SECTION 2: BACKGROUND, PURPOSE, AND SCOPE OF WORK

2.1 Background and/or Purpose of this Bid

The AGL electrical infrastructure is a critical part of the airport operations, compliance and safety. The implementation of this project will assist in ensuring the safe landing of aircrafts and compliance to the SACAA and ICAO requirements, and reduction of energy consumption by more than fifty percent.

George Airport consists of one Runway 11/29. RWY 11 is both CAT 1 Visual approach (uses only runway edge lights) and CAT II instrument approach (ILS & PAPIs), while Runway 29 is CAT II instrument approach (ILS & PAPIs) and has approach lights, Touch Down Zone (TDZ) lights, centreline lights, Runway Threshold lights and End Lights. The current light fittings mentioned above utilises halogen lamps which have a light output that deteriorates faster and result to a higher cycle rate of maintenance. This project aims at replacing the halogen lamps with efficient LED technology, which has longer life and better intensity with minimum losses in heat and energy. As part of the project scope, the following is also to be addressed; improvement and upgrade of the PLC SCADA system along with the clicking system, upgrade of the old analog CCR's which are not compatible with LED lights, assessment of the closed runway (surface markings, signage and lighting), upgrade of the faulty MALMS Test Bench, Installation of TODA signage on the left and right hand sides of Alpha 2 Taxiway edges with associated light, and assessment/ study of the current ILS for future possible upgrade of the current Categories.

Purpose of this Tender

The purpose of this bid is to solicit the services of a Professional Engineering Consultant for the Refurbishment of Airfield Ground Lighting Project located at George Airport.

ACSA requires the services of Professional Engineering Consultant to undertake Engineering Design & Engineering Management Services (Deliverables stipulated in the ECSA Gazetted Guideline). The lead consultant shall appoint third-party specialists to conduct investigations.

2.2 Scope of Work

Project Scope of Work:

2.2.1 AGL Refurbishment/ Replacement

- Refurbish all 150W halogen approach lights consisting of 142 lights and 100W Centreline lights consisting of 132 lights to 50W LED at RWY 29.
- Replace all halogen Touch Down zone at RWY 29 to LED.
- Replace all halogen RWY 29 Threshold lights to LED.
- Replacing PAPI 11 & 29 Halogen lights consisting of 8 light units each consuming 100W with 50W LED, the current PAPI's are having condensation problem which has been reported by ATC and that causes Pilots to get incorrect instruction or information from the PAPI system.
- Make provision for additional 4mm² core electrical cables, Miniature circuit breakers as per the new design on the CCR's if necessary, otherwise use existing cables and circuit breakers for installation if they are proven to be in good operating conditions.
- Assess the condition of the series isolation transformers and accessories of all the lights to be upgraded, check if the sizes need to be modified to different wattage or voltage levels etc. and upgrade if necessary.
- Assess current light fitting bases for inset lights, mounting poles if they are compatible with the LED latest lights and make provision for new installation and trenching.
- Link the new LED lights to the PLC SCADA system for control and monitoring by Air Traffic controllers and ACSA Maintenance staff.
- Replace the internal MALMS machine in the electrical complex.
- Provide intelligent electrical meters.

2.2.2 ALPHA 2 Taxiway

- Install 2 signage boards on the Right-hand and Left-hand sides of Alpha 2 Taxiway holding point to declare the remaining take off distances available from the positions to the Runway Ends 11/29.
- These signages will assist or guide the small aircrafts of the remaining runway for them to take off as they don't really need the full runway to take off.
- The signage lighting system (signage colour, wording colour and size) shall meet the ICAO, SACAA standards and/ compliance.

- Distance from the runway/taxiway to the signage shall comply with the ICAO, SACAA standards and/ other applicable requirements.
- Signages to be installed above a concrete block and bird spikes to be installed on top of each signage.
- Electrical installation from the closest manhole to power up the new signage. Power supply can be tapped from the existing signage.

2.2.3 Assessment of the closed Runway, Electrical manholes next to RWY 11/29 & Stormwater Management improvement around AGL Infrastructure

- Condition assessment to be performed on the closed runway (run up bay) on surface markings, signages, lighting associated to it.
- Make provision for Run up bay section (closed runway) to be reinstated.
- Reinstate current existing lighting system, surface markings so that it can be useable.
- Conduct assessment, provide recommendations, and implement a solution to the stormwater problem in the electrical manholes (the manholes are filled with stormwater when it rains). In addition, some of the electrical manholes are developing cracks on the structure and lids.
 - Increase the integrity of the manhole infrastructure.
- Improve stormwater management around the AGL Infrastructure.
- Provision of additional cable routes underneath RWY and Taxiways.

