a place in the Republic of South Africa to be specified by the Respondent in its Bid at which all legal documents may be served on the Respondent who shall agree to submit to the jurisdiction of the courts of the Republic of South Africa. A foreign Respondent shall, therefore, state in its Bid the name of its authorised representative in the Republic of South Africa who is empowered to sign any contract which may be entered into in the event of its Bid being accepted and to act on its behalf in all matters relating to the contract.

22 IDENTIFICATION

If the Respondent is a company, the full names of the directors shall be stated in the Bid. If the Respondent is a close corporation, the full names of the members shall be stated in the Bid. If the Respondent is a partnership or an individual trading under a trade name, the full names of the partners or of such individual, as the case may be, shall be furnished.

23 RESPONDENT'S SAMPLES

- 23.1 If samples are required from Respondents, such samples shall be suitably marked with the Respondent's name and address, the Bid number and the Bid item number and must be despatched in time to reach the addressee as stipulated in the Bid Documents on or before the closing date of the Bid. Failure to submit samples by the due date may result in the rejection of a Bid.
- 23.2 Transnet reserves the right to retain samples furnished by Respondents in compliance with Bid conditions.
- 23.3 Payment will not be made for a successful Respondent's samples that may be retained by Transnet for the purpose of checking the quality and workmanship of Goods/Services delivered in execution of a contract.

24 SECURITIES

- 24.1 The successful Respondent, when called upon to do so, shall provide security to the satisfaction of Transnet for the due fulfilment of a contract or order. Such security shall be in the form of a Deed of Suretyship [Deed of Suretyship] furnished by an approved bank, building society, insurance or guarantee corporation carrying on business in South Africa.
- 24.2 The security may be applied in whole or part at the discretion of Transnet to make good any loss or damage which Transnet may incur in consequence of a breach of the contract or any part thereof.
- 24.3 Such security, if required, shall be an amount which will be stipulated in the Bid Documents.
- 24.4 For the purpose of clause 24.124.1 above, Transnet will supply a Deed of Suretyship form to the successful Respondent for completion and no guarantee in any other form will be accepted. A copy of such form will be supplied to Respondents on request. For this purpose a Deed of Suretyship form will be provided which shall be completed and returned to Transnet or a designated official by the successful Respondent within 30 [thirty] calendar days from the date of the letter of acceptance. No payment will be made until the form, duly completed, is delivered to Transnet. Failure to return the Deed of Suretyship within the prescribed time shall, save where prior extension has been granted, entitle Transnet without notice to the Supplier/Service Provider to cancel the contract with immediate effect.
- 24.5 Additional costs incurred by Transnet necessitated by reason of default on the part of the Supplier/Service Provider in relation to the conditions of this clause 244 will be for the account of the Supplier/Service Provider.

25 PRICE AND DELIVERY BASIS FOR GOODS

- 25.1 Unless otherwise specified in the Bid Documents, the prices quoted for Goods must be on a Delivered Duty Paid [latest ICC Incoterms] price basis in accordance with the terms and at the delivery point or

points specified in Transnet's Bid Documents. Bids for supply on any other basis of delivery are liable to disqualification. The lead time for delivery stated by the Respondent must be inclusive of all non-working days or holidays, and of periods occupied in stocktaking or in effecting repairs to or overhauling plant, which would ordinarily occur within the delivery period given by the Respondent.

25.2 Respondents must furnish their Bid prices in the Price Schedule of the Bid Documents on the following basis:

Unless otherwise stipulated, the Goods offered shall be NEW i.e. in unused condition, neither second-hand nor reconditioned.

28 DELETION OF ITEMS EXCLUDED FROM BID

The Respondent must delete items for which it has not tendered or for which the price has been included elsewhere in its Bid.

29 VALUE-ADDED TAX

29.1 In respect of local supplies, i.e. Goods to be manufactured, produced or assembled in the Republic of South Africa, or imported supplies held or already in transit to South Africa, the prices quoted by the Respondent are to be inclusive of VAT which must be shown separately at the standard rate on the Tax Invoice.

29.2 In respect of foreign Services rendered:

NOTE: The successful Respondent [the **Supplier/Service Provider**] shall, where applicable, be required to furnish a guarantee covering any advance payments.

30.2 Conditional Discount

Respondents offering prices which are subject to a conditional discount applicable for payment within a specific period are to note that the conditional period will be calculated as from the date of receipt by Transnet of the Supplier/Service Provider's month-end statement reflecting the relevant Tax Invoice(s) for payment purposes, provided the conditions of the order or contract have been fulfilled and the Tax Invoice is correct in all respects as referred to in the contract or order. Incomplete and/or incorrect Tax Invoices shall be returned and the conditional period will be recalculated from the date of receipt of the correct documentation.

31 CONTRACT QUANTITIES AND DELIVERY REQUIREMENTS

31.1 Contract Quantities

- a) It must be clearly understood that although Transnet does not bind itself to purchase a definitive quantity under any contract which may be entered into pursuant to this Bid, the successful Respondent nevertheless undertakes to supply against the contract such quantities as may be ordered against the contract, which orders are posted or delivered by hand or transmitted electronically on or before the expiry date of such contract.
- b) It is furthermore a condition that Transnet will not accept liability for any material/stocks specially ordered or carried by the Respondent with a view to meeting the requirements under any such contract.
- c) The estimated planned quantities likely to be ordered by Transnet per annum are furnished in relevant section of the Bid Documents. For avoidance of doubt the estimated quantities are estimates and Transnet reserves the right to order only those quantities sufficient for its operational requirements.