2.2.4 Upgrade Old CCR's

- Make provision for additional 4/ 6mm² core electrical cables, Miniature circuit breakers as per the new design on the CCR's if necessary.
- Assess condition of the isolation transformers of all the lights to be upgraded and upgrade if required.
- CCRs must be installed at the current location (Electrical Complex Substation).
- Refurbishment of old Constant Current Regulators (CCR)
- Replacing all 17 Analog CCR's with new technology Digital CCR's
- Analog CCR's comprise of the circuits: Approach lights, Runway Centre line, Touch Down zone PAPI, Taxiway Edge, Taxiway Intersection, Apron Edge and Runway Edge,
- Hour meter that can assist to calculate the lamp hours of each fitting.
- Latest Digital CCR's are easily installed, inexpensive maintenance as their design does not have Fuses which normally blows up.
- Installation of Ethernet cables from new CCR's to PLC and Relays
- Installation of new LV Electrical cables and Circuit breakers where required.

- With new LED fixtures design, more lights or circuits can be added to newly designed digital CCR's, these lights consume less power than the halogen, meaning there could be spare CCR's that can be used for emergency.

2.2.5 **AGL Lighting Efficiency**

- As part of consultant deliverables, the consultant is required to investigate, assess, incorporate, and provide mechanism in place to track new LED Lighting efficiencies.
- Mechanism to monitor if the lamp becomes faulty before reaching its life cycle as per OEM requirements.
- This will enable ACSA to claim under the warranties and guarantees.

2.2.6 **Refurbishment / replacement of PLC SCADA and Clicking System**

- HMI / SCADA / Airfield Lighting Control System (ALCS) is currently not installed at Electrical complex to control and monitor all Airfield Ground Lighting (AGL) equipment installed on the airfield and to support the efficient and safe manoeuvring of all ground traffic at an airfield. This is typically achieved by using a series of computers and Programmable Logical Controllers (PLCs) that transfer the ATC operator's commands to the various devices in the field, monitor their status and provide the appropriate feedback to the operator and maintenance staff.
- Reprogramming of the PLC with additional inputs if applicable
- Current clicking system communication with AGL Lights and/or PLC which is constantly giving problems and causes loss of energy.
- Communication network installation that provides the connections between PLC and new Airfield lighting Control System (ALCS) / HMI as per the latest standards of ICAO and Annex 14.
- As part of the design and / or installation deliverables the following standards are to be complied with.
 - Annex 14, Volume I, (Aerodromes) current edition, Aerodrome Design Manual, Part 4, 5, and 9 ICAO Manual of Surface Movement Guidance and Control System, DOC 9476-AN/927 ICAO Manual of Advanced Surface Movement Guidance and Control System, DOC 9830-AN/452.
 - FAA: AC 150/5345-56 (current edition): Specification for L-890 Airport Lighting Control and Monitoring System (ALCMS) Advisory Circular (AC).
- Install new SCADA/ HMI at Electrical complex for electricians to monitor faults and control when required.
- Upgrade or replace the existing SCADA/ HMI at Air Traffic Control that is redundant.

- Upgrade the whole PLC system that is redundant as well as the clicking system. Communication between lights, clicking system and the SCADA sometimes breaks. This causes interruptions when the maintenance staff is performing runway daily inspection and delays the inspection.
- Procure new/ latest version of Operating software and HMI/ screen which is compatible with the latest version.
- Link the SCADA to all the airfields lights that needs to be monitored and controlled.
- Condition assessment of current MOXA units if they can accommodate the additional runway lights communication cables, if not additional MOXA(s) to be procured and installed to accommodate new ethernet cables from the new CCR type.
- Condition assessment of the current electrical relays on the communication panel and advise if there's a need to upgrade to newer efficiency or recommended relays.

2.2.7 Recommendation plan for Instrument Landing System (ILS) improvement at George Airport

- Consultant to perform ILS Road map study, assess current ILS System Improvement required on RWY 11 ILS, Lighting, Markings to upgrade the Runway's category to a higher Category for possible future project initiation.