31.2 Delivery Period

a) Period Contracts and Fixed Quantity Requirements

It will be a condition of any resulting contract/order that the delivery period embodied therein will be governed by the provisions of the Terms and Conditions of Contract.

b) Progress Reports

The Supplier/Service Provider may be required to submit periodical progress reports with regard to the delivery of the Goods/Services.

c) Emergency Demands as and when required

If, due to unforeseen circumstances, supplies of the Goods/Services covered by the Bid are required at short notice for immediate delivery, the Supplier/Service Provider will be given first right of refusal for such business. If it is unable to meet the desired critical delivery period,

Transnet reserves the right to purchase such supplies as may be required to meet the emergency outside the contract if immediate delivery can be offered from any other source. The *Total or Partial Failure to Perform the Scope of Supply* section in the Terms and Conditions of Contract will not be applicable in these circumstances.

32 PLANS, DRAWINGS, DIAGRAMS, SPECIFICATIONS AND DOCUMENTS

32.1 Copyright

Copyright in plans, drawings, diagrams, specifications and documents compiled by the Supplier/Service Provider for the purpose of contract work shall be governed by the Intellectual Property Rights section in the Terms and Conditions of Contract.

32.2 Drawings and specifications

In addition to what may be stated in any Bid Document, the Respondent should note that, unless notified to the contrary by Transnet or a designated official by means of an official amendment to the Bid Documents, it is required to tender for Goods/Services strictly in accordance with the drawings and/or specifications supplied by Transnet, notwithstanding that it may be aware that alterations or amendments to such drawings or specifications are contemplated by Transnet.

32.3 Respondent's drawings

Drawings required to be submitted by the Respondent must be furnished before the closing time and date of the Bid. The non-receipt of such drawings by the appointed time may disqualify the Bid.

32.4 Foreign specifications

The Respondent quoting for Goods/Services in accordance with foreign specifications, other than British and American standards, is to submit translated copies of such specifications with the Bid. In the event of any departures or variations between the foreign specification(s) quoted in the Bid Documents, full details regarding such departures or variations must be furnished by the Respondent in a covering letter attached to the Bid. Non-compliance with this condition may result in disqualification.

33 BIDS BY OR ON BEHALF OF FOREIGN RESPONDENTS

33.1 Bids submitted by foreign principals may be forwarded directly by the principals or by its South African representative or agent to the designated official of Transnet according to whichever officer is specified in the Bid Documents.

33.2 In the case of a representative or agent, written proof must be submitted to the effect that such representative or agent has been duly authorised to act in that capacity by the principal. Failure to submit such authorisation by the representative or agent shall disqualify the Bid.

33.3 When legally authorised to prepare and submit Bids on behalf of their principals not domiciled in the Republic of South Africa, representatives or agents must compile the Bids in the names of such principals and sign them on behalf of the latter.

33.4 South African representatives or agents of a successful foreign Respondent must when so required enter into a formal contract in the name of their principals and must sign such contract on behalf of the latter. In every such case a legal Power of Attorney from their principals must be furnished to Transnet by the South African representative or agents authorising them to enter into and sign such contract.

- a) Such Power of Attorney must comply with Rule 63 (Authentication of documents executed outside the Republic for use within the Republic) of the Uniform Rules of Court: Rules regulating the conduct of the proceedings of the several provincial and local divisions of the Supreme Court of South Africa.
 - b) The Power of Attorney must be signed by the principal under the same title as used in the Bid Documents.
 - c) If a Power of Attorney held by the South African representative or agent includes matters of a general nature besides provision for the entering into and signing of a contract with Transnet, a certified copy thereof should be furnished.
 - d) The Power of Attorney must authorise the South African representative or agent to choose the *domicilium citandi et executandi*.
- 33.5 If payment is to be made in South Africa, the foreign Supplier/Service Provider [i.e. the principal, or its South African agent or representative], must notify Transnet in writing whether, for payment by electronic funds transfer [EFT]:
- a) funds are to be transferred to the credit of the foreign Supplier/Service Provider's account at a bank in South Africa, in which case the name and branch of such bank shall be furnished; or
 - b) funds are to be transferred to the credit of its South African agent or representative, in which case the name and branch of such bank shall be furnished.
- 33.6 The attention of the Respondent is directed to clause 24 above [Securities] regarding the provision of security for the fulfilment of contracts and orders and the manner and form in which such security is to be furnished.

34 DATABASE OF RESTRICTED SUPPLIERS

The process of restriction is used to exclude a company/person from conducting future business with Transnet and other organs of state for a specified period. No Bid shall be awarded to a Bidder whose name (or any of its members, directors, partners or trustees) appear on the Register of Tender Defaulters kept by National Treasury, or who have been placed on National Treasury's List of Restricted Suppliers. Transnet reserves the right to withdraw an award, or cancel a contract concluded with a Bidder should it be established, at any time, that a bidder has been restricted with National Treasury by another government institution.

- 7.2 If it is found to be that the Bidder / Supplier made an incorrect statement on this subject, the Bidder / Supplier can be rejected from the registration process or removed from the Bidder / Supplier database, if already registered, for such reason (refer to the Breach of Law Form contained in the applicable RFX document.)

10 DISPUTE RESOLUTION

10.1 Transnet recognises that trust and good faith are pivotal to its relationship with its Bidders / Suppliers. When a dispute arises between Transnet and its Bidder / Supplier, the parties should use their best endeavours to resolve the dispute in an amicable manner, whenever possible. Litigation in bad faith negates the principles of trust and good faith on which commercial relationships are based.