2.2.8 Electrical Drawings

- Update all Existing AGL drawings and must be integrated with new installations.
- Issue ACSA Hard copy and soft copy drawings in DWG format File.
- Implement drawing management standards (database; filing of new drawings; etc.).

2.2.9 Additional Project deliverables

- a) Close Out Project in line with Employers Asset Management procedure which shall include;
- A list of assets created in accordance with the ACSA Data Dictionary. (ACSA will provide the Data Dictionary)
 - The list of assets must contain all the details required to complete the ACSA Capitalisation form, these are:
 - Date new asset was complete and came into use.
 - List of assets to be disposed.
 - New asset: what is the expected life span of this equipment/infrastructure - consider when deciding under which asset class to add asset.
 - Provide: Serial numbers, Make and model, Asset Description, Cost Centre

- Also inform if there are different components (items that have a different life span)
- Bar codes to be added, will be done after all assets has been identified. Barcodes available from ACSA Finance office
- The above must match the BOQ attached to the Completion Certificate.
- Photos with GPS coordinates are required. See example below.

2.3 Scope of Works for the Professional Engineering Consultant

2.3.1 Normal Engineering Services (Stage 1 to 6) as described in the ECSA Gazetted Guideline, March 2021. See attached Annexure C5.7.

a) Stage 1- Initiation

- i. Complete an Inception Report for the full construction scope of works.
- ii. Stage 1 is complete when an Inception Report is approved by ACSA.

b) Stage 2- Concept and Viability

- i. All deliverables per the ECSA Gazetted Guideline, March 2021
- ii. Complete a Concept Design Report for the full construction scope of works.
- iii. Stage 2 is complete when a Concept Design Report is approved by ACSA.

c) Stages 3 - Detail Design

- i. All deliverables per the ECSA Gazetted Guideline, March 2021
- ii. Complete an engineering detail design.
- iii. Complete a detailed cost estimate for the full construction scope of works.
- iv. Complete a detail design report for the full construction scope of works.
- v. Accept design liability by signing off the Detail Design Report and Engineering Design Drawings.
- vi. Stage 3 is complete when a Detail Design Report is approved by ACSA.

d) Stages 4 - Documentation and Procurement

- i. Compile construction BOQ, Project Specification and Tender document with the full construction scope of work.
- ii. Attend Bid Specification and Bid Evaluation meetings, present draft tender to BEC.
- iii. Write a tender evaluation report – evaluation of the preferred bidder's pricing.
- iv. The stage is complete when the Final Tender document is accepted, advertised, and the bid evaluation is complete.

e) Stages 5 – Contract Administration and Inspection

- i. All deliverables as per the ECSA Gazetted Guideline, March 2021.

f) Stage 6 – Close Out

- i. All deliverables as per the ECSA Gazetted Guideline, March 2021.

2.3.2 Additional Services

a) Engineering Management Services

- i. The provision of Engineering Management Services (Stages 1 – 6 deliverables as stipulated in the ECSA Guideline Gazette, March 2021).

b) Construction Monitoring

- ii. The provision of Level 3 Full Time Site Monitoring during construction. It is estimated that most of the construction work will take place at night/ during non-operational hours.

c) Construction Health and Safety Agent

- Act as Employer's agent in terms of the Occupational Health and Safety Act, 1993 (Act No 85 of 1993) and the Construction Regulations, 2014.

- The **Professional Health and Safety Agent** will be required to provide services as prescribed in the South African Council for the Project and Construction Management Professional (SACPCMP) document. Refer to the attached Annexure C5.8.
- The Principal Consultant shall appoint a Professional Occupational Health and Safety Agent that is registered with SACPCMP as a Pr. CHSA.
- The Pr. CHSA shall be appointed for Stage 3 - 6 deliverables as stipulated in the SACPCMP 2019 Guideline document, which is attached as an Annexure to this tender.
- The appointed Professional Health and Safety Agent for this bid will monitor the appointed Occupational Health and Safety Officer appointed under the contractor to ensure compliance with the latest Occupational Health and Safety Regulations and advise the Employer of any non-conformance.
- The bidder will provide weekly audits for the duration of the construction period. Monthly reports are to be issued electronically to the Engineer and Employer at an agreed date prior to the monthly contractor site meeting.

The Health and Safety Professional will perform the duties of Occupational Health & Safety Agent to ensure:

- ACSA Safety policies and procedures are adhered to.
- Work is carried out safely without impacting the Airport Operational Environment

The Service Provider, in submitting a tender for this professional services contract, shall be deemed to have acknowledged acceptance of the appointment as the Employer's agent in terms of the Occupational Health and Safety Act, 1993 (Act No 85 of 1993) and the Construction Regulations, 2014, should the Employer accept the tender. The Service Provider shall, as such, execute all of the duties of the Employer as contemplated in the Construction Regulations.

The cost of the OHS specialist must be included in the fee tendered for this aspect of the project.

The Service Provider shall, apart from conducting his own activities in compliance with the Occupational Health and Safety Act, 1993 (Act No 85 of 1993) and Construction Regulations, 2014, ensure that any sub-consultants/sub-contractors employed by the Service Provider also comply with the requirements of the Act and Regulations. The Service Provider shall enter into an agreement with the Employer in this regard before the commencement of any work related to this contract.

Furthermore, the service provider shall be required to ensure that weekly site audits (physical and administration audits) are conducted and a close out report is issued upon completion.

ACSA requires a Pr. CHSA to undertake the duties per the Occupational Health and Safety Act and the Construction Regulations in terms thereof, on behalf of the Employer. The appointed Engineer

2.4.5 Hidden and other services within site

There might be water and sewer pipes located underground. Also, there are other cables going through the trenches and these must be treated as live cables. There are also communication cables located underground.

2.4.6 Form of Contract

The Conditions of Contract are the Standard Professional Services Contract (July 2009) published by the Construction Industry Development Board. **The Form of Offer is contained in Annexure L.1, Bidders are to complete the form of offer in full and sign.**

2.4.7 Extent of Services

Refer to Scope of Work.

The services to be provided in terms of this project are inextricably linked to the Employers capital budget. The project will be managed in accordance with the Framework for Infrastructure Delivery and Procurement Management (FIDPM) and ACSA Project Management Processes and Procedures. The Employer reserves the right to terminate the project at any stage should no budget be available.

2.4.8 Reference data

A compulsory clarification session will be held to clarify the Scope of Works and answer queries. Existing Services information shall be made available when the Service Provider is appointed. All existing services information to be verified before commencing design or construction works.

2.4.9 Timeframes and Milestones

Milestones set by the Employer typically revolve around budget cycles and the need to spend the budget in any given financial year. The financial year ends 31 March each year, and the Service Provider will be expected to establish a project programme, in consultation with the Employer, that takes cognisance of the budgets available and the budget cycles. Once agreed, the Service Provider is expected to ensure that the programme is adhered to, and to intervene timeously if necessary.

The Service Provider shall submit a revised programme as and when required by the Employer.

The project must be delivered as part of the overall milestone delivery programme (indicatively shown below). ACSA operations cannot be affected by milestones missed and Service Providers are to therefore plan their project programmes carefully.

See the below project milestone deliverables. **The intention is to provide the works stipulated within the timelines provided, or sooner.** The **construction period is estimated to be 7 months**, and the Service Provider is to consider parallel works activities to shorten this duration where possible.

It is recommended that the successful bidder have a presence in George. Refer to the Disbursement and Claimable cost compensated by ACSA. The Service Provider's personnel may also be required to attend meetings elsewhere in the George area as and when required. Bidders are to price accordingly. It is anticipated that the bulk of the bidder's deliverables will be undertaken on site (George Airport). During construction, it is expected the successful bidder maintain a strong presence on site.

2.4.17 Safety and Security

It is an explicit condition of this appointment that partners, directors and/or the members of staff who will have an insight into the planning of projects requiring a security clearance, be kept to a minimum and that such persons will not object to be submitted to a security clearance if ACSA so requires.

All documents pertaining to these projects must be stored in a safe place when not in use to ensure that the level of security of the projects is maintained.

ACSA will not accept liability for any costs in this regard. The Service Provider is to ensure that his personnel always comply with airport security and safety.

2.4.18 Key Personnel/Resourcing

The proposed structure and composition of the project team i.e., key staff members functions and proposed technical support staff in the format of a project specific organisational chart must be submitted. The roles and responsibilities of each key staff member/expert must be set out as job descriptions. Should the Service Provider replace a resource, the applicable registrations as stipulated in this document shall apply.

The Service Provider must be adequately resourced to deliver the project to the satisfaction of the Employer.

Should there be a material change to the style, management, or composition of the Service Provider project delivery team which, in ACSA's opinion, substantially affects the strength of empowerment of previously disadvantaged professionals and skills transfer to such persons, then ACSA reserves the right to review the Service Providers continued involvement on this project.

In the event of the Service Provider failing to meet the agreed programme, ACSA reserves the right to insist that you supplement your resources to achieve and maintain programmed dates at no additional cost to ACSA.

In the event of the Service Provider failing to meet the agreed programme and budgetary constraints, ACSA reserves the right to take appropriate action for poor services rendered.

In the event key personnel are changed during the project lifecycle, approval must be sought from the ACSA Project Manager. Should personnel not meet the criteria of this Tender, ACSA reserves the right to terminate this appointment.

In the event of the Service Provider repeatedly breaching any of the items of this appointment in such manner that your conduct is inconsistent with the intention or ability to carry out the provisions of this appointment then ACSA shall be entitled at its sole discretion to prematurely terminate this appointment.

SECTION 3: EVALUATION CRITERIA

3.1 Evaluation Criteria

- 3.1.1 ACSA will use a pre-determined evaluation criteria when considering received bids. The evaluation criteria will consider **mandatory administrative, functionality/ Price and Preference**. During the evaluation of received bids ACSA will make an assessment whether all the bids comply with set minimum requirements and whether all returnable documents/information have been submitted. Bidders which fail to meet minimum requirements, thresholds or have not submitted required mandatory documents will be disqualified from the bid process.
- 3.1.2 The requirements of any given stage must be complied with prior to progression to the next stage. ACSA reserves the right to disqualify bidders without requesting any outstanding document/information.

3.2 A staged approach will be used to evaluate bids and the approach will be as follows:

Stage 1	Stage 2	Stage 3	Stage 4
Check if all the documents have been received.	Mandatory Requirements	Evaluate on functionality or the technical aspect of the bid.	Evaluate price and Preference.

3.3 Mandatory Administrative Requirements

A list of mandatory returnable documents must be consulted to understand which documents are required at the closing date and time. Further, to the mandatory returnable documents/information ACSA will only consider bidders which have:

- 3.3.1 The Form of Offer must be completed in full and signed. **The Form of Offer is contained in the NEC PSC. See Annexure L.1.**
- 3.3.2 Bidders must complete and acknowledge Bidder's Disclosure form SBD4.
- 3.3.3 Bidders must attend a virtual clarification meeting.
- 3.3.4 Acceptance of ACSA terms and Conditions of Bid.

NB:

- **No Bid will be awarded to any person whose tax matters have not been declared in order by South African Revenue Service.**

- **No award will be made to an entity which is not registered on the CSD (Central Supplier Database) with National Treasury. Bidders must supply their unique number.**

Refer to SECTION 5 below for a list of mandatory documents and form.

3.5 Functionality

The functionality evaluation will be conducted by the end-user/operations/the Tender Preparation and Evaluation Committee which comprises of various skilled and experienced members from diverse professional disciplines. The evaluation process will be based on functionality criteria. The criteria will be as follows:

3.5.1 Evaluation

This will be conducted by the Bid Evaluation Committee which comprises of various skilled and experienced members from diverse professional disciplines. The evaluation process will be based on prequalification/threshold criteria. Points allocated for Functionality shall be evaluated in accordance with the criteria as listed below.

3.5.2 Threshold

The functional evaluation will be based on a threshold, where bidders **which fail to achieve a minimum on each functional stage will not be considered further in the evaluation.** The criteria of the evaluation are expressed in the table below.

Points allocated for functionality shall be evaluated in accordance with the criteria as listed below. Total points allocated shall be 100. Tenderer must score a **minimum score per each sub criteria and an overall minimum threshold of 70 points out of 100** is required to be achieved for the bidder to be successful.

Bidding entity must achieve an overall score of 70 points or higher. A bidding entity that fails to meet one of the minimum sub criteria will be disqualified.

3.5.2 Price and Preference

This is the final stage of the evaluation process and will be based on the PPPFA preference point system. Bidders will be ranked by applying the preferential point scoring *80/20 for bids with the rand value equal to or below R50 million*. A maximum of 80 points is allocated for price based on the following formulae:

$$Ps = 80 \left(1 - \frac{Pt - Pmin}{Pmin} \right)$$

Where:

Ps	=	Points scored for price of tender under consideration
Pt	=	Price of tender under consideration
Pmin	=	Price of lowest acceptable tender

Evaluation of Preference

ACSA will score specific goals out of 20 in accordance with the PPP Regulations 2022/2023. If a bidder fails to meet the Specific goals as outlined on the table below and to submit proof, the bidder will score zero (0) out of 20. ACSA will not disqualify the bidder. See below Specific goals that must be achieved for this bid: Paste applicable goal here:

4. POINTS AWARDED FOR SPECIFIC GOALS

- 4.1. In terms of Regulation 4(2); 5(2); 6(2) and 7(2) of the Preferential Procurement Regulations, preference points must be awarded for specific goals stated in the tender. For the purposes of this tender the tenderer will be allocated points based on the goals stated in table 1 below as may be supported by proof/ documentation stated in the conditions of this tender:
- 4.2. In cases where organs of state intend to use Regulation 3(2) of the Regulations, which states that, if it is unclear whether the 80/20 or 90/10 preference point system applies, an organ of state must, in the tender documents, stipulate in the case of—
- an invitation for tender for income-generating contracts, that either the 80/20 or 90/10 preference point system will apply and that the highest acceptable tender will be used to determine the applicable preference point system; or
 - any other invitation for tender, that either the 80/20 or 90/10 preference point system will apply and that the lowest acceptable tender will be used to determine the applicable preference point system,
- then the organ of state must indicate the points allocated for specific goals for both the 90/10 and 80/20 preference point system.

Table 1: Specific goals for the tender and points claimed are indicated per the table below.

(Note to organs of state: Where either the 90/10 or 80/20 preference point system is applicable, corresponding points must also be indicated as such.

Note to tenderers: The tenderer must indicate how they claim points for each preference point system.)

- 2.2 If the confidential information so disclosed is used by the receiving party for any purpose other than that for which its use is authorised in terms of this agreement or is disclosed or disseminated by the receiving party to another person or entity which is not a party to this agreement, this may cause the disclosing party to suffer damages and material financial loss.
- 2.3 This agreement shall also bind the parties, notwithstanding the date of signature hereof, in the event that either party shall have disclosed any confidential information to the other party prior to date of signature hereof.
- 2.4 The parties wish to record the terms and conditions upon which each shall disclose confidential information to the other, which terms and conditions shall constitute a binding and enforceable agreement between the parties and their agents.

3 USE OF CONFIDENTIAL INFORMATION

Any confidential information disclosed by the disclosing party shall be received and used by the receiving party only for the limited purpose described in 2.1 above and for no other purpose.

4 NON-DISCLOSURE

- 4.1 THE RECEIVING PARTY undertakes that –
- 4.1.1 it will treat the disclosing party's confidential information as private and confidential and safeguard it accordingly;
- 4.1.2 it will not use (except as permitted in 3 above) or disclose or release or copy or reproduce or publish or circulate or reverse or engineer and/or decompile or otherwise transfer, whether directly or indirectly, the confidential information of the disclosing party to any other person or entity; and the receiving party shall take all such steps as may be reasonably necessary to prevent the disclosing party's confidential information falling into the hands of unauthorised persons or entities;
- 4.1.3 it shall not disclose the confidential information of the disclosing party to any employee, consultant, professional adviser, contractor or sub-contractor or agent of the receiving party (collectively referred to herein as "representative") or an affiliate of the receiving party, nor shall they be given access thereto by the receiving party -
- 4.1.4 unless it is strictly necessary for the purposes referred to in 2.1 above; and

4.1.5 the receiving party shall have procured that the representative, affiliate or consultant to whom or to which such information is disclosed or made available shall have agreed to be bound by all the terms of this agreement, and, in such event, the receiving party hereby indemnifies the disclosing party against any loss, harm or damage which it may suffer as a result of the unauthorised disclosure of confidential information by a representative, affiliate or consultant.

4.2 Any documentation or written record or other material containing confidential information (in whatsoever form) which comes into the possession of the receiving party shall itself be deemed to form part of the confidential information of the disclosing party. The receiving party shall, on request, and in any event if the discussions referred to in 2.1 above should not result in an agreement, return to the disclosing party all of its confidential information which is in physical form (including all copies) and shall destroy any other records (including, without limitation, those in machine readable form) as far as they contain the disclosing party's confidential information. The receiving party will, upon written or oral request from the disclosing party and within five (5) business days of the disclosing party's request, provide the disclosing party with written confirmation that all such records have been destroyed.

5. **COPIES**

5.1 The receiving party may only make such copies of the disclosing party's confidential information as are strictly necessary for the purpose and the disclosures which are not in breach of this agreement and authorised in terms of this agreement. The receiving party shall clearly mark all such copies as "Confidential".

5.2 At the written request of the disclosing party, the receiving party shall supply to the disclosing party a list showing, to the extent practical –

5.2.1 where copies of the confidential Information are held;

5.2.2 copies that have been made by the receiving party (except where they contain insignificant extracts from or references to confidential information) and where they are held; and

5.2.3 the names and addresses of the persons to whom confidential information has been disclosed and, if applicable, a copy of the confidentiality undertaking signed by such persons complying with the provisions of this agreement.

6. **THE USE OF THE COMPANY'S INTELLECTUAL PROPERTY**

- 6.2 If the receiving party requires the use of such Company IP, a request must be sent to Lerato.Phalo@airports.co.za. Each single request by the same receiving party shall be treated as a new request.
- 6.3 Should the Company provide its consent in terms of clause 6.1 above, the receiving party shall comply with the Company’s policies and standards with regard to the use of the Company IP. Such policies and standards shall be communicated to the receiving party at the time the Company grants the consent to the receiving party.
- 6.4 Failure to adhere to the provisions of this clause 6 or the policies, brand requirements and protocols that will be communicated by the Brand Custodians Office to the receiving party, shall result in the penalty equal to the value of 2% (two per cent) of the receiving party’s annual turnover in the financial year in which the aforesaid failure occurred.

7. **DURATION**

- 7.1 Subject to Clause 2.3 this agreement shall commence or shall be deemed to have commenced on the date of signature of this agreement by the last party to sign the agreement.
- 7.2 This agreement shall remain in force for a period of **5** years (“the term”), or for a period of one (1) year from the date of the last disclosure of confidential information to the receiving party, whichever is the longer period, whether or not the parties continue to have any relationship for that period of time.

8. **TITLE**

- 8.1 All confidential information disclosed by the disclosing party to the receiving party is acknowledged by the receiving party:
- 8.1.1 to be proprietary to the disclosing party; and
- 8.1.2 not to confer any rights to the receiving party of whatever nature in the confidential information.

receiving party. Nothing herein shall imply or create any exclusive relationship between the Parties or otherwise restrict either Party from pursuing any business opportunities provided it complies at all times with the non-disclosure obligations set forth herein

- 9.2 The disclosing party retains the sole and exclusive ownership of intellectual property rights to its confidential information and no license or any other interest in such confidential information is granted in terms hereof or by reason of its disclosure.
- 9.3 The termination of the discussions referred to in 2.1 above shall not release the parties from the obligations set out in this agreement.

10. **ENFORCEMENT, GOVERNING LAWS AND JURISDICTION**

- 10.1 This agreement shall be governed by and interpreted according to the laws of the Republic of South Africa, without reference to the choice of laws' provisions of the Republic of South Africa. In the event of a conflict between or inconsistency in the laws applicable in the various provinces of the Republic of South Africa, the law as applied and interpreted in the Gauteng Province shall prevail.
- 10.2 The parties irrevocably submit to the exclusive jurisdiction of the High Court of South Africa, Witwatersrand Local Division, in respect of any action or proceeding arising from this agreement.
- 10.3 The parties agree that, in the event of a breach of this agreement, monetary damages would not be an adequate remedy. In the event of a breach or threatened breach of any provisions of this agreement by the receiving party, the disclosing party (and/or its relevant affiliate) shall be entitled to injunctive relief in any court of competent jurisdiction and the receiving party shall reimburse the disclosing party for any costs, claims, demands or liabilities arising directly or indirectly out of a breach. Nothing contained in this agreement shall be construed as prohibiting a party or its affiliate from pursuing any other remedies available to it for a breach or threatened breach.
- 10.4 The failure by the disclosing party to enforce or to require the performance at any time of any of the provisions of this agreement shall not be construed to be a waiver of such provision, and shall not affect either the validity of this agreement or any part hereof or the right of the disclosing party to enforce the provisions of this agreement.

11. **DOMICILIUM**

- 11.1 The parties choose as their *domicilium* the addresses indicated in the heading to this agreement for the purposes of giving any notice, the payment of any sum, the serving of any process and for any other purpose arising from this agreement.
- 11.2 Each of the parties shall be entitled from time to time, by written notice to the other, to vary its domicilium to any other address which is not a post office box or poste restante.

Annexure K: POPIA Declaration

CONFIDENTIALITY AND DATA PROTECTION

Save as provided in this clause (*Confidentiality and Data Protection*), each Party shall, and shall procure that its Affiliate and their respective officers, directors, employees, agents, auditors and advisors shall, treat as confidential all information relating to the other Party or its Affiliates thereof or relating to their respective businesses that is of a confidential nature and which is obtained by that Party in terms of, or arising from the implementation of this Agreement, which may become known to it by virtue of being a Party, and shall not reveal, disclose or authorise the disclosure of any such information to any third party or use such information for its own purpose or for any purposes other than those related to the implementation of this Agreement.

The obligations of confidentiality in this clause shall not apply in respect of the disclosure or use of such information in the following circumstances:

in respect of any information which is previously known by such Party (other than as a result of any breach or default by any Party or other person of any agreement by which such Confidential Information was obtained by such Party);

in respect of any information which is in the public domain (other than as a result of any breach or default by either Party);

any disclosure to either Party's professional advisors, executive staff, board of directors or similar governing body who (i) such Party believes have a need to know such information, and (ii) are notified of the confidential nature of such information and are bound by a general duty of confidentiality in respect thereof materially similar to that set out herein;

any disclosure required by law or by any court of competent jurisdiction or by any regulatory authority or by the rules or regulations of any stock exchange;

any disclosure made by a Party made in accordance with that Party's pursuit of any legal remedy;

any disclosure by a Party to its shareholders or members pursuant to any reporting

obligations that Party may have to its shareholders or members, provided that each such shareholder or member is notified of the confidential nature of such information and is bound by a general duty of confidentiality in respect thereof materially similar to that set out herein;

In the event that a Party is required to disclose confidential information as contemplated in this clause, such Party will:

advise any Party/ies in respect of whom such information relates (the "**Relevant Party/ies**") in writing prior to disclosure, if possible;

take such steps to limit the disclosure to the minimum extent required to satisfy such requirement and to the extent that it lawfully and reasonably can;

afford the Relevant Party/ies a reasonable opportunity, if possible, to intervene in the proceedings;

comply with the Relevant Party/ies' reasonable requests as to the manner and terms of such disclosure; and

notify the Relevant Party/ies of the recipient of, and the form and extent of, any such disclosure or announcement immediately after it was made.

Either Party may, by notice in writing, be entitled to demand the prompt return of the whole or any part of any confidential information supplied by it to the other Party, and each Party hereby undertakes to comply promptly with any such demand.

In line with the provisions of Protection of Personal Information Act, No 4 of 2013 (POPIA), particularly section 20 and 21, the service provider (referred to as Operator in POPIA) shall observe the following principles when processing personal information on behalf of the Company (referred to as Responsible Party in POPIA):

the Service Provider shall only act on the Company's documented instructions, unless required by law to act without such instructions;

the Service Provider shall ensure that its representatives processing the information are subject to a duty of confidence;

the Service Provider shall take appropriate measures to ensure the security of processing. The Service Provider shall ensure and hereby warrants that they have minimum IT and or physical security safeguard to protect personal information;

the Service Provider shall notify the Company immediately where there are reasonable grounds to believe that the personal information of a data subject has been accessed or acquired by any unauthorised person;

the Service Provider shall only engage a sub-operator with the Company's prior authorisation and under a written contract;

the Service Provider shall take appropriate measures to help the Company respond to requests from data subjects to exercise their rights;

taking into account the nature of processing and the information available, the Service Provider shall assist the Company in meeting its POPIA obligations in relation to the security of processing, the notification of personal information breaches and data protection impact assessments;

the Service Provider shall delete or return all personal information to the Company (at the Company's choice) at the end of the contract, and the service provider shall also delete existing personal information unless the law requires its storage; and

the Service Provider shall submit to audits and inspections. The Service Provider shall also give the Company whatever information it needs to ensure that the Parties meet their Section 20(1) obligations.
